**A Christian Theology of Marriage and Family** Paulist Press What are Christian families called to be and do in contemporary society? Weaving together theology, social science, and her experience as a wife and mother, Julie Hanlon Rubio answers this provocative and timely question. She explores the marriage liturgy, the New Testament and Christian tradition and then reflects on the ways Christian husbands and wives, fathers and mothers, and children can live out their vocations in changing times. She concludes with chapters on divorce and the mission of the family. Relevant, academically oriented yet popularly written, and filling a need by its attention to family issues, this book will make an ideal text for courses in: --marriage. --family ethics. --social justice. --Christian ethics. **The Child in Christian Thought** Wm. B. Eerdmans Publishing A survey of Christian writings about children covers 2,000 years of history and literature and features a wide variety of theologians commenting on the subject. **The Vocation of the Child** Wm. B. Eerdmans Publishing "The Vocation of the Child seeks to understand the child as a person in his or her own right, as a member of family and of community, and as a son or daughter of a God who came to earth as a child. Distinguished jurist Patrick McKinley Brennan has gathered fifteen other respected scholars from various fields to consider seriously the vocation of the child." **Jacket.** **The Family in Theological Perspective** Burns & Oates Brings together a range of theological disciplines to provide a comprehensive, modern resource for theological reflection on the family. **The Christian Family A Theology of the Family A Model for Marriage Covenant, Grace, Empowerment and Intimacy** InterVarsity Press Jack and Judy Balswick offer a vision of marriage that is both profoundly spiritual and thoroughly practical for the twenty-first century. **The Mystery of Marriage: A Theology of the Body and the Sacrament** LiturgyTrainingPublications This remarkable study offers a comprehensive explanation of the Catholic Church's teaching on the sacrament of marriage. Incorporating the rich insights found in St. John Paul II's Theology of the Body, Dr. Cahall presents a theology of marriage that incorporates the biblical, systematic, pastoral, and historical traditions which have shaped our understanding of this sacrament. **God, Marriage, and Family Rebuilding the Biblical Foundation** Crossway This updated, second edition of Köstenberger and Jones's landmark work tackles the latest debates and cultural challenges to God's plan for marriage and the family and urges a return to a biblical foundation. **Family Ethics Practices for Christians** Georgetown University Press How can ordinary Christians find moral guidance for the mundane dilemmas they confront in their daily lives? To answer this question, Julie Hanlon Rubio brings together a rich Catholic theology of marriage and a strong commitment to social justice to focus on the place where the ethics of ordinary life are played out: the family. Sex, money, eating, spirituality, and service. According to Rubio, all are areas for practical application of an ethics of the family. In each area, intentional practices can function as acts of resistance to a cultural and middle-class conformity that promotes materialism over relationships. These practices forge deep connections within the family and help families live out their calling to be in solidarity with others and participate in social change from below. It is through these everyday moral choices that most Christians can live out their faith—and contribute to progress in the world. **Church, State, and Family Reconciling Traditional Teachings and Modern Liberties** Cambridge University Press Presents a robust defence of the essential place of stable marital families in modern liberal societies. **The Family A Christian Perspective on the Contemporary Home** Baker Academic Covering every issue that affects family life--marriage, parenting, sexuality, communication, social dynamics, and family life in modern society--The Family is a proven comprehensive resource for studying this most established of human institutions. The authors encourage readers to dig deep into Scripture, ever mindful of context, in order to develop a theological basis for family relationships. In considering the meaning of human relationships and family life, the Balswicks integrate a Christian perspective with insights from psychological and sociological studies to provide a standard textbook for use in college and seminary classes. **Theology and Families** John Wiley & Sons This timely book, by one of the world's leading theologians in this field, makes a positive theological contribution to present intellectual and practical discussions about families and children. Explores the intellectual and practical debates about the changing nature of family forms, roles and relationships, and how Christian faith and theology can contribute to the thriving of families and children. Considers the causes and consequences of changes to families over recent decades. Utilizes the theological resources that are best equipped to deal with these changes and to shape ethical teaching, ethical practice, moral judgements, and public policies. Develops family-friendly readings of scripture, tradition and doctrine, and moves forward theological treatment of marriage, gender and children. **The Role of Religion in Marriage and Family Counseling** Routledge Religion can play a vital role in the way people relate to each other, particularly with interpersonal dynamics within a family. The role of a couple or family's religion(s) in the counseling room is no less important. This book provides practitioners with an overview of the principles of the major world religions, with specific focus on how each religion can influence family dynamics, and how best to incorporate this knowledge into effective practice with clients. **Religion and Life with Christianity and Islam** Heinemann At the right depth for Religion and Life options, Religion and Life with Christianity and Islam provides everything you need for Unit A of the Edexcel specification without any redundant material. **Desiring God Meditations of a Christian Hedonist** Multnomah Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God." **Marriage and Sacrament A**

**Theology of Christian Marriage** Liturgical Press At a time in human history when women and men are more concerned about interpersonal relationships and when there is an extensive questioning of the specific relationship between a woman and a man in marriage, *Marriage and Sacrament* offers an understanding of how to live out the Christ-meaning and Church-meaning of that relationship so that, by living martially and sacramentally, couples can reveal to the world and to the Church the deeper meaning of all human love. The book examines the relationship among love, marriage, and sacrament; it examines the meanings of the sacrament of marriage, its biblical basis, its history and what happens when it comes to an end; it examines sexual love, indissoluble love, fruitful love, and ecumenical love in relationship to both marriage and sacrament. *Marriage and Sacrament* is an indispensable resource for pastoral ministers and ministry students as well as all who contemplate or are now partners in marriage. **Marriage and the Family ; Medicine, Psychology, Religion New Directions, New Integrations** Holy Cross Press **Marriage and Modernization How Globalization Threatens Marriage** Wm. B. Eerdmans Publishing The processes of modernization and globalization promise more wealth and health for many people. But they are also a threat to the stability and quality of marriage and family life. This new book -- at once sobering and constructive -- looks at the impact of these processes on marriage and asks what Christianity, in cooperation with other religions, can do to strengthen married life today. Among the deleterious effects of modernization and globalization on marriage are a worldwide drift of men away from the responsibility of parenthood and the tendency of mothers too readily to take on the task of childrearing alone. After looking at recent research on these and other problems, Don Browning suggests that the cure for modern marital disruption entails reforming and reconstructing the institution of marriage while also nurturing relevant forms of social support. Yet the effort to initiate a "world marriage revival" requires a complex cultural work, and Browning explores the key contributions that the religions of the world must make for such an effort to be successful. **Theology and Families** Wiley-Blackwell This timely book, by one of the world's leading theologians in this field, makes a positive theological contribution to present intellectual and practical discussions about families and children. Explores the intellectual and practical debates about the changing nature of family forms, roles and relationships, and how Christian faith and theology can contribute to the thriving of families and children. Considers the causes and consequences of changes to families over recent decades. Utilizes the theological resources that are best equipped to deal with these changes and to shape ethical teaching, ethical practice, moral judgements, and public policies. Develops family-friendly readings of scripture, tradition and doctrine, and moves forward theological treatment of marriage, gender and children. **Religion and Mental Health A Bibliography** References to 1836 journal articles, dissertations, and books published since 1970. Also contains foreign-language titles. Focuses on literature dealing with the theoretical and practical relationships between religion and mental health. Classified arrangement. Each entry gives bibliographical information and abstract. Author, subject indexes. **Marriage The Rock on Which the Family Is Built** Ignatius Press Is marriage the foundation of family life? Many people today would say, "No " Others would say, "Yes ," but they would define "family" and "marriage" in ways at odds with how the words have been used almost throughout human history. In this revised and expanded edition of *Marriage: The Rock on Which the Family is Built*, internationally-renowned theologian William E. May makes the case for marriage's foundational role for family, with marriage defined as the union of one man and one woman. Drawing on Pope John Paul II's "theology of the body," he explains the person-affirming, love-enabling, life-giving, and sanctifying nature of marriage. He shows how marriage is necessarily a complementary union of man and woman and how this rules out the idea of "same-sex" marriage. May argues, drawing on Popes Paul VI, John Paul II and Benedict XVI, that marriage fully respects the equal dignity of husband and wife as persons, while recognizing their unique, exclusive, enduring, complementary contributions to their union. Likewise, he shows how marriage honors the truth that each new human life brought about by sexual union is a person equal in dignity to his mother and father. What's more, both reason and revelation are used to show that only the family, founded on marriage as an enduring, mutually-exclusive union of one man and one woman, provides the proper context for begetting and raising children. Reproductive technologies are also critically examined and the author argues that human beings ought to be begotten in an act of spousal love, not made through in vitro fertilization. Furthermore, the role of the family as the "domestic church," a community of holiness, is explored. This expanded edition includes new chapters: "'Man and Woman He Created Them': Pope John Paul II's Catechesis on Human Sexuality" and "Pope Benedict XVI and Marriage," the latter summarizing Benedict's thought on marriage, particularly as found in his first encyclical *Deus Caritas Est*. Also included is Pope John Paul II's "Letter to Families." **Religion, Feminism, and the Family** Westminster John Knox Press Contemporary women's movement and the future of the American family. **Issues in Human Sexuality A Statement by the House of Bishops** Church House Publishing The original 1991 Statement by the House of Bishops on many aspects of sexual behaviour, including homosexuality. Commended by the General Synod for wide discussion within the Church. **Her Hand in Marriage Biblical Courtship in the Modern World** Canon Press & Book Service The modern dating system is bankrupt. It does not train young people to form a relationship but rather to form a series of relationships, hardening themselves to all but the current one. Recreational dating encourages emotional attachments without covenantal fences and makes a joke of a father's authority. The disrespect children have for their fathers in this area is an echo of the disrespect fathers have for their own office. Biblical courtship provides a wonderful freedom. It involves familial wisdom and godly protection. Grounded upon the involved authority of the father, courtship delights in its public connection to the lives of families. Sexual purity is a great inheritance for a marriage, and part of a father's job is to guarantee and protect that heritage. Biblical courtship is a humble affront to the sterility of modern relationships. And as a new generation rejoices in this ancient wisdom, the current waves of broken relationships will begin to recede. **Global Dictionary of Theology A Resource for the Worldwide Church** InterVarsity Press Theological dictionaries are foundational to any theological library. But until now there has been no Global Dictionary of Theology, a theological dictionary that presumes the contribution of the Western tradition but moves beyond it to embrace and explore a full range of global expressions of theology. The Global Dictionary of Theology is inspired by the shift of the center of Christianity from the West to the Global South. But it also reflects the increase in two-way traffic between these two sectors as well as the global awareness that has permeated popular culture to an unprecedented degree. The editorial perspective of the Global Dictionary of Theology is an ecumenical evangelicalism that is receptive to discovering new facets of truth through listening and conversation on a global scale. Thus a distinctive feature of the Global Dictionary of Theology is its conversational approach. Contributors have been called on to write in the spirit of engaging in a larger theological conversation in which alternative views are expected and invited. William A. Dyrness, Veli-Matti Kärkkäinen, Juan F. Martinez and Simon Chan edit approximately 250 articles written by over 100 contributors representing the global spectrum of theological perspectives. Pastors,

theological teachers, theological students and lay Christian leaders will all find the Global Dictionary of Theology to be a resource that unfolds new dimensions and reveals new panoramas of theological perspective and inquiry. Here is a new launching point for doing theology in today's global context. **Religion and Life with Christianity** Heinemann At the right depth for Religion and Life options, Religion and Life with Christianity provides everything you need for Unit B of the Edexcel specification without any redundant material

**Religion and Families An Introduction** Taylor & Francis This is the first multidisciplinary text to address the growing scholarly connection between religion and family life. The latest literature from family studies, psychology, sociology, and religion is reviewed along with narratives drawn from interviews with 200 racially, religiously, and regionally diverse families which bring the concepts to life. Written in a thought-provoking, accessible, and sometimes humorous style by two of the leading researchers in the field, the book reflects the authors' firsthand experience in teaching today's students about religion's impact on families. Prior to writing the book, the authors read the sacred texts of many faiths, interviewed religious leaders, and attended religious services for a wide array of faiths. The result is an accurate and engaging account of why and how families are impacted by their religion. The pedagogical features of the text include boldfaced key terms defined in the glossary, text boxes, chapter conclusions, summary points, and review questions. Religion and Families: Examines several denominations within Christianity, Judaism, and Islam. Reviews findings from racially and ethnically diverse families, from traditional and diverse family forms, and examines gender and life-course issues. Addresses the impact of one's religious involvement on longevity, divorce rates, and parenting styles. Considers demographic, family-, couple-, and individual-level data that relate to prayer and other sacred practices. Presents a balanced treatment of the latest research and a new model for studying family and religion. Explores the "whys," "hows," and processes at work in the religion-family connection. The book opens with a discussion of why religion and family connections matter. Chapter 2 defines religion and presents a new conceptualization of religion. Empirical research connections between religion and marriage, divorce, family, and parent-child relationships are explored in chapters 3 through 6. The interface between religion and the family in Christianity, Judaism, and Islam are reviewed in chapters 7, 8, and 9. Chapter 10 explores the unique challenges that religion presents for diverse family forms. Prayer as a coping mechanism for life's challenges such as death and disability are explored in chapter 11. Chapter 12 examines forgiveness in the context of marriages and families. The book concludes with a review of the book's most important themes and findings. Intended as a text for undergraduate courses in family and religion, the psychology or sociology of the family, the psychology or sociology of religion, pastoral/biblical counseling, or family and youth ministry, taught in human development and family studies, psychology, sociology, religion, social work, pastoral counseling, and sometimes philosophy. This book also appeals to family therapists and counselors. **Religion inside and outside Traditional Institutions** BRILL Religion inside and outside Traditional Institutions combines conceptual reflection, methodological proposals, and research results that help to understand contemporary religious praxis. These contributions to empirical theology thereby adopt a perspective which includes religious praxis outside traditional institutions. **The Oxford Handbook of Theology, Sexuality, and Gender** Oxford University Press, USA The Oxford Handbook of Theology, Sexuality, and Gender presents an unrivalled overview of the theological study of sexuality and gender. These topics are not merely contentious and pervasive: they have escalated in importance within theology. Theologians increasingly agree that even the very doctrine of God cannot be contemplated without a prior grappling with each. Featuring 41 newly-commissioned essays, written by some of the foremost scholars in the discipline, this authoritative collection presents and develops the latest thinking in these areas. Divided into eight thematic sections, the Handbook explores: methodological approaches; contributions from neighbouring disciplines; sexuality and gender in the Bible, and in the Christian tradition; controversies within the churches, and within four of the non-Christian faiths; and key concepts and issues. The final, extended section considers theology in relation to married people and families; gay and lesbian people; bisexual people; intersex and transgender people; disabled people; and to friends. This volume is an essential reference for students and scholars, which will also stimulate further research. **Covenant of Love Pope John Paul II on Sexuality, Marriage, and Family in the Modern World, with a Commentary on Familiaris Consortio** Ignatius Press Pope John Paul II has had a profound theological and personal impact on Catholics and non-Catholics alike. In the scholarly tradition of Saint Augustine and Saint Thomas, he has found a new unity between faith and reason. The study of God, says John Paul, is also the study of humanity. He has come to vigorously insist on the rights and dignity of each human person, and on the divine importance of the family. John Paul teaches that the keystone of Christian living today is the communion of persons which is the family. **Covenant of Love** conveys this central message of his pontificate. It explores the influence of Christ on the modern family, human intimacy, and sexuality and illustrates the Pope's response to the violations of that familial communion: materialism, sterilization, pre-marital sex, abortion, polygamy, adultery and lust, contraception and artificial conception, and homosexuality. Written for the layman as well as for clerics, students, and educators, this volume will enhance the understanding and appreciation of Pope John Paul II's teachings. **Covenant of Love** presents the extraordinary new way that John Paul II is using to present a new synthesis of the faith that can be the means of renewing the faith of all Christians and of bringing more people to Christ. It sets out his philosophical and theological design for every Christian who seeks a closer relationship with God--in the person of Christ, in the Church, and in the human heart. **A Theology of Love** A&C Black This book explores the different dimensions of Christian love. It argues that all expressions of love are wrestling with the challenge of otherness. **Law, Religion and the Family in Africa** African Sun Media The family is a crucial site for the interaction of law and religion the world over, including Africa. In many African societies, the family is governed by a range of sources of law, including civil, constitutional, customary and religious law. International law and human rights principles have been domesticated into African legal systems, particularly to protect the rights of women and children. Religious rites and rituals govern sexuality, marriage, divorce, child-rearing, inheritance, intergenerational relations and more in Christianity, Islam and indigenous African custom. This book examines the African family with attention to tradition and change, comparative law, the relation of parents and children to the state, indigenous religion and customary law, child marriage and child labour and migration, diaspora and displacement. **Queer Theology Rethinking the Western Body** John Wiley & Sons Queer Theology makes an important contribution to public debate about Christianity and sex. A remarkable collection of specially commissioned essays by some of the brightest and best of Anglo-American scholars Edited by one of the leading theologians working at the interface between religion and contemporary culture Reconceptualizes the body and its desires Enlarges the meaningfulness of Christian sexuality for the good of the Church Proposes that bodies are the mobile products of changing discourses and regimes of power. **The Children of Divorce The Loss of Family as the Loss of Being** Baker Academic A recognized authority on youth

ministry explores from a theological and spiritual standpoint the baffling sense of loss of self experienced by children of divorce. **A Theology for Family Ministries** B&H Publishing Group Experts develop a biblical theology for family ministry to help churches reach all types of families today, from traditional nuclear homes to single-parent, blended, and gay-partner families, and beyond.

**Systematic Theology Roman Catholic Perspectives** Fortress Press Unique among contemporary resources, the landmark Systematic Theology and its distinguished contributors present the major areas or loci of Roman Catholic theology in light of contemporary developments--especially the sea-change since Vatican II thought, the best new historical studies of traditional doctrines and scripture, and the diverse creative impulses that come from recent philosophy and hermeneutics, culture and praxis, and ecumenical contacts.

**Encyclopedia of Christian Theology 3-volume set** Routledge The Encyclopedia of Christian Theology, translated from the French Dictionnaire Critique de Théologie 2nd Edition, features over 530 entries, contributed by 250 scholars from fifteen different countries. Alphabetically arranged entries provide the reader a critical overview of the main theological questions and related topics, including concepts, events, councils, theologians, philosophers, movements, and more. Hailed as a "masterpiece of scholarship," this reference work will be of great interest and use for scholars, students of religion and theology as well as general readers.

**Reforming Marriage** Canon Press & Book Service How would you describe the spiritual aroma of your home? The source of this aroma is the relationship between husband and wife. Many can fake an attempt at keeping God's standards in some external way. What we cannot fake is the resulting, distinctive aroma of pleasure to God. Reforming Marriage does what few books on marriage do today: it provides biblical advice. Douglas Wilson points to the need for obedient hearts on the part of both husbands and wives. Godly marriages proceed from obedient hearts, and the greatest desire of an obedient heart is the glory of God.

**Family Ethics Practices for Christians** Moral Traditions series How can ordinary Christians find moral guidance for the mundane dilemmas they confront in their daily lives? To answer this question, Julie Hanlon Rubio brings together a rich Catholic theology of marriage and a strong commitment to social justice to focus on the place where the ethics of ordinary life are played out: the family.
