ALONE ON EARTH

CreateSpace **Signal Bend, Missouri and the Night Horde MC gained notoriety after a shootout on Main Street brought down major players in the Midwest meth trade. The media have turned the Horde into folk heroes, and Hollywood wants a piece of that action. Riley Chase is America's Sweetheart, with a starring role on a popular television series, and now she's the lead actress in the movie about Signal Bend. In Hollywood she's hounded by the press, without the luxury of privacy or secrets, forced to play out her most intimate moments, even tragic ones, on a public stage. In Signal Bend, she's nearly anonymous, able to discover who she is behind her image. Bart Elstad is the Horde Intelligence Officer. His responsibility is to keep the club's secrets buried, especially while the world is looking their way with a long distance lens. He's in charge of the actors while they're in town to research their roles. Bart and Riley forge a quick but intense connection. A casual connection without expectations soon deepens, far more than either of them could have predicted. He sees the woman behind the starshine. She sees the man under the leather. Two very different worlds merge for a brief moment, but reality can't be suspended forever. Chaos breaks loose both within and beyond the club. Tensions that have been simmering boil over, with catastrophic consequences. The Horde's most powerful allies, concerned that their secrets might be exposed in the spotlight of fame, become dangerous enemies. Riley gets caught in the middle. With the future of the Horde in the balance, Bart makes a sacrifice that will change the club, and his life, forever. Note: Explicit sex and violence.**

INTO THE STORM

CreateSpace Signal Bend, Missouri survived a war on its streets and has arrived at a period of growth and peace. The town and its guardians, the Night Horde MC, relax into this moment of hope, looking toward the future for the first time in decades. Everyone but Robert "Showdown" Ryan. Having suffered tremendous loss in that war, and taking on the burden of blame for it, Show has nothing left of himself. He is an empty husk of a man, drowning in grief and whiskey, seeking relief in numbness. Shannon Bannerman has come to Signal Bend to manage the new Keller Acres Bed & Breakfast. She has left a successful city life to start anew in this tiny town, trying to keep the door closed on the regrets of her past. Shannon is drawn to Show despite his stony detachment, and he is drawn to her despite his need to stay numb. But the pain in their pasts is deep and damaging. Only real love, like neither of them has ever known, could heal it. NOTE: explicit sex.

BEHOLD THE STARS

CreateSpace Lawrence Ellis, with vast wealth and power, has made it known that he wants control of Signal Bend, Missouri. He is a man who always gets what he wants; there are no limits to the lengths he'll go, and he has the means to pay all manner of people to do his dirty work for him. The Night Horde MC, led by its President, Isaac Lunden, is wildly outmatched but prepared nonetheless to defend their hometown to the last man, and they are willing to do whatever they must to protect their home. Lilli Accardo, Isaac's old lady, with her own special skills and resources, stands with them, rebelling against Isaac's need to shield her. After toying with them for months, Ellis loses patience for the game and rains down destruction on the Horde, their families, and the town itself. Tested to their very limits, beyond anything they could have imagined, forced to travel dark roads, the citizens of Signal Bend fight a war no one—not even they themselves—thinks they can win. Challenged constantly from without, beset by their own inner demons, Isaac and Lilli must find the true strength within their bond. Isaac needs to protect what is his; Lilli needs to stand on her own; but they are stronger side by side. Even in the deepest darkness, love brings hope. NOTE: dark themes; explicit sex and violence.

MOVE THE SUN

CreateSpace Lilli Accardo moves to the dying town of Signal Bend, Missouri, where the citizens have made a devil's bargain to stay afloat. Lilli quickly garners the attention of the whole town, particularly Isaac Lunden, President of the Night Horde Motorcycle Club and de facto protector of the town and its citizens. When it turns out that Lilli is there under murky circumstances, Isaac decides to get close and try to figure out what she's hiding. Their chemistry is instantaneous and electric, but each is a

potential danger to the other. Action, sex, and drama ensue as Isaac and Lilli try to navigate the rocky terrain between trust and threat. Note: Explicit sex and violence.

CARRY THE WORLD

Independently Published Eastern Kentucky, 1937. After the death of her husband, Ada Donovan returned home to live again with her aging parents. She does all she can to help them keep the small family farm going. But times are hard, and there's never enough. During one of her infrequent visits to town, she sees a help-wanted notice for the Pack Horse Librarian Project, seeking librarians to ride up high in the mountains and bring books to the people there. Before her marriage, Ada was a teacher, and the thought of returning to the work she loved is impossible to resist. The mountains are her favorite place, books are her great joy, and her horse is her best friend. But not everyone on the mountain is happy to see her. Living in a crumbing cabin at the highest, most isolated point of Ada's route, there's a family that catches her attention. The father keeps to the shadows. There is no mother to dote on the happy, curious children. But soon Ada comes to love them just as fiercely as the woman they lost. And makes it her mission to bring them the world.

LEAVE A TRAIL

CreateSpace The Night Horde was once sure of their place in this world. Now, following a harrowing confrontation with the vicious leader of a notorious drug cartel, they are weakened in body and spirit, and they no longer have the unwavering support of the citizens of Signal Bend. They must fight to reclaim the goodwill of their town and their own sense of purpose. Justin "Badger" Ness is struggling both physically and mentally with the price he paid for his place in the brotherhood of the Night Horde. That which gives him the most strength is becoming his personal demon. He is in danger of losing sight of what is good and real in the world. Adrienne Renard is lost between the life she thought she wanted and an endless world of possibilities. The stepdaughter of Showdown Ryan, the club VP, comes to Signal Bend out of concern for her friend, worried about Badger's increasing distance, but she stays to find her own place in a life she never knew she wanted. Together Badger and Adrienne learn that trust-in each other and in themselves-is where strength truly lies. Without trust, there can be no atonement, no forgiveness. It's a lesson the Night Horde and the town of Signal Bend must learn, as well. Leave a Trail is the final volume in the Signal Bend Series. It is a story of struggle and recovery, of loss and gain, of hope and perseverance, and of the abiding power of real love. Also included in this volume: The True Seed, a novella and epilogue to Leave a Trail and to the Signal Bend Series itself. Note: explicit sex and violence.

HIDDEN WORTHINESS

Independently Published Twenty years ago, as a young Pagano Brothers soldier, Donnie Goretti was horribly injured on the job. The devastating scars of that attack led him to be known as "The Face." Since then, he's been alone, reminded daily that he's too ugly to look at, much less to love. He's devoted himself instead to his work, and he rose through the ranks to become the underboss of the Pagano Brothers family. Now, he is a man of wealth, influence, and respect. In the day, he's a powerful executive and philanthropist. In the night, he's the don's ruthless right hand. When he wants companionship, he has it; there will always be women attracted to his status. But he harbors no delusions that they care about him. How could they, when they can hardly bear to look at him? When he meets Arianna Luciano, a principal dancer with the Rhode Island Ballet, Donnie offers her the same arrangement he's offered many other women. He's armored his heart with cool reserve and an arsenal of iron-clad rules about what he expects, what he'll allow, and what he'll give in exchange. But Ari doesn't like rules, and she wants no part of Donnie's offer. She sees his scars as signs of his pain, markers of his history. They are nothing to be ashamed of. They don't diminish his worth. She wants the chance to fall in love. If only she could make him believe it.

DEEP

CreateSpace Nick Pagano is a leader in the Pagano Brothers organization. As their head enforcer, it has been his responsibility to mete out justice, to seek retaliation, to uncover the secrets of Pagano enemies by any means necessary, and to sink deep the evidence of those means. It is work that requires keen vision and perfect control. It is work at which Nick excels. It is work that has made him dark. As the Paganos fight a war against an enemy determined to destroy them and change the landscape of the New English underworld, the boundaries between work and family that Nick's father and uncle long ago made sacrosanct are crossed, and Nick's work becomes personal. Beverly Maddox lives across the hall from Nick. She's living a life she's worked hard to build, with a job she likes and friends she loves, content in her surroundings and in her own skin. She thinks the best of people and offers them her trust and friendship without reservation. Though her life hasn't always been kind, she has not let the troubles of her past weigh her down. Her outlook is light, in both senses of the word. It's her light that catches Nick's eye, and his attention inadvertently causes Beverly to be swept up into his dark world. Thrust together by circumstance, Nick comes to see that Beverly's light eases his dark soul. But will his darkness douse her light instead? Note: explicit sex and violence.

GOD'S EYE

Createspace Independent Publishing Platform **Loneliness is all that Brenna has ever known. She doesn't expect that she will ever even know true companionship, let alone love. People say she was born with the mark of Odin, but Brenna feels it as a curse rather than a blessing. Those who would tell her she is favored by the Allfather are too afraid to look on her; she is apart from her people. Yet she has learned the power of her difference, and turned it to her advantage. She is a shieldmaiden, with a legendary reputation for her valor as well as for her godly gift. Vali is a giant among his people, well-liked and respected. He is of the Úlfhéðnar, a berserker, one of Odin's own elite warriors, and one of the fiercest and bravest warriors to wield an axe or spear. He is the Storm-Wolf; his strength and ferocity are his gifts from the Allfather. Fortune threw the two warriors together when they were but children. Fate brings them together again as warriors when two jarls ally for a raid into Estland. Again and again, Vali seeks Brenna out. He sees her; he sees the woman behind the whispers. More than that, he will not look away. Vali has not forgotten the debt he owes Brenna from their very first meeting, and in seeking his opportunity to repay her, he finds a lonely, beautiful woman whose quiet strength captures his heart. But the sagas do not sing of warriors who live quiet lives, or of love that does not know trial and tribulation. Favored by the gods they may be, but that does not protect Brenna and Vali from the simple and devastating hardships of their lives. Their reputations cannot help them. It is their love that must become their legend.**Note: Explicit sex and violence

Blue Box Press New York Times and USA Today bestselling author Kristen Ashley brings a new novel in her River Rain series... From a very young age, Chloe Pierce was trained to look after the ones she loved. And she was trained by the best. But when the man who looked after her was no longer there, Chloe is cast adrift—just as the very foundation of her life crumbled to pieces. Then she runs into tall, lanky, unpretentious Judge Oakley, her exact opposite. She shops. He hikes. She drinks pink ladies. He drinks beer. She's a city girl. He's a mountain guy. Obviously, this means they have a blowout fight upon meeting. Their second encounter doesn't go a lot better. Judge is loving the challenge. Chloe is everything he doesn't want in a woman, but he can't stop finding ways to spend time with her. He knows she's dealing with loss and change. He just doesn't know how deep that goes. Or how ingrained it is for Chloe to care for those who have a place in her heart, how hard it will be to trust anyone to look after her... And how much harder it is when it's his turn.

MINIMIZING RISK, MAXIMIZING AWARENESS

Springer Science & Business Media **The International Year of Planet Earth (IYPE) was established as a means of raising worldwide public and political awareness of the vast, though frequently under-used, potential the Earth Sciences possess for improving the quality of life of the peoples of the world and safeguarding Earth's rich and diverse environments. The International Year project was jointly initiated in 2000 by the International Union of Geological Sciences (IUGS) and the Earth Science Division of the United Nations Educational, Scientific and Cultural Organisation (UNESCO). IUGS, which is a Non-Governmental Organisation, and UNESCO, an Inter-Governmental Organisation, already shared a long record of productive cooperation in the natural sciences and their application to societal problems, including the International Geoscience Programme (IGCP) now in its fourth decade. With its main goals of raising public awareness of, and enhancing research in the Earth sciences on a global scale in both the developed and less-developed countries of the world, two operational programmes were demanded. In 2002 and 2003, the Series Editors together with Dr. Ted Nield and Dr. Henk Schalke (all four being core members of the Management Team at that time) drew up outlines of a Science and an Outreach Programme. In 2005, following the UN proclamation of 2008 as the United Nations International Year of Planet Earth, the "Year" grew into a triennium (2007-2009).**
