GULLIVER'S TRAVELS AND OTHER WRITINGS

Bantam Classics Nominated as one of America's best-loved novels by PBS's *The Great American Read* "It is universally read, from the cabinet council to the nursery," remarked Alexander Pope when *Gulliver's Travels* was published in 1726. One of the unique books of world literature, Swift's masterful satire describes the astonishing voyages of one Lemuel Gulliver, a ship's surgeon, to surreal kingdoms inhabited by miniature people and giants, quack philosophers and scientists, horses endowed with reason and men who behave like beasts. Written with great wit and invention, *Gulliver's Travels* is a savage parody on man and his institutions that has captivated readers for nearly three centuries. As bestselling author and critic Allan Bloom observed: "Gulliver's Travels is an amazing rhetorical achievement. Swift had not only the judgment with which to arrive at a reasoned view of the world but the fancy by means of which he could re-create that world in a form which teaches where argument fails and which satisfies all while misleading none." This representative collection of Swift's major writings includes the complete *Gulliver's Travels* as well as *A Tale of a Tub*, "The Battle of the Books," "A Modest Proposal," "An Argument Against Abolishing Christianity," "The Bickerstaff Papers," and many more of his brilliantly satirical works. Here too are selections from Swift's poetry and portions of his *Journal to Stella*. Swift's savage ridicule, corrosive wit, and sparkling humor are fully displayed in this comprehensive collection.

THE SON OF THE WOLF ILLUSTRATED

"Jack London gained his first and most lasting fame as the author of tales of the Klondike gold rush. This, his first collection of stories, draws on his experience in the Yukon. The stories tell of gambles won and lost, of endurance and sacrifice, and often turn on the qualities of exceptional women and on the relations between the white adventurers and the native tribes. Stories included are: - The White Silence- The Son of the Wolf- The Men of Forty Mile- In a Far Country- To the Man on Trail- The Priestly Perogative- The Wisdom of the Trail- The Wife of the King- An Odyssey of the North
