If anyone is curious about my local settings, let it be recorded that St. Bertrand de Comminges and Viborg are real places: that in 'Oh, Whistle, and I'll Come to You' I had Felixstowe in mind. As for the fragments of ostensible erudition which are scattered about my pages, hardly anything in them is not pure invention; there never was, naturally, any such book as that which I quote in 'The Treasure of Abbot Thomas'. 'Canon Alberic's Scrap-book' was written in 1894 and printed soon after in the National Review, 'Lost Hearts' appeared in the Pall Mall Magazine; of the next five stories, most of which were read to friends at Christmas-time at King's College, Cambridge, I only recollect that I wrote 'Number 13' in 1899, while 'The Treasure of Abbot Thomas' was composed in the summer of 1904.

Four years ago, Emily Shea and Staff Sergeant Brett Leeds agreed to part with no strings attached. Sparks flew during their brief affair, but fate intervened, sending Brett overseas. When an unexpected pregnancy derailed Emily's own plans, her attempts to locate Brett were soon overwhelmed by the challenges of single motherhood. Now, Brett has returned home, and Emily is forced to share her secret. Despite feeling betrayed, Brett is determined to forge a relationship with their son, Tyler. As the former lovers battle both their inner demons and their mutual desire, another presence enters their lives—Tyler's imaginary friend. Soon, however, the chilling evidence points to a different conclusion: a ghost has formed a dangerous connection with their son. Emily's attempts to help both a lost soul and a friend in need spiral toward a deadly confrontation, and Brett must race to save Emily before he loses her again—forever.

A sexy professor. An uptight lawyer. A determined ghost. And a very real killer... Welcome to Wicks Hollow: a quaint town with more than its share of ghosts, mystery, and romance.

A brutal car accident that claimed the life of her best friend has left seventeen-year-old Catherine in a state of shock and severe depression. She longs to move forward with her life, but feels she can' t until she is somehow assured of her friend' s forgiveness. On a Christmas visit to her grandmother in Pasadena, a mysterious and handsome stranger approaches Catherine at church claiming that he can put her in touch with her dead friend. Catherine is wary of the stranger' s claims and his ghostly appearance but feels he may be the only key to escaping her past. She tells no one of the meeting but is approached by an elderly woman who warns her of the stranger' s powers. The woman' s teenage diary and eerie rumors surrounding other troubled girls who have disappeared from the church community leave Catherine fearful of the stranger' s true intentions. She realizes she must find some way to confront this supernatural presence as well as the ghosts of her past. A classic ghost story from one of Clarion' s most distinguished authors. Eve Bunting brings a new edge to the genre of suspense by interweaving contemporary issues with sharp and frightful storytelling.

A nerdy (but sexy) scientist. A writer on deadline. A haunted lighthouse. And a secret worth killing for... Past and present exist side by side as the ghost of a young poet seeks to protect the family living in the house he haunts. Robert & ' Robbie' Clavell, a young Victorian poet, is murdered by a jealous competitor, but his murderer, not content with ending Robbie's life, also invokes an ancient curse that forces his spirit to remain earthbound. When Jamie Barrett, a dancer in London's West End, receives a phone call from his mother telling him of strange knocking noises and furniture moving about, he travels home to Manchester to investigate and give support to his mother and his twelve year old niece, Laura. Advised to contact a psychic for help, Jamie meets Kevin Singleton, and despite the seriousness of what they discover, the two men find a mutual attraction. Kevin explains to Jamie and his mother that their recent family tragedies had opened a portal allowing base spirits to enter and feed off of Laura's youthful and vibrant energy. Kevin is able to make a psychic connection with Robbie who tells him that George Russell, his murderer, is the one responsible for the upheaval in the Barrett household. But when Robbie tries to help Kevin exorcise Russell's spirit, Russell summons up an even darker force - one that could not only destroy the house and everyone in it, but ensure Robbie's spirit will never find his way home.

Biblioasis is thrilled to continue this series of beautifully illustrated, collectible, classic Christmas ghost stories designed and illustrated by world-famous cartoonist Seth. In How Fear Departed the Long Gallery, for the Peverils, the appearance of a ghost is no more upsetting than the appearance of the mailman at an ordinary house. Except for the twin toddlers in the Long Gallery. No one would dare be caught in the Long Gallery after dark. But on this quiet and cloudy afternoon, Madge Peveril is feeling rather drowsy . . . E. F. Benson was the English writer of the Mapp and Lucia series.

Maggie Russell—legal assistant by day, horror writer by night—gets the scare of her life when she wakes up in a strange café without any idea of how she got there. But if she tells anyone about her sleepwalking escapades, she could lose her grandmother' s house, and she' d fought so hard to keep it. Dean Parker is a private investigator whose office is next door to Maggie' s law firm. He' s been eyeing the pretty brunette ever since she started working there, but getting involved with anyone isn' t in his game plan. When he finds out she' s been having sleeping problems, he suspects her money-grubbing cousin is involved. Instead, he discovers something worse: a ghost is living with Maggie and it appears another may be possessing her. Dean is determined to help Maggie rid her home of the uninvited guests. He just never figured his attraction to her would be reciprocated. Keeping his distance is no longer an option, though. If he fails, Maggie could very well be possessed forever.

*Dick Huser tells his story of theology schools and mainstream churches from inside out. It is a story drawn from the raw materials of the human condition. It is a profile of real people who turn to pastors from a myriad of motives. It is the story of his own progress and regress and regeneration, as he struggled with the paradoxical nature of church history, ancient creeds, modern interpretations, and the clash of a dramatically new culture with traditional credos. The vulnerability of his journey is exposed for all to see, and the healing influence of family, friends and colleagues becomes happily apparent.*

When the star of a horror movie filming in the town of Spooking disappears, twelve-year-old Joy Wells steps into the role--and into real-life horror when her co-star gives a terrifying and unscripted performance.

"This book discusses films with diabolical drugging, unethical experimentation, involuntary incarceration, sexual exploitation, lobotomies, "shock schlock," conspiracy theories and military medicine, to show how fact informs fantasy, and when fantasy trumps reality. Except for six "golden years" from 1957 to 1963, portrayals of bad psychiatrists far outnumber good ones and this book tells how and why that was"--

Late one summer evening, antiquarian bookseller Adam Snow is returning from a client visit when he takes a wrong turn. He stumbles across a derelict Edwardian house, and compelled by curiosity, approaches the door. Standing before the entrance, he feels the unmistakable sensation of a small cold hand creeping into his own, 'as if a child had taken hold of it'. At first he is merely puzzled by the odd incident but then begins to suffer attacks of fear and panic, and is visited by nightmares. He is determined to learn more 'about the house and its once-magnificent, now overgrown garden but when he does so, he receives further, increasingly sinister, visits from the small hand.

Detective Fiction and the Ghost Story is a lively series of case studies celebrating the close relationship between detective fiction and the ghost story. It features many of the most famous authors from both genres including Conan Doyle, Agatha Christie, M. R. James and Tony Hillerman.

Twelve-year-old Molly and her ten-year-old brother, Michael, have never liked their seven-year-old stepsister, Heather. Ever since their parents got married, she's made Molly and Michael's life miserable. Now their parents have moved them all to the country to live in a house that used to be a church, with a cemetery in the backyard. If that's not bad enough, Heather starts talking to a ghost named Helen and warning Molly and Michael that Helen is coming for them. Molly feels certain Heather is in some kind of danger, but every time she tries to help, Heather twists things around to get her into trouble. It seems as if things can't get any worse. But they do—when Helen comes.

The roots of coincidence and conspiracy in American politics, crime, and culture are examined in this book, exposing new connections between religion, political conspiracy, and occultism. Readers are taken from ancient American civilization and the mysterious mound builder culture to the Salem witch trials, the birth of Mormonism during a ritual of ceremonial magic by Joseph Smith, Jr., and Operations Paperclip and Bluebird. Not a work of speculative history, this expos+ is founded on primary source material and historical documents. Fascinating details are revealed, including the bizarre world of "wandering bishops" who appear throughout the Kennedy assassinations; a CIA mind control program run amok in the United States and Canada; a famous American spiritual leader who had ties to Lee Harvey Oswald in the weeks and months leading up to the assassination of President Kennedy; and the "Manson secret."
