It's time to win the race against the clock. From finding a parking spot to getting in a good mood, to falling asleep or thinking on your feet, speed is often at the heart of a better life. The Experts' Guide to Doing Things Faster provides you with straightforward and creative strategies for being more efficient in every aspect of every day—in 100 compact chapters written by 100 of the world's leading experts, including:
• Daily essentials, such as getting ready in the morning by Hannah Storm
• Lifestyle lessons, such as throwing a dinner party by Colin Cowie and writing thank-you notes by Carolyn Roehm
• Beauty basics that include styling your hair by Sally Hershberger and losing weight by Harley Pasternak
• Romance road maps, such as making a winning first impression by Neil Strauss
• Physical feats that include running faster by Justin Gatlin and relaxing by Rodney Yee
• Money matters, such as selling a home by Barbara Corcoran and getting a loan by Sir Richard Branson
• Healthy hints, such as speeding up your metabolism by Mark Hyman and overcoming guilt by Keith Ablow
Some of these experts are household names, others are industry leaders—all are at the top of their profession. From a two-time Super Bowl winner and survivor of twenty-nine operations ("How to Recover from Surgery") to New York's most famous doorman ("Make Someone Feel Good"), from the founder of the Geek Squad ("Make Your Computer Run Faster") to Las Vegas's premier wedding planner ("Plan a Wedding") and an Olympic eater ("Cure a Stomachache"), they are the authorities on faster ways to do just about anything.

From the author of the best-selling 100 TESOL Activities comes an updated and expanded edition now revised for the online language teacher! 100 Ways to Teach Language Online will give you simple, powerful, and effective teaching tools as you make the switch from a traditional classroom to an online setting. Designed to be practical, the activities in this book will get students to communicate and interact, and make language come alive in the online classroom while still meeting the needs of the digital learning environment. This book is organized in easy to follow categories that include the most common activities in English language teaching, as well as a lesson planning overview. The lesson plans are broken up into Warm-ups, Guided Practice, Independent Practice, Listening Activities, Reading Activities, Writing Activities, Speaking Activities, Vocabulary Activities, and Teaching Language Learner Autonomy. Above all, this manual is your toolbox, meaning that it is best used when you feel stuck or unable to think of how best to teach a particular subject matter. In other words, think of this book as a way to jumpstart your brain...especially when it stalls. The activities are academically sound, easy to follow and implement, can be easily adapted to a number of contexts, take little or no time to prepare, and are adaptable to all learning levels. Whether you are new to online teaching or simply need a quick reference guide to get your creative juices flowing, this is the book for you.

In the paperback edition of this long-time best-seller, motivational speaker Steve Chandler helps you create an action plan for living your vision in business and in life. The need for sleep is real for many moms out there, including you. Some time ago, I went to see a friend and noticed that she put a little bit of alcohol inside her baby's milk. She said it helps put her baby to sleep. And I was miffed, to say the least. It's true; great sleepers are made, not born. But there are NATURAL ways to put your baby to sleep—even if you have tried all the tricks in the book. Most mothers have found that putting a baby to sleep isn't the easiest part of their job. And while it can be a tasking experience that leaves you all frazzled up, there are things that you can do to soften the bed. So to speak. Read this book closely. It contains 100+ proven techniques that have helped moms to turn their babies into sleeping beauties, and if you learn to live by them, you and your baby will sleep a lot better. In this book you will learn:
• How to Put a Baby to Sleep in 10 Seconds
• Tried Home Remedies for Baby Sleep
• How to Put a Toddler to Sleep
•Controlling the Sleep-Time for Hyperactive Babies
-Traditional Ways of Putting a Baby to Sleep
-The Easiest and Most Positive Way to Put a Baby to Sleep
-Homeopathic Sleep Remedies for Babies
-Ways to Prevent Sleep Deprivation in Children
Plus a lot more. If you really want to start sleeping like a baby, you should learn how to put your baby to sleep NOW. Go right into this book before your baby needs you again.

Already being hailed as The modern reader's Think and Grow Rich in this lively, funny, penetrating book, Chandler and co-author Sam Beckford follow on the heels of Chandler's previous international bestsellers 100 Ways to Motivate Yourself and 100 Ways to Motivate Others. These 100 eye-opening ways to create wealth are drawn from the author's successful careers, with many touching personal stories as well as stories and examples from the hundreds of clients these master coaches have advised. This book is chock full of ways to make money, deepen life's pleasure, increase personal wage-earning power and start fresh entrepreneurial ideas right at home. Written for the age of the home-business entrepreneur, the book appeals to everyone from company CEOs, to life coaches, to stay at home moms, to internet fans to people who are simply thinking of converting that hobby into wealth. This is the deepest and most penetrating study yet of the psychology of prosperity, and the action steps necessary to produce wealth.

"AMAZING, SHOCKING TO BE TAUGHT IN EVERY ENGLISH DEPARTMENT, BRILLIANT"
"MAKING \$100K WITH AN ENGLISH DEGREE ISN'T JUST POSSIBLE, BUT EASIER THAN YOU THINK.
Contrary to popular lore, the author, a successful freelance writer, shows readers that an English degree can be both a practical and profitable gateway to earning a six-figure income. The manuscript is filled with useful tactics and tips, but it also makes clear that the reader's own initiative and discipline are equally important to achieving successful results.
100 Ways to Make \$100K with your English Degree isn't a get rich quick scheme, a hack or a scam. It details numerous avenues for increasing your profits as a writer and English degree holder. Included are hard lessons others have already learned, such as which niche industries are most lucrative and why writers should never settle for an hourly or salary wage. "Having an English degree is frequently frowned upon but, now with the digital age in full swing, they're more profitable than ever. This book tells you EXACTLY what you need, and don't need, to begin a profitable writing career right out of the gate (from the commencement ceremony!). Jessica's unveiled the 'secrets' that should be taught in every English department around the country."
-Drew Hendricks, Co-founder of Hosti, Marketing Director of Bitfinium, and Contributor at The Huffington Post, Forbes, Inc., & Entrepreneur Magazine.
"These 100 strategies are all valid and very viable. This book is not based on some empty promise - whether you want to make a living full time writing or do it for extra side income, you will benefit immensely from the tips, strategies and solid advice Jessica offers."
-Lisa Orrell, The Promote U Guru: Publicist, Branding & Marketing Expert for Authors.
"As someone with the full gamut of English degrees (BA, MFA, Ph.D.), I've received the looks from well-meaning friends and family and sometimes even the direct question, "But how will you support yourself?"
Jessica Mehta's book, 100 Ways to Make \$100K with your English Degree, arms you with excellent answers to that question and amazing career advice."
-Brandi Granett, author, archer and writing mentor (Ph.D. in Creative Writing from Aberystwyth University in Wales, an MFA in Fiction from Sarah Lawrence College, an MEd in Adult and Distance Education from Penn State).
"Many well-trained writers, even masters of their craft, learn the hard way that making a living solely as a book author is incredibly hard. With 100 Ways to Make \$100K with your English Degree Jessica points out that building a career as a writer is filled with financial possibilities. This book is brilliant - from accepting the lack of stability to understanding taxes, job searching every single day to self-care - it should be on every writer's bookshelf."
-Nancy C. Cleary, independent publisher & author of A Book is Born.
"Enough with the English-major bashing! You can make a comfortable living as a writer. In this highly practical little book, Jessica Mehta shows you how to use your words for maximum profit."
-Suzanne Kamata, English major living and working in Japan.
Author of The Beautiful One Has Come: Stories and Screaming Diaries.

While presenting one hundred ways to draw a bird, the author unveils the facts of life as an illustrator, in the hope that doing so will help to make everyday life as an illustrator a little simpler.

*ONE THOUSAND WAYS TO MAKE MONEY*
*The object of this work is to help people who are out of employment to secure a situation; to enable persons of small means to engage in business and become their own employers; to give men and women in various lines of enterprise ideas whereby they may succeed; and to suggest new roads to fortune by the employment of capital. The author has been moved to the undertaking by the reflection that there exists nowhere a book of similar character. There have indeed been published a multitude of books which profess to tell men how to succeed, but they all consist of merely professional counsel expressed in general terms. We are told that the secrets of success are "industry and accuracy," "the grasping of every opportunity," "being wide awake," "getting up early and sitting up late," and other cheap sayings are quite as well known to the taker as to the giver. Even men who have made their mark, when they come to treat of their career in writing, seem unable to give any concrete suggestions which will prove helpful to other struggling thousands, but simply tell us they won by "hard work," or by "close attention to business." The absence of this different plan, I have patiently collected the facts in the rise of men to wealth and power, have collated the instances and instruments of fortune, and from these have sifted out the real secrets of success. When as in a few cases, the worn-out proverbs and principles are quoted, these are immediately reinforced by individual examples of persons who attributed their advancement to the following of these rules; but, in general, the suggestions are new, and in very many cases plans and lines of work are proposed by the author which are entirely original, and so far as he knows, absolutely untried. Hence, the work becomes of incomparable value to businessmen who are constantly seeking new means to interest the public and to dispose of their goods.10f course, the vast field of action treated in is this work lies beyond the experience of anyone man, but the author has talked with businessmen in every walk in life and gleaned from them the essential facts in their career; in many instances these facts are not the things they have done, but the things they would do if they could begin again, thus giving the reader the benefit both of their success and failure. As a book offering opportunities to the ambitious; presenting openings to those seeking a wider scope for their faculties; affording stimulation to persons of sluggish blood, and giving away trade and business secrets never before divulged; the author feels confident that the little work stands unrivaled, and as such, he modestly offers it to the public for its approval. *From author of The Happiness Code, Dominique Bertolucci, comes a new book Love Your Life showcasing a collection of uplifting messages that will inspire you to discover your inner (and lasting) happiness. A self-help, motivational book that provides daily affirmations to inspire happiness and control over our lives. This book comes out of Dominique's online Monday Morning Messages that drop into subscribers inboxes giving them a weekly motivational boost. So popular and well received are the instant messages that this book, containing a full collection, makes for a very positive and powerful package. Combining famous quotes from international thought leaders and inspirational words from Dominique highlighting ways we can integrate these ideas into our lives to improve them day by day, these are simple yet powerful messages that make a difference to the way you feel about yourself and the life you wish to lead. Here is a sample entry from the book: "The true sign of intelligence is not knowledge but imagination." – Albert Einstein ----- Find the time to dream The real thing that holds most people back is lack of imagination, they simply can't conceive of the life they really want to be living. The only real limit to your potential is your imagination, so find some time to daydream about what your life could be like and see what your imagination can come up with.*

*This uplifting book inspires the next generation to step up and make the world a better place. In keeping with the Nat Geo Kids mission, it is full of practical, positive, and powerful ideas that every kid can consider, from simple acts of kindness to creative adventures to good-for-the-planet projects. Who says kids can't change the world? If they've got the will, Nat Geo Kids can guide the way, with doable activities, hands-on projects, advice from National Geographic explorers, interviews with experts, weird-but-true facts, and more inspiration. Actions can be as easy as carrying a reusable water bottle to avoid wasting plastic or planting a tree to help the ecosystem. Ideas are presented as simple concepts with engaging graphics and photographs, and many are followed by detailed supporting information. Kids get a sense of their own power to make a difference and an understanding of what actions contribute to positive outcomes. Sometimes all it takes is starting with something simple, and before you know it, together we've reshaped our planet for the better.*

*"This book is like a good song; it will reach so many people right where they live." ----Tanya Tucker
How do you beat the blues? We all have moments in life when we're down, lonely, or just plain sad. It's part of being human. Just as everyone is different, everyone has a unique way of beating the blues. For anyone who needs a bit of inspiration, a smile, or a friendly pat on the back, Tanya Tucker and ninety-nine friends offer this heartwarming collection of their personal recipes for beating the blues. Whether through family, friends, nature, music, or maybe even a little Jack Daniel's (as Nobel Prize winner William Faulkner recommended), the collected voices in this timeless book remind us of all the happiness and joy life has to offer. President George H. W. Bush yells at the television. Loretta Lynn makes herself a fried bologna sandwich. Sir Arthur C. Clarke explores the infinite universe of fractals. NASCAR's Geoff Bodine cleans the house. Seventy celebrities such as Kris Kristofferson, Jerry Orbach, and Garth Brooks and thirty ordinary folks such as a farmer, a private detective, a doctor, and a retired gospel radio-show host share what lifts their spirits and puts them back in the game of life. From George Jones's practical "Around the Farm Blues" to "Weird Al" Yankovic's funny "The Warm Weather Blues" to Cathie Pelletier's soulful "The Sunday Blues," 100 Ways to Beat the Blues is an inspiring guide to finding happiness no matter what the blues may bring.*

Need to meditate but it's just not right for you? Affirmations are the answer. Today I Will... contains 100 inspiring and practical affirmations to help bring mindfulness, calm and creativity into your life. You know you 'need' to meditate - because you've been told to - or maybe you want to learn to meditate but find it too difficult to establish a meditation practice. The answer you're looking for is affirmations, which work like mini meditations: your attention can be focused on the affirmation for a short period of time and give your brain a chance to let go of extraneous thoughts. You can repeat affirmations throughout the day for little moments of calm. The affirmations in Today I Will... can help you develop mindfulness in a busy world, in just a few short minutes a day. They also provide moments of inspiration to uplift your everyday life. Each affirmation encourages you to make simple changes to daily routines and ways of thinking. The practical purpose, wisdom and joy associated with each affirmation are explained to you as you are guided towards your calm and creative nature. Start changing your life in a positive way: Today I Will...

"Find the future: the game is a pioneering, interactive experience created especially for NYPL's centennial by famed game designer Jane McGonigal, with Natron Baxter and Playmatics. Through a once-in-a-lifetime overnight adventure played inside the Stephen A. Schwarzman Building and an ongoing online game, Find the future: the game combines real-world missions with virtual clues and online collaboration--all inspired by 100 works from the amazing collections of The New York Public Library ... Find the future: the game kicked off on May 20, 2011 as part of NYPL's Centennial Festival weekend, with a 'Write all night' event inside the landmark building at Fifth Avenue and 42nd Street. Players (18 and older) explored the building's 70 miles of stacks, and, using laptops and smartphones, followed) clues to such treasures as the Library's copy of the Declaration of Independence in Thomas Jefferson's hand. After finding each object, each of the 500 players wrote short personal essays inspired by their quest--for example, how would they write the Declaration? Winning the game meant writing a collaborative book based on these personal stories about the future, and this volume will be added to the Library's collections"--New York Public Library Web site, accessed July 11, 2011: http://exhibitions.nypl.org/100/digital\_fun/play\_the\_game

First published in 1936, One Thousand Ways to Make \$1000 is the long out-of-print book that Warren Buffett's biographers credit with shaping the legendary investor's business acumen and giving him the trademark appreciation of compound interest. After pulling a copy of One Thousand Ways off a library shelf at age eleven and devouring F.C. Minkler's plucky and practical business advice, Buffett declared that he would be a millionaire by the time he was 35. Written in the immediate, conversational style of Dale Carnegie's How to Win Friends and Influence People, this book is full of inventive ideas on how to make money through excellent salesmanship, hard work, and resourcefulness. While some of the ideas may seem quaint today's-god darnin', manufacturing motor-driven chairs, and renting out billiard tables to local establishments are among the money-making ideas presented- the underlying fundamentals of business explained in these pages remain as solid as they were over seventy years ago. Covering a wide spectrum of topics including investing, marketing, merchandising, sales, customer relations, and raising money for charity, One
