Adventurism and Empire The Struggle for Mastery in the Louisiana-Florida Borderlands, 1762-1803 UNC Press Books In this expansive book, David Narrett shows how the United States emerged as a successor empire to Great Britain through rivalry with Spain in the Mississippi Valley and Gulf Coast. As he traces currents of peace and war over four critical decades--from the close of the Seven Years War through the Louisiana Purchase--Narrett sheds new light on individual colonial adventurers and schemers who shaped history through cross-border trade, settlement projects involving slave and free labor, and military incursions aimed at Spanish and Indian territories. Narrett examines the clash of empires and nationalities from diverse perspectives. He weighs the challenges facing Native Americans along with the competition between Spanish, French, British, and U.S. interests. In a turbulent era, the Louisiana and Florida borderlands were shaken by tremors from the American Revolutionary War and the French Revolution. By demonstrating pervasive intrigue and subterfuge in borderland rivalries, Narrett shows that U.S. Manifest Destiny was not a linear or inevitable progression. He offers a fresh interpretation of how events in the Louisiana and Florida borderlands altered the North American balance of power, and affected the history of the Atlantic world. His mother hailed from the island, as did his wife Pilar Juncosa. A refuge for many Republicans, Mallorca became Miro's permanent place of abode from the mid-1950s onward. He acquired a plot of land overlooking the Bahia de Palma, upon which he commissioned his friend Josep Lluís Sert to build a spacious studio. He died there in 1983 at the age of ninety. Miro on Mallorca concerns itself primarily with the varied themes and techniques of the artist's later works - painting, sculpture, prints, and ceramics - which, with the exception of the latter, were all created in his studios on the island. It was the clear light of Mallorca that especially fascinated Miro - the poetic blues of the sky and the sea. In his sculpture, he was especially inspired by the artistic creativity of the island inhabitants, not to mention the agriculture and the precipitous cliffs which give the landscape of Mallorca its unique quality. READ AN EXCERPT "Who do we have here?" the black youth growls softly. All three roam their eyes over my protuberant nipples and the lines of my tight skirt. "A freshman in need of initiation." Devlin grins, squeezing my right buttock underneath the slithery material of my skirt. "Her name is Gina but I prefer to call her Gia. Gia, meet Thomas . . . " The goateed man nods, smiling lasciviously. " . . . Santos . . . and Grady." Thomas scoots into the far end of his berth while Santos and Grady continue to lounge on the other side, grinning. "Surely you don't need an invitation." Thomas pats the empty seat beside him. Devlin motions at me to sit. My pulse hammers my throat as I slide my buttocks across the hard seat. Devlin gets in after me. I'm hemmed in by Thomas on my right and Devlin on the other. The beads of my clit clamp click softly like miniature castanets. "That's not how you sit, freshman." Devlin's voice is suddenly hard. He makes me raise my buttocks. Then he lifts the back of my skirt and makes me sit down again. This time, my entire ass and pussy are in contact with the torn and dirty seat. A particularly sharp edge of a peeling hole, sprouting old and yellowed foam, digs into the skin of my anus. "Open your legs," Devlin commands. I hasten to obey. The grins on the faces of the youths spread wider. Thomas grabs my right thigh as it brushes against him. "Put it right here, baby," he whispers. He vaults my right leg across his lap so that it is hooked around his left knee. His hand rests on the soft underside of my right thigh. "So smooth," he murmurs, stroking my silky, milk-white skin, "so virginal." A shudder ripples through me. Devlin repeats this with my left leg, so that I'm spread-eagled in the middle between them. The berth is placed a fair distance from the table, so that whatever wares I'm displaying can be clearly seen by Santos and Grady from across. The overhead

lamp is yellow and stark. The light throws my mount into relief. My pussy - soaking in its own juices - is once again exposed . . . to three strangers this time, not just Devlin.
