Tangled Threads *Simon and Schuster* The fourth book in the “outstanding” (Romantic Times) Elemental Assassin fantasy series featuring Gin Blaco, who by day is a waitress at a Tennessee BBQ joint, and by night is a tough female assassin. I’d rather face a dozen lethal assassins any night than deal with something as tricky, convoluted, and fragile as my feelings. But here I am. Gin Blanco, the semi-retired assassin known as the Spider. Hovering outside sexy businessman Owen Grayson’s front door like a nervous teenage girl. One thing I like about Owen: he doesn’t shy away from my past—or my present. And right now I have a bull’s-eye on my forehead. Cold-blooded Fire elemental Mab Monroe has hired one of the smartest assassins in the business to trap me. Elektra LaFleur is skilled and efficient, with deadly electrical elemental magic as potent as my own Ice and Stone powers. Which means there’s a fifty-fifty chance one of us won’t survive this battle. I intend to kill LaFleur—or die trying—because Mab wants the assassin to take out my baby sister, Detective Bria Coolidge, too. The only problem is, Bria has no idea I’m her long-lost sibling . . . or that I’m

the murderer she's been chasing through Ashland for weeks. And what Bria doesn't know just might get us both dead. . . . **By a Thread** *Simon and Schuster* Gin Blanco takes a vacation with her sister, Bria, to a swanky beach town, but her vacation is threatened when an old friend of Bria's is threatened by a powerful vampire and Gin's ex-lover, Detective Donovan Caine, reappears. **Spider's Revenge** *Simon and Schuster* The fifth book in the "outstanding" (Romantic Times) Elemental Assassin fantasy series featuring Gin Blaco, who by day is a waitress at a Tennessee BBQ joint, and by night is a tough female assassin. Old habits die hard for assassins. And I plan on murdering someone before the night is through. Killing used to be my regular gig, after all. Gin Blanco, aka the Spider, assassin-for-hire. And I was very, very good at it. Now, I'm ready to make the one hit that truly matters: Mab Monroe, the dangerous Fire elemental who murdered my family when I was thirteen. Oh, I don't think the mission will be easy, but turns out it's a bit more problematic than expected. The bitch knows I'm coming for her. So now I'm up against the army of lethal bounty hunters Mab hired to track me down. She also put a price on my baby sister's head. Keeping Bria safe is my first priority. Taking Mab out is a close second. Good thing I've got my powerful Ice and Stone magic—and my irresistible lover, Owen Grayson—to watch my back. This battle has been years in the making, and there's a good chance I won't survive. But if I'm going down, then Mab's coming with me . . . no matter what I have to do to make that happen. **Heart of Venom** *Simon and Schuster* After a Fire elemental and his goons kidnap her close friend, assassin Gin Blanco ventures into the black woods of Ashland for revenge. Original. 75,000 first printing. **Venom** An Elemental Assassin Book *Simon and Schuster* What kind of assassin works pro bono? It's hard to be a badass assassin when a giant is beating the crap out of you. Luckily, I never let pride get in the way of my work. My current mission is personal: annihilate Mab Monroe, the Fire elemental who murdered my family. Which means protecting my identity, even if I have to conceal my powerful Stone and Ice magic when I need it most. To the public, I'm Gin Blanco, owner of Ashland's best barbecue joint. To my friends, I'm the Spider, retired assassin. I still do favors on the side. Like ridding a vampire friend of her oversized stalker—Mab's right-hand goon who almost got me dead with his massive fists. At least irresistible Owen Grayson is on my side. The man knows too much about me, but I'll take my chances. Then there's Detective Bria Coolidge, one of Ashland's finest. Until recently, I thought my baby sister was dead. She probably thinks the same about me. Little does she know, I'm a cold-blooded killer . . . who is about to save her life. **Web of Lies** *Simon and Schuster* Curiosity is definitely going to get me dead one of these days. Probably real soon. I'm Gin Blanco. You might know me as the Spider, the most feared assassin in the South. I'm retired now, but trouble still has a way of finding me. Like the other day when two punks tried to rob my popular barbecue joint, the Pork Pit. Then there was the barrage of gunfire on the restaurant. Only, for once, those kill shots weren't aimed at me. They were meant for Violet

Fox. Ever since I agreed to help Violet and her grandfather protect their property from an evil coalmining tycoon, I'm beginning to wonder if I'm really retired. So is Detective Donovan Caine. The only honest cop in Ashland is having a real hard time reconciling his attraction to me with his Boy Scout mentality. And I can barely keep my hands off his sexy body. What can I say? I'm a Stone elemental with a little Ice magic thrown in, but my heart isn't made of solid rock. Luckily, Gin Blanco always gets her man . . . dead or alive. *Widow's Web* *Simon and Schuster* The seventh book in the hugely popular Elemental Assassin series by New York Times and USA TODAY bestselling author Jennifer Estep—Gin Blanco is back and ready for action. I used to murder people for money, but lately it's become more of a survival technique. Once an assassin, always an assassin. So much for being plain old Gin Blanco. With every lowlife in Ashland gunning for me, I don't need another problem, but a new one has come to town anyway. Salina might seem like a sweet Southern belle, but she's really a dangerous enemy whose water elemental magic can go head-to-head with my own Ice and Stone power. Salina also has an intimate history with my lover, Owen Grayson, and now that she's back, she thinks he's hers for the taking. Salina's playing a mysterious game that involves a shady local casino owner with a surprising connection to Owen. But they call me the Spider for a reason. I'm going to untangle her deadly scheme, even if it leaves my love affair hanging by a thread. *Spider's Bite* *An Elemental Assassin Book* *Simon and Schuster* Follow Gin Blanco, a kick-butt female assassin who moonlights at a BBQ joint in Tennessee, as she searches for the person who double-crossed her in this heart-pounding and fresh paranormal romance series. After Gin's family was murdered by a Fire elemental when she was thirteen, she lived on the streets and eventually became an assassin to survive. Now, Gin is assigned to rub out an Ashland businessman, but it turns out to be a trap. After Gin's handler is brutally murdered, she teams up with the sexy detective investigating the case to figure out who double-crossed her and why. Only one thing is for sure—Gin has no qualms about killing her way to the top of the conspiracy. *Deadly Sting* *Simon and Schuster* The eighth hotly anticipated book in the Elemental Assassin series by New York Times bestselling author Jennifer Estep: it's Gin Blanco's party—and you'll cry if she wants you to. Red is definitely my color. Good thing, because in my line of work, I end up wearing it a lot. Most people shy away from blood, but for an assassin like me—Gin Blanco, aka the Spider—it's just part of the job. Still, it would be nice to get a night off, especially when I'm attending the biggest gala event of the summer at Briartop, Ashland's fanciest art museum. But it's just not meant to be. For this exhibition of my late nemesis's priceless possessions is not only the place to be seen, but the place to be robbed and taken hostage at gunpoint as well. No sooner did I get my champagne than a bunch of the unluckiest thieves ever burst into the museum and started looting the place. Unlucky why? Because I brought along a couple of knives in addition to my killer dress. Add these to my Ice and Stone magic, and nothing makes me happier than

showing the bad guys why red really is my color. Haints and Hobwebs An Elemental Assassin Story *Jennifer Estep* Even the Spider can't escape a ghost's web . . . I'm being haunted. As Gin Blanco, aka the assassin the Spider, I'm used to being haunted by all the bad things I've done over the years. I suppose it was only a matter of time before an actual ghost came back to haunt me. But for once, I'm not the bad guy, and I wasn't the person who sent this ghost—this haint—into the afterlife. But this haint definitely wants something from me, and I can't help but think that it's revenge on the person responsible for her untimely demise. Good thing revenge is my specialty, whether it's among the living or the dead . . . Note:Haints and Hobwebs is an 11,000-word story that takes place after the events of Tangled Threads, book 4 in the Elemental Assassin urban fantasy series. Haints and Hobwebs first appeared in *The Mammoth Book of Ghost Romance* in 2012. *Venom in the Veins* *Elemental Assassin* Gin Blanco returns in her 17th adventure in the Elemental Assassin series by New York Times bestselling author Jennifer Estep. *The Spider* *Simon and Schuster* For the first time, the full origin story of Gin Blanco's transformation into the fearsome assassin known as the Spider—book ten in the red-hot Elemental Assassin urban fantasy series. How did I end up in a career where I always have blood on my hands? Well, let me tell you a story about an assassin who thought she could do no wrong. . . . Ten years ago. A blistering hot August night. I remember like it was yesterday. The night I, Gin Blanco, truly became the Spider. Killing people is what I do best, especially now that I've honed my Ice and Stone magic. But back then, I had yet to learn one very important rule: arrogance will get you, every single time. This particular job seemed simple: murder a crooked building contractor with ties to ruthless Fire elemental Mab Monroe. My mentor, Fletcher Lane, had some misgivings, but I was certain that I had the situation under control . . . right up until I exposed my weaknesses to a merciless opponent who exploited every single one of them. There's a reason assassins aren't supposed to feel anything. Luckily, a knife to the heart can fix that problem, especially when I'm the one wielding it. . . . *Thread of Death* *Simon and Schuster* Gin Blanco, aka the assassin the Spider, might have finally killed her nemesis, Mab Monroe, but that doesn't mean that it's smooth sailing. Gin goes to Mab's funeral to say her goodbyes and runs into some of Ashland's most notorious underworld power players, including Jonah McAllister and Phillip Kincaid. McAllister wants her dead, and Kincaid has his own murky motives when it comes to the Spider, and Gin once again finds herself fighting for her life. Only this time, she might wind up in the cemetery right next to Mab.... *Poison Promise* *Simon and Schuster* In book eleven of her New York Times bestselling Elemental Assassin series, author Jennifer Estep continues "one of the best urban fantasy series going on the market" (Fresh Fiction). Gin Blanco is hard-nosed, sexy, and lethal. Nicknamed "The Spider," she's a stone elemental assassin who brings her unique mix of magic and tact to every assignment, no matter the target. There's a new drug on the streets of Ashland, and its name "Burn" sums up the potent effect it has on its users. When

one of her restaurant employees is threatened by dealers of the drug, Gin steps in to set things straight... *Carniepunk Simon and Schuster* A collection of urban fantasy stories that take place at carnivals. From vampires and creepy clowns to mermaids, Druids, and wisecracking Irish wolfhounds, you'll find out that carnivals aren't the healthiest types of places to hang out at.... *Kiss of Frost Kensington Books* A high school warrior-in-training gets lessons in surviving a mysterious assassin in the New York Times bestselling author's YA urban fantasy novel. I'm Gwen Frost, a second-year warrior-in-training at Mythos Academy, and I have no idea how I'm going to survive the rest of the semester. One day, I'm getting schooled in swordplay by the guy who broke my heart—the drop-dead gorgeous Spartan Logan Quinn who slays me every time. Then, an invisible archer in the Library of Antiquities decides to use me for target practice. And now, I find out that someone at the academy is really a Reaper bad guy who wants me dead. Now, with Logan's help, I'll have to learn to live by the sword—or die trying. *Kiss of Venom Simon and Schuster* The New York Times bestselling Elemental Assassin series continues with a new e-novella—from the hero's point of view! Owen Grayson is bound and determined to get Gin back...if her enemies don't get her first. When you have a history of dating an assassin, a night out on the town can turn deadly—fast. Owen Grayson is still wracked with guilt over the end of his love affair with Gin Blanco, and there aren't enough gin and tonics in all of Ashland to ease his heartache. But when Gin happens to show up at the same nightclub, he isn't the only one hoping to get her alone. Some shadowy figures will do anything to take down the Spider, Gin's assassin alter ego, and Owen will do anything to protect her. This could be the way to win her back, or at least give her a night off from fighting for her life—if Owen can survive... *Snared Simon and Schuster* The sixteenth book in the New York Times bestselling Elemental Assassin urban fantasy series that RT Book Reviews calls, "An extraordinary series...[containing] one of the most intriguing heroines in the genre." If you don't know Gin "the Spider" Blanco, you don't know dangerous female heroines. Irony 101—The Spider herself snared in someone else's web... Another week, another few clues trickling in about the Circle, the mysterious group that supposedly runs the city's underworld. Gathering intel on my hidden enemies is a painstaking process, but a more immediate mystery has popped up on my radar: a missing girl. My search for the girl begins on the mean streets of Ashland, but with all the killers and crooks in this city, I'm not holding out much hope that she's still alive. A series of clues leads me down an increasingly dark, dangerous path, and I realize that the missing girl is really just the first thread in this web of evil. As an assassin, I'm used to facing down the worst of the worst, but nothing prepares me for this new, terrifying enemy—one who strikes from the shadows and is determined to make me the next victim. *Black Widow Simon and Schuster* Lethal, sexy, and always ready to protect her friends, Gin Blanco (a.k.a. the Spider) takes on the mysterious M.M. Monroe in book twelve of the New York Times and USA TODAY bestselling Elemental Assassin urban fantasy

series. There's nothing worse than a cruel, cunning enemy with time to kill—and my murder to plan. With wicked Fire elemental Mab Monroe long gone, you'd think I could finally catch a break. But someone's always trying to take me down, either as Gin Blanco or my assassin alter-ago. Now along comes the Spider's new arch-nemesis, the mysteriously named M. M. Monroe, who is gleefully working overtime to trap me in a sticky web of deceit. The thing is, I'm not the only target. I can see through the tangled threads enough to know that every bit of bad luck my friends have been having lately is no accident—and that each unfortunate “coincidence” is just one more arrow drawing ever closer to hitting the real bull's-eye. Though new to Ashland, this M. M. Monroe is no stranger to irony, trying to get me, an assassin, framed for murder. Yet, as my enemy's master plan is slowly revealed, I have a sinking feeling that it will take more than my powerful Ice and Stone magic to stop my whole life from going up in flames. Nice Guys Bite *Simon and Schuster* New York Times bestseller Jennifer Estep continues her Elemental Assassin urban fantasy series with a novella starring Silvio Sanchez, the vampire assistant of Gin Blanco, as he goes on a holiday date that turns out to be more deadly than romantic. Working for Gin Blanco (aka the Spider, the assassin who runs the Ashland underworld) doesn't leave much time for romance, especially with Gin's holiday party planning in full swing. But when he catches the eye of a charming gentleman, Silvio finds himself going out for coffee. All's fair in love and war, though. Just as Silvio is starting to enjoy himself, he realizes he's being watched. His nice guy date doesn't sense the danger, and Silvio wants to keep it that way (and, well, keep the guy alive) so Silvio ends the date early—only to be abducted by some villainous giants. Will Silvio survive the night and make it back to the Pork Pit in time for Gin's holiday party? Only if he decks the hall with bodies... Nightingale *Jennifer Estep* Anxious brides. Drunken businessmen. Panicked partygoers. As Bigtime, New York's premiere event planner, Abby Appleby is capable of handling almost any crisis, but even she's not prepared when she finds herself in the middle of a fight between superhero Talon and his ubervillain nemesis Bandit. Abby manages to save Talon, but the superhero is temporarily blinded, so she takes him back to her loft, where the two wait out a snowstorm. During a blizzard that shuts down the city, Abby and Talon grow close, and he starts calling her Nightingale because of her love of music and singing. But Abby is afraid of what Talon will think when he can see the real her, so she conceals her identity from the sexy superhero, and they go their separate ways. However, Abby discovers that Talon is looking for Nightingale, looking for her—and so is Bandit. The mercenary ubervillain thinks that Abby has information that belongs to his boss, the mysterious Tycoon. Abby knows that she's in serious trouble and that not even Talon—or the Fearless Five—may be able to save her ... Spartan Destiny A Mythos Academy Novel *Jennifer Estep* This Spartan makes her own destiny . . . Most kids at the Colorado branch of Mythos Academy know me as Rory Forseti, the daughter of Reaper assassins. Secretly, I'm a member of Team Midgard, a

group of students and adults tasked with stopping Covington, the evil leader of the Reapers of Chaos. For me, the mission is a deeply personal one, since Covington is also the man who murdered my parents. When my friends and I get a lead on a powerful artifact that Covington wants to steal, we think we finally have a chance to thwart the Reapers and stop them for good. Team Midgard comes up with a plan, but everything goes sideways, and I'm suddenly in the fight of my life. My worst fears might have come true, but I know what my Spartan destiny is—to save my friends, or die trying . . . *Unraveled* *Simon and Schuster* "I might be the Spider, the city's most fearsome assassin, but all my Ice and Stone elemental magic hasn't done me a lick of good in learning more about 'the Circle.' Despite my continued investigations, the trail's gone as cold as the coming winter. So when Finnegan Lane, my foster brother, gets word of a surprising inheritance, we figure: why not skip town for someplace less dangerous for a few days?"--Page 4 of cover. *Spartan Heart A Mythos Academy Novel* *Jennifer Estep* New school year, same old problems . . . At Mythos Academy, everyone knows exactly who I am: Rory Forseti, Spartan girl and the daughter of Reapers. Even though I fought alongside my cousin Gwen Frost to save the mythological world from Loki and his evil Reapers of Chaos, I'm still the most hated girl at the academy because of all the horrible things my parents did. I had hoped that this school year would be different, but the other kids just won't let me forget about my parents. But something strange is going on at the Colorado academy. First, I run into a Viking guy who dislikes me more than most. Then I notice some odd artifacts in the Library of Antiquities. And worst of all, I start hearing rumors about a new group of Reapers who can summon mythological monsters. I might be the most hated girl at Mythos Academy, but I'm also the only one who can save it . . . *Seasons of Sorcery A Fantasy Anthology* *Brightlynx Publishing* Includes 2019 RITA® Award Novella Finalist **THE DRAGONS OF SUMMER!** Now on sale for \$2.99 **WINTER'S WEB BY JENNIFER ESTEP** An assassin at a renaissance faire. As Gin Blanco, aka the assassin the Spider, I'm used to having a target on my back. But ever since I started investigating the secret society known as the Circle, that target seems bigger than ever. Still, I'm trying to relax and enjoy the events leading up to my friends' wedding when I learn that an old enemy has returned to Ashland. And that's the just beginning of my latest nightmare. Soon, I have Circle goons watching my every move, but I have no choice but to continue searching for a key piece of evidence against the evil group. The deeper I dig, the more horrifying secrets I uncover, and the more dangerous things become for me and my friends. Just when I think I finally have a handle on things, a shocking revelation shatters my heart and leaves me with an ugly realization—that betrayal is the sharpest sting of all ... **Bitter Bite** *Simon and Schuster* Which is stronger: blood ties or a battle-tested friendship? That's the question Gin Blanco asks when a friend's long-lost relative strolls into town. The suspicious reunion is a surprise for everyone—and a big problem for Gin. Book fourteen in the New York Times bestselling urban fantasy series RT Book Reviews calls "unbeatable entertainment!" It's not easy being queen bee of an underworld abuzz with crooks and killers. Wielding my potent Ice and Stone elemental magic will only get me so far—my real secret is my tight-knit makeshift family, a motley crew of cops and criminals, dwarves and playboys. My foster brother Finnegan Lane is my right-hand man, but when his suddenly not-dead relative comes back into the picture, I'm the one on the outside looking in. It's funny how life works: one minute your best friend is rock-steady, and the next he's doe-eyed and buying into this whole loving-relative routine to the point of ignoring you. I'd like to be happy for Finn, I really would. But all of my instincts are telling me that beneath the syrupy sweet demeanor and old-fashioned charm, this sudden interloper is planning something. The whole shtick leaves a bitter taste in my mouth. This person might have avoided the grave once, but I'll put anyone who hurts Finn in the ground—for good. **Snared** *Simon and Schuster* The sixteenth book in the New York Times bestselling Elemental Assassin urban fantasy series that RT Book Reviews calls, "An extraordinary series...[containing] one of the most intriguing heroines in the genre." Logan Quinn, the hottest Spartan guy in school, also happens to be the deadliest. But lately, things have been weird, even for Mythos. First, mean girl Jasmine Ashton was murdered in the Library of Antiquities. Then, someone stole the Bowl of Tears, a magical artifact that can be used to bring about the second Chaos War. That kinda puts us on the verge of death, destruction and lots of other bad, bad things. Now I'm determined to find out who killed Jasmine and why - especially since I should have been the one who died. Kill the

Queen HarperCollins Gladiator meets Game of Thrones: a royal woman becomes a skilled warrior to destroy her murderous cousin, avenge her family, and save her kingdom in this first entry in a dazzling fantasy epic from the New York Times and USA Today bestselling author of the Elemental Assassin series—an enthralling tale that combines magic, murder, intrigue, adventure, and a hint of romance. In a realm where one’s magical power determines one’s worth, Lady Everleigh’s lack of obvious ability relegates her to the shadows of the royal court of Bellona, a kingdom steeped in gladiator tradition. Seventeenth in line for the throne, Evie is nothing more than a ceremonial fixture, overlooked and mostly forgotten. But dark forces are at work inside the palace. When her cousin Vasilia, the crown princess, assassinates her mother the queen and takes the throne by force, Evie is also attacked, along with the rest of the royal family. Luckily for Evie, her secret immunity to magic helps her escape the massacre. Forced into hiding to survive, she falls in with a gladiator troupe. Though they use their talents to entertain and amuse the masses, the gladiators are actually highly trained warriors skilled in the art of war, especially Lucas Sullivan, a powerful magier with secrets of his own. Uncertain of her future—or if she even has one—Evie begins training with the troupe until she can decide her next move. But as the bloodthirsty Vasilia exerts her power, pushing Bellona to the brink of war, Evie’s fate becomes clear: she must become a fearsome gladiator herself . . . and kill the queen. Jinx "She never wanted to be a superhero. Too much danger. Too much spandex. Bella Belluci's big passion is the arts. Her big pain is being born into a family of superheroes. Bella might feel differently if her own superpower was one she could control-- or at least get some use out of. Instead, hers is one of capricious luck--supercharged telekinesis. In other words, static electricity. Bella knows that's not a power-- just a jinx. During a gala fund-raiser for the local art museum, Bella comes upon two things no Bigtime supergirl should be without: an ubervillain of her very own who plans to steal a priceless gem, and a dashing-- if slightly shady-- stranger named Debonair. He may have a reputation as a notorious playboy, but the real sparks are going to come from Bella, who's finally going to learn just how well love and danger mix--"---Page 4 of cover. Tempest's Fury Book 5 in the Jane True series Hachette UK Sometimes the truth can be hard to handle. Supernatural halfling Jane True's not happy. She's been packed off to England to fight a war when she'd much rather be getting busy with her boyfriend Anyan. Unfortunately, Jane's enemies have been stirring up some major trouble and attracting a lot of attention - making it rather tricky for Jane and Anyan to get any alone time. Catapulted into the role of Most Unlikely Hero Ever, Jane must lead supernatural races in a desperate battle to combat an ancient evil. But she'll also have to fight her own insecurities, as well as the doubts of those who don't think she can live up to her new role as Champion - the most powerful supernatural leader of all . . . Unwanted Simon and Schuster The New York Times bestselling Elemental Assassin series continues with a new e-novella—from the point of view of Finnegan Lane, the foster brother

of Gin Blanco, and a fan favorite of readers of the series. The fallout from his disastrous “family reunion” in *Bitter Bite* has left Finn feeling hurt, angry, and depressed. He can barely stand to look at himself in the mirror, much less eat any of the delicious barbecue from Gin’s famed Pork Pit restaurant. But when the funeral for a slain security guard at his bank turns into a showdown with some nasty underworld giants, Finn knows that he must act in order to protect an innocent family. Finnegan Lane might be the most unwanted man in Ashland these days, but he’s determined to try to make amends for his past mistakes... **Last Strand An Elemental Assassin book** *Jennifer Estep* Every bloody thread has been leading to this . . . I’ve battled a lot of bad guys in my time, both as Gin Blanco and as the notorious assassin the Spider. But I’ve never faced off against anyone quite as powerful and deadly as the dastardly leader of the Circle secret society. Just when I finally have a lead on how I can defeat the evil group once and for all, new information comes to light that throws me for a loop. Suddenly, everyone and everything I love is in imminent peril of being destroyed, and I’m racing against the clock to figure out a way to save my friends. The stakes couldn’t be higher, and the danger has never been greater. Somehow, I need to weave one last strand in my web of death—and kill my enemies before they kill me . . . **Kitty's House of Horrors** *Hachette UK* Talk radio host and celebrity werewolf Kitty Norville has agreed to appear on TV's first all-supernatural reality show. What she's expecting is cheesy competitions and manufactured drama starring shapeshifters, vampires, and psychics. But what begins as a publicity stunt is all too quickly turning into a fight for her life. Kitty and her fellow housemates arrive at the remote mountain lodge where the show is set, but no sooner does filming start when violence erupts. It doesn't take Kitty long to suspect the show is nothing more than a cover for some nefarious plot. Then the cameras stop rolling, cast members start dying, and Kitty learns she and her monster housemates are not battling for a prize: they are, ironically enough, themselves the ultimate prize, in a very different game. Stranded with no power, no phones, and no way to know who can be trusted, she must find a way to defeat the evil closing in ... before it kills them all.
