Impeccable attention to detail, advanced engineering, sourcing of first quality materials from around the world and meticulous build quality ensured that cars wearing the Lexus badge could compete directly with the established products of Mercedes-Benz, BMW and Jaguar. Motoring journalists around the world were quick to confirm the inherent quality of the Lexus, allowing the new marque to become established amazingly quickly and to make serious inroads into the sales territories of other prestige brands. This book covers the complete year-by-year development of the Lexus line, including the equivalent models in Japan. Written by an acknowledged Toyota expert with the full co-operation of the company and its many subsidiaries worldwide, this is the definitive history of the marque. **Lexus The Relentless Pursuit John Wiley & Sons** A behind-the-scenes look at Lexus's surprising twenty-year success story—in a revised new edition in the 1980s, German brands BMW and Mercedes-Benz dominated the luxury car market and had little reason to fear competition from Japan. But in 1989, Toyota entered the market with the Lexus LS 400, a car that could compete with the Germans in every category but price—it was US\$30,000 cheaper. Within two years, Lexus had overtaken Mercedes-Benz in the United States and made a stunning success of Toyota's brave foray into the global luxury market. Lexus: The Relentless Pursuit reveals why Toyota decided to take on the German automakers and how the new brand won praise and success for its unparalleled quality, unforgettable advertising, and unprecedented customer service. From the first boardroom planning session to Lexus's entry into the mega-luxury supercar market, this is the complete and compelling story of one of the world's most admired brands. Includes a new Foreword by legendary designer Erwin Lui, an Afterword with updates since the first edition, and a new Coda by leading Japanese automotive journalist Hisao Inoue Covers the racetrack triumph—and tragedy—behind the new US\$375,000 Lexus LFA supercar Offers important business lessons for brand managers and executives For car enthusiasts, business leaders, and anyone interested in branding and marketing, Lexus: The Relentless Pursuit offers an amazing story of excellence and innovation in the automotive industry. **New Trucks Prices and Reviews Vans, Pickups and Sport Utilities Edmund Publications Corporation** Buying a truck? But Lexus' first sedan shocked the world. The result of hundreds of prototypes, the work of more than 1,000 engineers, and some \$1 billion, the Lexus LS 400 pioneered new ground. Within just a few years, Lexus had transformed itself from an unlikely outsider into one of the industry's leaders as it redefined the idea of the luxury vehicle while also building a dealer network that gave unprecedented attention to service. The Lexus Story describes the brand's rapid ascent and its travails along the way. The Lexus Story is the first journalistic telling of the history of this extraordinary company. And it is the only account afforded full access to the designers, engineers, dealers, and company leaders who molded the cars and the brand. The Lexus Story takes readers deep inside the making of first-class automobiles, from the creative sparks kindled in Lexus' far-flung design studios to the engineering refinements that translate ideals of performance and luxury into steel, glass, and rubber. Designed to be both readable and visually welcoming with more than 200 full-color photographs, The Lexus Story is a compelling history of a world-class brand. **Product Safety & Liability Reporter Toyota Gas Pedals Is the Public at Risk? : Hearing Before the Committee on Oversight and Government Reform, House of Representatives, One Hundred Eleventh Congress, Second Session, February 24, 2010 Response by Toyota and NHTSA to Incidents of Sudden Unintended Acceleration Hearing Before the Subcommittee on Oversight and Investigations of the Committee on Energy and Commerce, House of Representatives, One Hundred Eleventh Congress, Second Session, February 23, 2010 Complete Small Truck Cost Guide 1999 IntelliChoice Incorporated Consumer Reports Used Car Buying Guide 2003** The ultimate used car guide lists the best and worst used cars, summarizes the marketplace, shares advice on web shopping, discusses author insurance, and shares tips on buying and selling. Charles, the family busy-body, threatens to lock Trina in a sanatorium—a whitewashed term for an insane asylum—so Sofi will rescue her little sister, even if it means running away to the Cascade Mountains with only the new gardener Neil Macpherson to protect them. But in a cabin high in the Cascades, Sofi begins to recognize that the handsome immigrant from Ireland harbors secrets of his own. Can she trust this man whose gentle manner brings such peace to her traumatized sister and such tumult to her own emotions? And can Nei, the gardener continue to hide from Sofi that he is really Dr. Neil Galloway, a man wanted for murder by the British police? Only an act of faith and love will bridge the distance that separates lies from truth and safety. **The Harbour Report Competitive Assessment of the North American Automotive Industry Sports Cars Illustrated Lean Thinking Banish Waste And Create Wealth In Your Corporation Simon and Schuster** Lean Thinking was launched in the fall of 1996, just in time for the recession of 1997. It told the story of how American, European, and Japanese firms applied a simple set of principles called 'lean thinking' to survive the recession of 1991 and grow steadily in sales and profits through 1996. Even though the recession of 1997 never happened, companies were starving for information on how to make themselves leaner and more efficient. Now we are dealing with the recession of 2001 and the financial meltdown of 2002. So what happened to the exemplar firms profiled in Lean Thinking? In the new fully revised edition of this bestselling book those pioneering lean thinkers are brought up to date. Authors James Womack and Daniel Jones offer new guidelines for lean thinking firms and bring their groundbreaking practices to a brand new generation of companies that are looking to stay one step ahead of the competition. **Winning the Oil Endgame Innovation for Profits, Jobs and Security Earthscan** Enough about the oil problem.
