THE BEST OF ME

Hachette UK In this #1 New York Times bestselling novel of first love and second chances, former high school sweethearts confront the painful truths of their past to build a promising future—together. "Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen." In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in their small town in North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back home for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew—about Tuck, about themselves, and about the dreams they held dear—was not as it seemed. Forced to confront painful memories, the former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?

GRIN Verlag Master's Thesis from the year 2017 in the subject American Studies - Literature, grade: 10, , course: Literature, language: English, abstract: This study focuses on the style of the author Nicholas Sparks in his two novels: "The Notebook" and "The best of me". These two novels appeared at two important phases of his development as an author: the first one at the outset of his career and the other one at a time when he was already an acclaimed author. The main objectives are to analyze his style and to study its evolution over fifteen years by comparing his two masterpieces. In the end I summarize the main features of his style and draw conclusions about the development of his artistic creativity in general and his style in particular. Nowadays most of people read novels especially romantic novels but they read only the story as a preface without knowing the point of view, style, literary devices or tone etc. While reading a novel or a book, we must connect ourselves to the story or character or maybe to emotions in order to have that feeling. This study will concentrate in two novels of Nicholas Sparks, The Notebook and The best of me. Nicholas Sparks was born in Omaha, Nebraska on December 31, 1965, son of Patrick Michael (1942-1996) and Jill Emma Marie Sparks (1942-1989). During his childhood he moved around a lot with his family and lived in multiple locations like, Minnesota, Los Angeles, and Grand Island, Nebraska, finally settling in Fair Oaks, California at the age of eight. His father was a professor, his mother was a homemaker, then an optometrist's assistant. He lived in Fair Oaks until he finished high school, he graduated valedictorian in 1984, and received a full scholarship to the University of Notre Dame. Nicholas Sparks as a freshman was part of a relay team and broke the Notre Dame school record in 1985, a record which still stands, but he was injured and spent the summer recovering. During that summer, he wrote his first novel, but it was never published.

SUMMARY - SEE ME

BY NICHOLAS SPARKS

Createspace Independent Publishing Platform See Me - A Complete Summary!See Me, written by Nicholas Sparks, is about two main characters-Colin Hancock and Maria Sanchez-and their romance that seems to blossom overnight in a typical 'love at first sight' cliché. Even though this may seem too predictable, this is exactly what Sparks' fans love about his books. This book, as well as his previous work, is distinctive for Sparks' own special formula, where he successfully creates two, seemingly unconnected characters and then brings them together by pure coincidence, and those characters will then fall in love. A new breath into the story plot is the involvement of an unknown stalker. This is also a twist in the story, filled with tension and thriller which, although unexpected from Sparks, is still a welcomed change in the author's style. Overall, See Me is a novel that most readers will enjoy reading, due to the fact that it has likeable and simple characters and a sweet, tender love story. But besides sweetness that undoubtedly lies beneath the surface of this book, another great element that makes this book even better and even more enjoyable to read is his new element of thriller and suspense, something readers will most definitely like. Here Is A Preview Of What You Will Get:- In See Me , you will get a summarized version of the book.- In See Me , you will find the book analyzed to further strengthen your knowledge.- In See Me , you will get some fun multiple choice quizzes, along with answers to help you learn about the book.Get a copy, and learn everything about See Me .
