### Rocky Mountain Desire

Arend Publishing Inc. A STAND ALONE story in the bestselling SIX PACK RANCH series by New York Times Bestselling Author Vivian Arend ----- Nothing comes easy. You've gotta work for it. Matt Coleman always figured at this point in his life, he'd be settled down with a family. Since his ex split for the big city, though, no way will he give anyone else the chance to drop-kick his heart. Physical pleasure? Hell, yeah, he'll take—and give—with gusto, but nothing more. Hope Meridan is working long hours to hold on to her new quilt shop, going it alone since her sister/business partner ran off. Sex? Right, like she's got the time. Not that she doesn't have the occasional dirty fantasy about Matt. Fat chance he'd dream of knocking boots with her—the younger sister of the woman who dumped him. Nope, she'll just have to settle for friendship. Friends would be far easier if there wasn't something combustible going on between them. And when casual interest starts to grow into something more, their tenuous bond strengthens in the heat of desire. But it may not survive the hurricane-force arrival of the last person either of them ever wanted to see again... Warning: Small-town rivals, men in pursuit and family meddling—in good and bad ways. Look for a cowboy who knows how to rope, ride and rein in a hell of a lot more than eight seconds of sheer bliss. Previously published in 2012  
Keywords: Canadian Author, cowboy, western, contemporary, small town For readers who enjoy: Jennifer Ryan, Joan Johnston, Kate Pearce, Linda Lael Miller, Lindsay McKenna, Diana Palmer, Maisey Yates, Vicki Lewis Thompson, Lorelei James.

## American Folk Songs: A Regional Encyclopedia [2 volumes]

## A Regional Encyclopedia

ABC-CLIO This state-by-state collection of folksongs describes the history, society, culture, and events characteristic of all fifty states. Unlike all other state folksong collections, this one does not focus on songs collected in the particular states, but rather on songs concerning the life and times of the people of that state. The topics range from the major historical events, such as the Boston Tea Party, the attack on Fort Sumter, and the California Gold Rush, to regionally important events such as disasters and murders, labor problems, occupational songs, ethnic conflicts. Some of the songs will be widely recognized, such as Casey Jones, Marching Through Georgia, or Sweet Betsy from Pike. Others, less familiar, have not been reprinted since their original publication, but deserve to be studied because of what they tell about the people of these United States, their loves, labors, and losses, and their responses to events. The collection is organized by regions, starting with New England and ending with the states bordering the Pacific Ocean, and by states within each region. For each state there are from four to fifteen songs presented, with an average of 10 songs per state. For each song, a full text is reprinted, followed by discussion of the song in its historical context. References to available recordings and other versions are given. Folksongs, such as those discussed here, are an important tool for historians and cultural historians because they sample experiences of the past at a different level from that of contemporary newspaper accounts and academic histories. These songs, in a sense, are history writ small. Includes: Away Down East, The Old Granite State, Connecticut, The Virginian Maid's Lament, Carry Me Back to Old Virginny, I'm Going Back to North Carolina, Shut up in Cold Creek Mine, Ain't God Good to Iowa?, Dakota Land, Dear

Prairie Home, Cheyenne Boys, I'm off for California, and others.

## Richard S. Ewell

## A Soldier's Life

Univ of North Carolina Press General Richard Stoddert Ewell holds a unique place in the history of the Army of Northern Virginia. For four months Ewell was Stonewall Jackson's most trusted subordinate; when Jackson died, Ewell took command of the Second Corps, leading it at Gettysburg, the Wilderness, and Spotsylvania Court House. In this biography, Donald Pfanz presents the most detailed portrait yet of the man sometimes referred to as Stonewall Jackson's right arm. Drawing on a rich array of previously untapped original source materials, Pfanz concludes that Ewell was a highly competent general, whose successes on the battlefield far outweighed his failures. But Pfanz's book is more than a military biography. It also examines Ewell's life before and after the Civil War, including his years at West Point, his service in the Mexican War, his experiences as a dragoon officer in Arizona and New Mexico, and his postwar career as a planter in Mississippi and Tennessee. In all, Pfanz offers an exceptionally detailed portrait of one of the South's most important leaders.
