### KEY=SPENCERS - BALLARD YARETZI

The Spencers of Upper Randolph County, North Carolina Some of the Descendants of Benjamin S. and Margaret (Peggy) Cox Spencer Benjamin S. Spencer moved from Pennsylvania to Randolph County, North Carolina, and married Peggy (Margaret) Cox. Isaac Spencer (1772- 1846), their son and a Quaker, married twice and lived in Randolph County, North Carolina. Descendants lived in North Carolina, Pennsylvania, Maryland, South Carolina, Georgia, Tennessee, Texas and elsewhere. Geological report of the midland counties of North Carolina US-311 Bypass, High Point East Belt, Guilford/Randolph Counties Environmental Impact Statement The Reynolds Family of Upper Moore County, North Carolina Descendants and Ancestors Wiley R. Reynolds was born 8 March 1829 in Montgomery County, North Carolina. His parents were Nicholas Reynolds and Catherine Jordan. He married Mary Elizabeth Williams 8 November 1859 in Ritters Township, Moore County, North Carolina. They had ten children. Wiley died in 1899. Descendants and relatives lived mainly in North Carolina. Genealogy Division Subject Catalog, 1976-1984: P-Z The Hoosier Genealogist An Illustrated Historical Atlas of Spencer County, Indiana From Actual Surveys A Traitor and a Scoundrel Benjamin Hedrick and the Cost of Dissent University of Delaware Press In 1856, Benjamin Hedrick broke with his white North Carolinian peers by taking an antislavery position on the question of the incorporation of the territories. This biography tells the story of how developed that position, the loss of his position as a professor of chemistry and his subsequent exile Southern Outcast Hinton Rowan Helper and The Impending Crisis of the South LSU Press Hinton Rowan Helper (1829--1909) gained notoriety in nineteenth-century America as the author of *The Impending Crisis of the South* (1857), an antislavery polemic that provoked national public controversy and increased sectional tensions. In his intellectual and cultural biography of Helper -- the first to appear in more than forty years -- David Brown provides a fresh and nuanced portrait of this self-styled reformer, exploring anew Helper's motivation for writing his inflammatory book. Brown places Helper in a perspective that shows how the society in which he lived influenced his thinking, beginning with Helper's upbringing in North Carolina, his move to California at the height of the Californian gold rush, his developing hostility toward nonwhites within the United States, and his publication of *The Impending Crisis of the South*. Helper's book paints a picture of a region dragged down by the institution of slavery and displays surprising concern for the fate of American slaves. It sold 140,000 copies, perhaps rivaled only by *Uncle Tom's Cabin* in its impact. The author argues that Helper never wavered in his commitment to the South, though his book's devastating critique made him an outcast there, playing a crucial role in the election of Lincoln and influencing the outbreak of war. As his career progressed after the war, Helper's racial attitudes grew increasingly intolerant. He became involved in various grand pursuits, including a plan to link North and South America by rail, continually seeking a success that would match his earlier fame. But after a series of disappointments, he finally committed suicide. Brown reconsiders the life and career of one of the antebellum South's most controversial and misunderstood figures. Helper was also one of the rare lower-class whites who recorded in detail his economic, political, and social views, thus affording a valuable window into the world of nonslaveholding white southerners on the eve of the Civil War. His critique of slavery provides an important challenge to dominant paradigms stressing consensus among southern whites, and his development into a racist illustrates the power and destructiveness of the prejudice that took hold of the South in the late nineteenth century, as well as the wider developments in American society at the time. North Carolina Pottery The Collection of the Mint Museums University of North Carolina Press North Carolina is home to one of the nation's oldest and richest pottery traditions, and this volume, illustrated with 384 color photographs, catalogs more than four hundred individual pieces, provides descriptive entries on potters and potteries, and includes five essays by well-known authorities in the field of ceramics. Simultaneous. Geographical Dictionary of the World Concept Publishing Company NGS Newsletter The Commercial & Financial Chronicle State and municipal compendium Commercial and Financial Chronicle and Hunt's Merchant's Magazine Catalog of Copyright Entries Third series U. S. Costs of Verification and Compliance Under Pending Arms Treaties DIANE Publishing Verification of arms control treaties is an important function of the national security community, & has been a key concern of arms negotiators as well as members of the Congress for a number of years. New types of verification procedures have been introduced recently, giving a prominent role to various types of on-site inspections. Such inspections can improve the verifiability of treaties & contribute to a better spirit of cooperation among treaty signatories. There have been concerns, however, that such measures could prove costly. This study addresses the costs of verification & compliance of five pending arms control accords. Charts & tables. The gazetteer of the world, prepared by a staff of eminent geographers The Quaker Yeomen Code of Federal Regulations Containing a Codification of Documents of General Applicability and Future Effect as of December 31, 1948, with Ancillaries and Index Hendricks' Commercial Register of the United States Britain's Empire Resistance, Repression and Revolt Verso Books This revelatory new history punctures the still widely held belief that the British Empire was an enlightened and civilizing enterprise of great benefit to its subject peoples. Instead, Britain's Empire reveals a history of systemic repression and almost continual violence, showing how British rule was imposed as a military operation and maintained as a military dictatorship. For colonized peoples, the experience was a horrific one--of slavery, famine, battle and extermination. Yet, as Richard Gott illustrates, the empire's oppressed peoples did not go gently into that good night. Wherever Britain tried to plant its flag, there was resistance. From Ireland to India, from the American colonies to Australia, Gott chronicles the backlash. He shows, too, how Britain provided a blueprint for the genocides of twentieth-century Europe, and argues that its past leaders must rank alongside the dictators of the twentieth century as the perpetrators of crimes against humanity on an infamous scale. In tracing this history of resistance, all but lost to modern memory, Richard Gott recovers these forgotten peoples and puts them where they deserve to be: at the heart of the story of Britain's empire. Britain's Empire: Resistance, Repression and Revolt Verso Books This revelatory new history punctures the widely held belief that the British Empire was an imaginative and civilizing enterprise. Instead, BRITAIN'S EMPIRE reveals a history of systemic repression and almost perpetual violence, showing how British rule was imposed as a military operation and maintained as a military dictatorship. For colonized peoples, the experience was a horrific one, of slavery, famine, battle and extermination. Yet, as Richard Gott shows, the Empire's oppressed peoples did not go quietly into this good night. Wherever Britain tried to plant its flag, it met with opposition. From Ireland to India, from the American colonies to Australia, Gott traces the rebellions and resistance of subject peoples whose all-but-forgotten stories are excluded from traditional accounts of empire. He shows, too, how the British Empire provided a blue print for the annihilation of peoples in twentieth-century Europe, and argues that its leaders must rank alongside the dictators of the twentieth century as authors of crimes against humanity on an infamous scale. -- Publisher description.
