### I KNOW WHY THE CAGED BIRD SINGS

---

Random House Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

### WHEN SCOTLAND WAS JEWISH

---

---

### DNA EVIDENCE, ARCHEOLOGY, ANALYSIS OF MIGRATIONS, AND PUBLIC AND FAMILY RECORDS SHOW TWELFTH CENTURY SEMITIC ROOTS

---

McFarland The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

---

### THE IDENTIFICATION OF BEHAVIORAL, GEOGRAPHIC AND TEMPORAL PATTERNS OF PREPARATORY CONDUCT

---

DIANE Publishing This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

### THE DIVINE PROVINCE: BIRTHING NEW EARTH

---

Ed Rychkun In The Divine Province, Jaemes McBride and Ed Rychkun answer a 26,000 year old question of how we manifest and maintain the Golden Age. They bring into reality the New Earth consciousness unfolding during the End Times. Taking readers on a 6000 year

journey of Old Earth, they expose how Earthlings have been ruled by Elite powers and how their means of conquest has been religion and commerce under a corporate model of PLANET EARTH INC. Learn how the silent dominion has separated the Earthlings from spirit, accepting the physical slavery of the body vessel, disguising the truth of who they are. Now at the end of a 26,000 year cycle, a new consciousness has awakened multitudes of sleeping imprisoned souls to bring a New Earth into awareness, threatening the Rulers dominion and their business plan of the New World Order. It is about an awakening of who we are. Learn how the Divine Province has rapidly evolved as an expression of the new consciousness. See how it is now manifesting the physical birthing of New Earth, bringing the means from above in 5D consciousness to below into 3D reality, embodying the manifestation of peace, love, abundance and prosperity upon Old Earth. Divine Province is rapidly being populated by Divine beings of Light expressing themselves through Divine physical vessels who know who they are. In this book, the authors reveal how through rising above polarity and fear, one can choose the path leading to the alchemical gold of the Golden Age under Divine Province

## THE HIDDEN RULES OF ENGLISH BEHAVIOUR

---

[Hachette UK](#) In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ...Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

## BAILEY'S DEMOCRACY

---

[Steidl Dap](#) Everyone is equal before the law. And anyone who accepted David Bailey's recent invitation to his studio to be photographed in the nude became part of this astonishing book. Bailey laid down some strict rules: he shot all subjects in the same light and without props. Makeup and retouching were shunned. He took six photographs of each person, and selection and composition were his own affair. These rules, his imposed democracy, result in a celebration of the naked body in all its lovely (and not-so-lovely) splendor. Naked, Bailey specifies, not nude: "All that worrying about poncy lighting, making people look like landscapes or rocks. If I wanted to photograph a fucking rock, I'd photograph a fucking rock." And of the project's conception 30 years ago? "This is going to sound pretentious, but I was reading Plato's "Republic" and I thought, why not "Bailey's Democracy"? I wanted to do something organic. I didn't cast it, I didn't tell people where to sit or how to stand. They chose their own pose. I didn't worry about Rembrandt lighting or any crap like that. You could almost do it in a photo booth."

**THE FRENCH PARLEMENTS AND THE CRISIS OF THE OLD REGIME**

---

---

Chapel Hill : University of North Carolina Press "The predominant twentieth-century view of the French Revolution stresses the socioeconomic causes of this upheaval and argues that it began as an aristocratic class insurgency during 1787-88. Bailey Stone challenges this theory by showing that the parlements, the high judicial bodies that exercised the royal powers of justice, neither initiated nor sustained an aristocratic insurgency against the crown. In reality, they championed the traditional balance of social and political forces in France." -- Page 2 of cover.

**THE MAN WHO WOULD BE QUEEN**

---

---

**THE SCIENCE OF GENDER-BENDING AND TRANSSEXUALISM**

---

---

Joseph Henry Press **Gay. Straight. Or lying. It's as simple and straightforward as black or white, right? Or is there a gray area, where the definitions of sex and gender become blurred or entirely refocused with the deft and practiced use of a surgeon's knife? For some, the concept of gender – the very idea we have of ourselves as either male or female beings – is neither simple nor straightforward. Written by cutting-edge researcher and sex expert J. Michael Bailey, The Man Who Would Be Queen is a frankly controversial, intensely poignant, and boldly forthright book about sex and gender. Based on his original research, Bailey's book is grounded firmly in science. But as he demonstrates, science doesn't always deliver predictable or even comfortable answers. Indeed, much of what he has to say will be sure to generate as many questions as it does answers. Are gay men genuinely more feminine than other men? And do they really prefer to be hairdressers rather than lumberjacks? Are all male transsexuals women trapped in men's bodies – or are some of them men who are just plain turned on by the idea of becoming a woman? And how much of a role do biology and genetics play in sexual orientation? But while Bailey's science is provocative, it is the portraits of the boys and men who struggle with these questions – and often with anger, fear, and hurt feelings – that will move you. You will meet Danny, an eight-year old boy whose favorite game is playing house and who yearns to dress up as a princess for Halloween. And Martin, an expert makeup artist who was plagued by inner turmoil as a youth but is now openly homosexual and has had many men as sex partners. And Kim, a strikingly sexy transsexual who still has a penis and works as a dancer and a call girl for men who like she-males while she awaits sex reassignment surgery. These and other stories make it clear that there are men – and men who become women – who want only to understand themselves and the society that makes them feel like outsiders. That there are parents, friends, and families that seek answers to confusing and complicated questions. And that there are researchers who hope one day to grasp the very nature of human sexuality. As the striking cover image – a distinctly muscular and obviously male pair of legs posed in a pair of low-heeled pumps – makes clear, the concept of gender, the very idea we have of ourselves as either male or female beings, is neither simple nor straightforward for some.**
