

## Deal Breakers When To Work On A Relationship And When To Walk Away

Sports agent Myron Bolitar rushes to find out the truth when the future of his star client, rookie quarterback Christian Steele, is threatened by the reappearance of a former girlfriend everyone believed to be dead.

DOES IT SEEM LIKE YOU NEVER HAVE TIME TO MAKE YOUR DREAMS COME TRUE? Are you waiting for a hero to come and rescue you? Do you feel like the universe is conspiring against you to keep you from doing what will make you happy? Duane Martinz knows those feelings, but over time, he has learned not to let fear and setbacks stand in his way. In 'Becoming Your Own Champion', Duane shares the inspirational tale of how he learned to change his thoughts and the stories he told himself into a tale with him at the center as the champion of his own life. Through his story, you will learn how to declare your own championship season and rescue yourself from monotony and lack of fulfillment. When you embark on this championship season journey with Duane, you will finally discover how to: \* Live life to the fullest \* Not die with your music still in you \* Surround yourself with greatness \* Have an attitude of gratitude \* Trust yourself \* Become an uncommon leader \* Do the right thing \* Direct your outcome Overcome your fears After reading this book, you'll join Duane in being a reverse paranoid--someone who believes the universe is conspiring to bring about good in your life. And once you become your own champion, you'll discover that no doors are barred against you. Opportunity is knocking and you just need to open that door to experience life to the fullest, and it all begins with reading this book.

"Newman has made every imaginable dating mistake--so you don't have to. Part guidebook, part personal tell-all, [her book] chronicles [her] funny, real-life dating misadventures and the practical wisdom she gained from them ... Just when you're about to submit to a lifetime at home with a pint of ice cream and TV reruns, Wendy will inspire you to keep stepping out. Learn how to avoid the most common dating mistakes; online-date like a true pro; date efficiently; have an amazing first date with anyone; self-care to stay at your best; end uncomfortable situations with grace; and much, much more"--

"The Millennial Love Expert" shows how to survive a soul-crushing breakup and bounce back to a healthy, happy dating life. Burns teaches the critical coping and self-care survival skills needed to get off the emotional roller coaster and to become a smarter, more intentional dater.

Celebrity coach and speaker Tony A. Gaskins shares proven principles--gleaned from real life failures and successes--for building and sustaining a healthy relationship in today's times. Tony A. Gaskin's appearance on The Oprah Winfrey Show launched his career as a life coach and relationship counselor. After speaking about domestic violence, he felt empowered to speak his truth. Since then, Gaskin has been a faithful and committed husband for over a decade, and has counseled thousands, leading to millions following him online and making him one of America's foremost experts on love and relationships. Practical and accessible, Make It Work walks you through a series of lessons on how to maintain a healthy and long-lasting relationship. Drawing inspiration from the Bible and using his own successes and failures, Gaskins offers a framework for how you can identify the right person to settle down with, set standards which prompt longevity in love, and know what to avoid in a relationship. All this is told in his empowering and empathetic tone that his loyal and devoted following has come to love and trust. In a hopeful response to culture where breakups and divorces are all too common, Make It Work is as an essential resource to help your relationship thrive in this day and age.

"Anyone grappling with the bewilderment of midlife...will be at once provoked and comforted by this enormously wise book" (Dani Shapiro, New York Times bestselling author of Hourglass: Time, Memory, Marriage), from a psychologist who has worked for decades with people struggling to preserve and enhance their marriages and long-term relationships. People today are trying to make their marriages work over longer lives than ever before. But staying married isn't always easy. In the brilliant, transformative, and optimistic The Rough Patch, clinical psychologist Daphne de Marneffe explores the extraordinary pushes and pulls of midlife marriage, where our need to develop as individuals can crash headlong into the demands of our relationships. "A book of good intentions and helpful advice and a worthy manual for spouses" (Kirkus Reviews), The Rough Patch addresses common problems: money, alcohol and drugs, the stresses of parenthood, sex, extramarital affairs, lovesickness, health, aging, children leaving home, and dealing with elderly parents. Then, de Marneffe offers seasoned wisdom on these difficulties, explaining the psychological, emotional, and relational capacities we must cultivate to overcome them as individuals and as couples. Blending research, interviews, and clinical experience, de Marneffe dives deep into the workings of love and the structures of relationships. Intimate and always illuminating, The Rough Patch is an essential, compassionate resource for people trying to understand "where they are" on the continuum of marriage, giving them a chance to share in other people's stories and struggles. "De Marneffe writes with poetry, wit, and compassion about the necessity of struggle in the quest for true love. Anyone in any relationship at any stage of life could stand to learn from the wisdom in these pages" (Andrew Solomon, National Book Award-winning author of Far from the Tree).

"If you and your prospective partner adopt the principles and skills I describe here, your relationship will be successful--not just for starters, but for the long run." An indispensable guide for any couple ready to set the foundation for a loving and lasting union Committing fully to a loving partnership--a "we"--can be one of the most beautiful and fulfilling experiences you'll ever have. Yet as anyone in a long-term relationship will tell you, it can also be one of the most challenging. Almost half of all first marriages end in divorce, and chances go down from there. So how do you beat the odds? "All successful long-term relationships are secure relationships," writes psychotherapist Stan Tatkin. "You and your partner take care of each other in a way that ensures you both feel safe, protected, accepted, and secure at all times." In We Do, Tatkin provides a groundbreaking guide for couples. You'll figure out whether you and your partner are right for each other in the long term, and if so, give your relationship a strong foundation so you can enjoy a secure and lasting love. Highlights include: Create a shared vision for your relationship, the key to a strong foundation It's all about prevention--learn tools and techniques for preventing problems before they occur Understand how to work with the psychological and biological influences in your relationship--neuroscience, arousal regulation, attachment theory, and more Numerous case studies with helpful examples of healthy and unhealthy interactions, sample dialogues, and reflections Dozens of exercises--the newlywed game, reading facial expressions, and many more fun and serious practices to develop intimacy and security Handling conflict--how to broker win-win outcomes Build a loving relationship that helps you thrive and grow as both individuals and a couple Common interests, physical attraction, shared values, and good communication skills are the factors most commonly thought to indicate a good partnership. Yet surprisingly, current research reveals that these are only a small part of what makes for a healthy marriage--much more important are psychological and biological influences. With We Do, you'll learn to navigate these elements and more, giving your relationship the best possible chance to succeed.

"...This is a humorous how-to guide that gives you the tools to survive your own live-in relationship. Lighthearted but clear, it covers topics like: how do you split the bills, chores and control the remote; what if you can't stand your boyfriend's pet ferret (or worse, his friends); how do you deal with each other's annoying habits; what should you do if your sex life turns from wild to mild? spicy to icy. [The author] also discusses the importance of thinking-- and talking-- about some of these things before you move in together." --Back cover.

Deciding when to work on a relationship and when to walk away is a skill that can prevent us wasting months and even years of our lives on partners that will never make us truly happy. Once we have learned to identify the deal breaker in a relationship we can empower ourselves to action, and then change and improve our lives. Whereas books like 'He's Just Not That Into You' explored relationship troubles in black and white, 'Deal Breakers' covers all the shades of grey that lie in between - all those areas where relationships can hit an impasse. Some deal breakers are easy to identify - one partner wants marriage, the other doesn't - yet many are more subtle and difficult to pinpoint. Dr Bethany Marshall is a relationships expert. She has identified specific male archetypes and the traits that frustrate and infuriate their partners. Here, for the first time in book form, is advice that can help any woman who is trying too hard to make her relationship work.

Matthew McKay's and Patrick Fanning's self-help books have already sold more than 600,000 copies. Now, the popular authors teach the communication skills couples need to build happy, intimate, lasting relationships. Step-by-step, couples learn how to communicate effectively, negotiate really difficult conflicts, and more.

Presens design ideas and space-saving solutions for all types and sizes of kitchens.

Brimming with helpful information and tips, The Everything Great Marriage Book can help bring harmony to any relationship.

Presents case studies and anecdotes compiled after a research study explaining the reasons why men do not call back women after a date or online encounter.

Break Free From Over-Functioning, Over-Delivering, People-Pleasing, and Ignoring Your Own Needs So You Can Finally Live the Life You Deserve! Most of us were never taught how to effectively express our preferences, desires or deal-breakers. Instead, we hide our feelings behind passive-aggressive behavior, deny our own truths, or push our emotions down until we get depressed or so frustrated that we explode, potentially destroying hard-won trust and relationships. The most successful and satisfied people on the planet have one thing in common: the ability to create and communicate clear, healthy boundaries. This ability is, hands down, the biggest game changer when it comes to creating a healthy, happy, self-determined life. In Boundary Boss, psychotherapist Terri Cole reveals a specific set of skills that can help you stop abandoning yourself for the sake of others (without guilt or drama) and get empowered to consciously take control of every aspect of your emotional, spiritual, physical, personal, and professional life. Since becoming a Boundary Boss is a process, Cole also offers actionable strategies, scripts, and techniques that can be used in the moment, whenever you need them. You will learn: How to recognize when your boundaries have been violated and what to do next How your unique "Boundary Blueprint" is unconsciously driving your boundary behaviors, and strategies to redesign it Powerful boundary scripts so in the moment you will know what to say How to manage "Boundary Destroyers"--including emotional manipulators, narcissists, and other toxic personalities Where you fall on the spectrum of codependency and how to create healthy, balanced relationships This book is for women who are exhausted from over-giving, overdoing, and even over-feeling. If you're getting it all done but at the expense of yourself, give yourself the gift of Boundary Boss. Elena Murzello cannot imagine going to the grocery store without a list. As she strolls through the aisles, she relies on her list to make sure she gets her must-haves and to help keep her from grabbing items she does not need. It was with this theory in mind that, at age twenty-one, she created a list of characteristics for a potential lifelong mate that still guides her love choices to this day. In The Love List, Elena shares her real- life experiences as well as information gathered from more than a hundred single, divorced, and married men and women about the qualities they look for in a life partner. Abstracting details from her interviews she created a process that anyone can use to create his or her own lists. Along with introspective questions to ponder, Elena includes sample lists of characteristics, the top three traits both men and women seek in a partner, an exploration of different types of relationships, and ways to diversify a portfolio of suitors. The Love List provides practical tips and personal stories to encourage single people to look deep within, take risks, and learn to rely on their own unique lists while searching for the perfect mate.

Tackles one of the most enduring and contentious issues of positive political economy: common pool resource management.

Discover the Most Common Dating "Red Flags" that Scare Good Men Away Commitment-ready, relationship-minded men have a low tolerance policy for any factor that might make a woman appear "unequipped" to take on a serious relationship. Just like the goodhearted women who want nothing more than to find the right man to love and someday build a life with, relationship-minded men want desperately to avoid falling in love with someone that could make their life a living hell. Because of this, guys like this are VERY discriminating when assessing a woman's long-term relationship potential. And they won't think twice about dismissing a woman once they realize she's not really "Girlfriend Material", and thus, not worth their time and attention. Relationship-minded men are less likely to waste a woman's time because their time is extremely precious to them. Because they value commitment, relationships, social and family ties very highly, they date with the intention of finding a woman they can someday build a life with. Discover the Hidden Factors Men Use to Determine if a Woman is Worth Dating As a man matures he becomes less trusting of a woman's physical beauty and charm. Instead, when evaluating her long-term relationship potential, he places greater attention on the quality of her personal character (or lack thereof), as well as those things that have a direct or indirect influence upon her character; such as the people, places, and things in her life. After a woman has passed a man's physical appearance test, he will gauge her level of chemistry with him (the way she makes him feel). And once a man realizes that he has a good enough amount of chemistry with a woman, over time he will slowly evaluate various aspects of her character in order to determine if she is, in fact, a woman worth dating for long-term love and perhaps even marriage. How to Avoid Chasing Men Away and Finally Get the Relationship You Want Because commitment-minded men are more likely to assess a woman's relationship potential based on her character rather than her physical appearance or interpersonal chemistry alone, this short and concise book focuses on the most common deal-breaking "red flags" that stem from a woman's character (as well as those things that affect her character). This book was designed to provide women with an inside look at how men think and what men want in a woman when they're ready for a serious relationship. In it, you're going to see things from a man's point of view, as you discover the various aspects about a woman's life and behavior that might force a man to lose interest in her and disappear without a trace. Here's what you're going to learn inside: The one area of your life that high-quality men are DEEPLY concerned about, and how they secretly use it to judge your character (or lack thereof). How to easily maintain a DEEP emotional connection to a man by avoiding one simple relationship mistake. (Hint: This is the one mistake many women unknowingly struggle with.) An irritating habit that causes high-quality men to stop pursuing a woman almost INSTANTLY. How to be a high-value woman in the MOST important area of a man's life and make him see you as potential "Wife Material." A "man-repelling" female attitude that DRIVES good men away, and pushes them into the arms of "lesser" women. How to avoid KILLING a man's natural desire to please you by giving him the one thing ALL men desperately crave but would NEVER ask for from a woman. And much, much more... Would You Like to Know More? Get started now and discover the most common relationship-killers that cause men to quickly lose interest, pull away, and disappear. Scroll to the top of the page and select the 'buy button' now.

Make workplace conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The Big Book of Conflict-Resolution Games offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Part of the acclaimed, bestselling Big Books series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other specific problem areas--before they affect your organization's bottom line. Let The Big Book of Conflict-Resolution Games help you to: Build trust Foster morale Improve processes Overcome diversity issues And more Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict--and their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in The Big Book of Conflict-Resolution Games delivers everything you need to make your workplace more efficient, effective, and engaged.

MY DICK CAN BE A REAL BASTARD SOMETIMES. When he takes charge, I've been known to do a lot of stupid shit, despite the fact that I have a genius IQ. Case in point: How I met the woman of my dreams. Now, I'm going to let you in on a little secret: I don't regret that moment of idiocy one bit. It may have been one of the most embarrassing moments of my life, but you know what they say about first impressions, right? Well, I can guarantee that I made quite the impression that evening. (Don't worry; I'll tell you all the gory details later.) Most days, she acts like she hates me probably because I behave like an ass- but we both know the truth: Rainey O'Neil wants me just as much as I want her- she just doesn't want to admit it. Good thing I've never been one to back down from a challenge. \*Deal Takers is the second installment in the Dealing with Love world but can be read as a standalone.

In this book, psychotherapist David Richo explores how we replay the past in our present-day relationships--and how we can free ourselves from this destructive pattern. We all have a tendency to transfer potent feelings, needs, expectations, and beliefs from childhood or from former relationships onto the people in our daily lives, whether they are our intimate partners, friends, or acquaintances. When the Past Is Present helps us to become more aware of the ways we slip into the past so that we can identify our emotional baggage and take steps to unpack it and put it where it belongs. Drawing on decades of experience as a psychotherapist, Richo helps readers to: • Understand how the wounds of childhood become exposed in adult

relationships—and why this is a gift • Identify and heal the emotional wounds we carry over from the past so that they won't sabotage present-day relationships • Recognize how strong attractions and aversions to people in the present can be signals of own own unfinished business • Use mindfulness to stay in the present moment and cultivate authentic intimacy "Beginning with the amazing tale of the Chinese "CRISPR Babies," Greely tells the complex story of human germline editing, covering the science, ethics, law, and politics"--

Want to Close The Deal? Want to Make The Sale? Want to Retain More Customers? Are you selling to the dominant economic force in the country?

There are 190 million of them in the U.S. alone. They have \$4.4 trillion in collective buying power. They purchase 85% of all products and services, and they influence most of the rest of the purchases. They are responsible for 85% of the checks written. Forty-seven percent of them are stockholders. Who are they? Women.

In *Make a Fortune Selling to Women*, Connie Podesta combines psychology and sales tactics to create a how-to guide for how to sell to women and how to market to women.

With a lively voice and no-nonsense tone that both men and women will appreciate, Podesta offers specific tips for overcoming the big five Deal Breakers:

- 1.She doesn't want to play the game
- 2.She doesn't think the salesperson views her as a legitimate decision maker
- 3.She doesn't like the salesperson
- 4.She doesn't trust the salesperson
- 5.She doesn't think the salesperson is the right person for the job

Riddled with revealing anecdotes, *Make a Fortune Selling to Women* describes the male and female approach to the buying experience--without being condescending to either gender. And both salesmen and saleswomen will rely on this book to help them secure more sales with women. Discover exactly the right approach when selling to women and use it to close the deal.

Just as there are right and wrong reasons to marry, there are good and bad reasons to divorce. Some couples are quick to split because they are unwilling to devote the necessary effort to fixing their relationships or to understanding their partners, while others miss out on personal fulfillment by staying too long in unhealthy marriages. This insightful and practical guide, written by a therapist with nearly a decade of experience counseling those considering divorce, will help you evaluate your marriage to determine whether you should stay or go. Without bias toward or against the option of divorce, *Contemplating Divorce* includes helpful tools to guide you to the right decision. Use the tests and relationship evaluations to assess your level of fulfillment in your marriage Learn about the five types of needs happy marriages satisfy Find out how to fix 'problem areas' in your relationship Plan for the future, whether you decide to stay or move on This is a much-needed book. The anxiety in making a life-changing decision is sometimes overwhelming. It is of immense help to have a coach like Susan Pease Gadoua! -John Bradshaw, best-selling author of *Homecoming* and *Creating Love Better than therapy!* Pease Gadoua allows the reader who is contemplating any great change to process the pros and cons in the confines of his or her own heart and mind, leaving no chance for those on the fence to skip out on the truth. A must-read for any transition. -Joan Anderson, bestselling author of *A Year by the Sea*, *An Unfinished Marriage*, *A Walk on the Beach*, and *The Second Journey* Making an appointment to see a divorce lawyer doesn't mean that the person I am advising necessarily needs or wants a divorce. With Pease Gadoua's wise, thorough, and accessible book, *Contemplating Divorce*, at last there is a resource I can give to confused and unhappy clients who think the marriage may be over but can't decide whether the embers are truly dead or not. -Pauline H. Tesler, author of *Collaborative Divorce* and *Collaborative Law* An exceptional and outstanding book for all those considering making the life-altering decision to divorce. Pease Gadoua offers profound personal insight and practical guidance that empowers adults to find clarity, overcome hurdles, and make the best choices for the future of their relationships. I wholeheartedly recommend *Contemplating Divorce* to men and women alike. -Helene Taylor, Esq., president and founder of *TheModernWomansDivorceGuide.com* Combine the best parts of your personal and professional life to live the life you really want Balance is B.S. is an unflinching and honest look at the challenges today's working woman faces in balancing her professional and personal lives. In the United States, women comprise over 40% of household income. Increased gender diversity in the modern business landscape continues to have a positive impact on bottom lines and revenue reports across the economy, and offers significant benefits for ambitious women in the workplace. This increase of women in the workforce does present a serious problem—women are working longer and harder outside of the home, but their workload has not lessened inside of the home. While their career prospects rise, expectations of their family and personal lives remain flat. Women pursue the mythical “work-life” balance, and feel guilty for not reaching it. There is a better way. This insightful book provides working women with real-world advice, enabling them to blend their personal and professional lives, avoid burning out, and raise expectations of themselves and those around them. Every chapter presents practical exercises to identify values, and focus on what matters most. Following the path laid out by this essential guide, you will learn how to: Blend business and personal lives together without compromising your values Adjust expectations of yourself and others around you Use practical exercises and effective techniques to combine work, social, family, and parenting lives Stop feeling guilty about your work-life balance, and embrace the best parts of both Balance is B.S. is an invaluable resource for working women regardless of profession, experience, and status. Author Tamara Loehr draws on her years of entrepreneurial success to share her proven methods of merging work, play, and family to map out and reach the life you actually want to live.

If you've ever found yourself picking off your nail polish, sitting in your sweats with an empty carton of Ben & Jerry's, wondering, "Where are all the good men, and why isn't a gorgeous one standing shirtless in my kitchen mixing me up a pomegranate mojito?" I hate to tell you this, but it's your own fault. Not to worry -- I'm here to help you make that fantasy a reality, with one major addition: you'll be sipping that mojito with a big, glittering diamond ring on your left hand. Sounds too good to be true? It isn't. As a third-generation matchmaker and the president of one of the world's most elite dating services -- the Millionaire's Club -- I've put myself in the enviable position of being friend, confi dante, and relationship counselor to men and women the world over. I know what the good guys want in a wife, and what sends them screaming into the night. Now I'm sharing their secrets with you. I've compiled my best tried-and-true advice and I'm going to tell you the things that even your best friend doesn't have the courage to break to you. If you follow my formula, the man of your dreams will appear in your life, and you can be in a committed, monogamous relationship with him in less than a year. Get ready -- I'm about to show you how to make all your relationship dreams come true.

Partners experience dire consequences as a result of being in a relationship with someone suffering from compulsive sexual behavior. Their emotional well-being requires developing new skill sets for self-care and self-protection as they confront the difficult and painful process of discovery, disclosure, and beyond. In other words—they need boundaries. This is the first book specifically for partners affected by addictive behavior that addresses, in detail, how to identify, create, and maintain boundaries as a vital component of self-care and an indispensable tool for healing and growth. Moving Beyond Betrayal guides partners to define the current problem(s); identify needs that aren't being met; find where they have the power to effect change; take action; and evaluate the results to determine if their goal has been accomplished. The author examines all aspects of effective boundary work, including what to do when boundaries are violated. Through working the 5-Step Boundary Solution partners will: Gain clarity Reduce the chaos inherent in relationships impacted by sex addiction Feel more empowered and in control of their lives Discover whether or not their relationship with the addict is salvageable Vicki Tidwell Palmer is a Licensed Clinical Social Worker (LCSW), Certified Sex Addiction Therapist (CSAT), and Somatic Experiencing Practitioner (SEP) in private practice in Houston, Texas. She is the author of the blog for partners Survival Strategies for Partners of Sex Addicts.

The world is changing. Chat rooms have replaced singles bars. The advent of Twitter, Tinder, and other social media sites have made online dating easier to access than ever before. But just because you have entire worlds of potential partners at the tips of your fingers doesn't mean that it is easy. Online dating comes with its own challenges. You just have to learn how to spot the possible minefields, red flags, and deal breakers before it's too late. Author and online dating advocate Guy Johnson covers a number of important topics in the world of online dating. He includes information on the following: Picking the right website Creating your profile Figuring out exactly what you are looking for in a partner Realizing red flags and deal breakers from a profile Making the first contact Having that first phone conversation Planning that significant first date Johnson's work helps you figure out exactly who you are looking for in the wide world of online dating. From the first click on the dating site to the kiss good night at the end of the first date, Johnson is here to help you make the most out of the experience and meet someone special! Many churches and Christian organizations have plowed money and resources into youth ministry programs only to see their initiatives wither along with their confidence and enthusiasm. As the longtime editor of *Youthwork* magazine, Martin Saunders has witnessed the fate of these programs but he also has observed programs with vitality and longevity that have made long-lasting differences in youths' lives. In *Youth Work* from Scratch Saunders condenses his considerable experience into short, easily digestible chapters that address the nuts and bolts of a successful youth program. He uses case studies to illustrate his principles and addresses starting new programs as well as regenerating existing ones. Saunders tackles both practical issues—such as how to handle a first term as a leader, how to encourage young people to lead, how to build for the long term, recruiting and training volunteers, and what to do when leaders run out of steam—and strategic questions—such as formulating and communicating a clear vision, and identifying appropriate models of youth ministry. Additionally, the book doesn't neglect attention to the spiritual essentials such as adopting strong spiritual disciplines and soliciting prayer support. *Youthwork* from Scratch is a must for any church leader involved in youth ministry.

You've done it before. Saw something wrong with him--whether it was suspect grooming habits or ridiculously childish behavior--but let it slide. It's not that big of a deal. Except it totally was. You wanted to fall in love, but ended up going insane. You swore you'd never do it again. But did. Don't beat yourself up. In the search for love, we've all either blatantly ignored or completely missed red flags. Instead, smarten up. It's time to figure out what you missed and learn how to avoid similar flagtastic fiascos in the future. If you raise your red flag awareness now, you'll be able to greenlight a real relationship down the road.

Working for my ex-boyfriend? Fine. But falling for him again? That's a deal breaker. Dancing around my office in my bra isn't exactly the way I'd have chosen to run into my ex for the first time in twelve years, but what can I say? Wes Lake has always had a knack for showing up at the most inopportune times. Unfortunately, he also has a knack for leaving. That's why I've made every effort to put him out of my head - and my heart. But this time, he needs my help. Wes Lake, head of Manhattan's preeminent real estate development firm, needs my tiny little marketing start-up to take on a special project at his company. The money's too good to turn down, so even though I'm leery of working for my ex, I accept. There's just one problem: I can't stop kissing him. I know better. I swear I do. But that doesn't stop my lips from being magnetically drawn to his every time we're in the same room. Can you blame me? He's gorgeous, wealthy, powerful - and he still remembers how to push all the right buttons. So to keep things professional, Wes and I strike another kind of deal. - No kissing. - No talking about the past. - No seeing each other outside of work. - Did I mention no kissing? Shouldn't be a problem, right? Except I might have underestimated Wes. Because when it comes to business - or pleasure - he'll do anything to seal the deal. Even if it means breaking my heart in the process.

Are you ready for a new life filled with love and respect? With qualifications in relationship counselling, Neuro-Linguistic Programming (NLP), hypnotherapy, hypno-psychotherapy, and coaching, author Mirella DeBoni offers solid insight into the how and why of our individual behaviour—as well as how that behaviour impacts our relationships. Mirella draws on her years of experience working with couples and addresses what people can do differently to make their relationship happier. By using a combination of communication models and simple steps that create the outcome of lasting and loving relationships, she shows how to invite more love and respect into your life. It only takes a few definite qualities—a willingness to want to learn how to do things differently and a willingness to want to please your partner—to turn your relationship around. Mirella explains how these qualities can see you through from the toughest times to the most intimate memories you are willing to create. She demonstrates that accountability in a relationship means that you have the ability and the power to make any changes. Whatever you take to the relationship will determine its longevity and its success. It all starts with you.

**Invaluable etiquette guidelines for today's business professionals. Now that technology is changing the way people do business, proper manners and etiquette have become more important than ever. In this comprehensive guide to mastering everything from professional relationships and correspondence to business attire and luncheons, the author demonstrates that interpersonal skills are as crucial to success as are innovative products and services. Covering topics including business handshakes, telephone courtesy, electronic etiquette, office manners, gift-giving in the office, and international business, the author offers hundreds of useful, practical suggestions for the veteran business professional and novice alike. This guide to job hunting teaches readers: how to become a powerful candidate by looking beyond the job description; how to use the four questions to distinguish a right interview from a wrong one; how trying to get a job can land you in the wrong job; where and how to gain the inside edge needed to interview confidently and convincingly; how to control the interview to one's advantage; how to make the prospective employer see the applicant as the solution to his/her problems; and how to win the job by doing the job.**

Wonder why you're still single? Had you imagined you'd be settled down with the perfect man and family by now? Afraid time is running out? You might want to listen to what Lori Gottlieb has to say. When Lori found herself forty and still single, she came to an uncomfortable realisation. If so many of her friends were very happily married to 'good enough' guys, the type of men who might not make you weak in the knees but made great partners and fathers, maybe she had been looking for the wrong man. Could her Mr Right have been, well, right in front of her all along? Funny, confronting and very very real, *Marry Him* is Lori Gottlieb's account of her search for a partner and the adjustments she had to make to her own expectations in order to find happiness.

**From identifying your needs to exploring your options -- make the right career move Changing careers by choice or due to circumstances beyond your control? Have no fear -- this hands-on guide focuses on helping you find a new job, start a business, or return to school in a detailed, step-by-step manner. You'll see how to build a career that lets you express who you are, fulfill your needs and desires, and live the life you want! Discover \* Detailed, to-the-point explanations on outlining your action plan \* The inside scoop on transforming your passions into career options \* A wealth of tips, tricks, and warnings \* How to blend your ideal career with the realities of your life

In True Love Dates, Debra Fileta encourages singles not to “kiss dating goodbye” but instead to experience a season of dating as a way to find real love. Through reading powerful, real-life stories (including the author’s personal journey) and gaining insights from Fileta’s experience as a professional counselor, readers will discover that it is possible to find true love through dating. Christians are looking for answers to finding true love. They are disillusioned with the church that has provided little practical application in the area of love and relationships. They’ve been bombarded by Christian books that shun dating, idolize courting, fixate on spirituality, and in the end offer little real relationship help. True Love Dates provides honest help for dating by guiding readers into vital relationship essentials for finding true love. Debra is a young, professional Christian counselor, and True Love Dates offer sound advice grounded in Christian spirituality. It delivers insight, direction, and counsel when it comes to entering the world of dating and learning to do it right the first time around. Drawing on the stories and struggles of hundreds of young men and women who have pursued finding true love, Fileta helps readers bypass unnecessary pain while focusing on the things that really matter in the world of dating.
