To make your creative thinking process even more powerful just apply the out of the box creative thinking strategies that are going to be revealed to you to this resource guide and you will be able to come up with an unlimited amount of ideas... Passion to Passive Profits Create Digital Assets that will Earn you Money on Autopilot [Jamie Northrup](#) I tried the corporate (9-5) world. It wasn't for me. I didn't want a boss! I tried running my own business. It wasn't for me. I didn't want employees! I didn't even really want to deal with customers. All I knew is that I needed to find a way to make money that I enjoyed. I tried Uber Eats & DoorDash. I love driving, it was fun, and paid decently, BUT... Then I realized it wasn't money that I wanted, I wanted time and freedom. I needed to find a way to disconnect my income from my time. I started investing, but I didn't want to be a day trader, so I started investing in dividend stocks, and the passive income from that is great, but unless you have a ton of money to invest, the income from it isn't enough! I now knew that I had to find a way to create passive income without investing a lot of money or even any money at all. This is when I discovered digital assets, and I'm not talking about Cryptocurrency or NFTs, although I am currently invested in both of those. The digital assets I'm talking about are easy to create on your own, for free! They finally allowed me to own more of my time, and most importantly, have given me freedom. In this book, I will show you the exact methods I use to create these 7 different types of digital assets, and how I leverage different marketplaces to make passive income from each one. Articles Courses eBooks Graphics Photos Printables Templates The best part about these digital assets is that I can create ones that are directly related to my passions, from hockey to food and of course, side hustles! And it can work for absolutely any passion, I guarantee it! If you can't figure out how to monetize your passion with this eBook, you can email me directly and I will give you some examples. The book is called Passion to Passive Profits What will you learn from this eBook? How to turn your passion(s) into 7 types of digital assets. How to turn those digital assets into passive income streams. How to work smarter, not harder when it comes to creating them. How much time do you need to put in? Have an hour a day to do it? Great! Have three hours a day to do it? Awesome! Have ten hours a day to do it? Incredible! The reality is, the more time you put in, the more passive income you'll create for yourself. How much money will you make? The more assets you make, the more money you will make. The amount will depend on the quantity and quality of your assets and your listings on the various marketplaces. Want to play around with some numbers and see the math? Let's assume it takes you an hour to make 1 digital asset (some can be more, some less) and each sale brings in \$1 profit (again some can be more, some less), and you make on average only 1 sale per week per asset: If you do 1 hour/day and stop after a year, you'll have 365 assets which will give you \$18,980 passive profits per year, forever! If you do 3 hours/day and stop after a year, you'll have 1095 assets which will give you \$56,940 passive profits per year, forever! If you do 10 hours/day and stop after a year, you'll have 3650 assets which will give you \$189,800 passive profits per year, forever! And that's from only 1 year of creating assets, what if you did it for 2, 5, or 10 years? Looking forward to working with you and monetizing your passions. I'm always just a DM or email away for any help or questions. - Jamie a.k.a. Minimalist Hustler The 30 Day Challenge Book 500 Ideas to Inspire Your Life This book was inspired by the popular TED talk, Try something new for 30 days. You don't always need to make drastic life changes, go on costly worldwide adventures or wait until the time is 'right'. Big changes can come from small actions, and if you have no idea where to start, how about a 30 day challenge? Why do a 30 day challenge? 1. Discover something new that you never knew you liked 2. Enjoy blissful moments in the present and spend less time on autopilot 3. Accelerate your productivity in your current projects or at work 4. Improve your physical, mental and spiritual health and wellbeing 5. Kickstart your creativity and become more resourceful Some of these 30 day challenges you'll love and some you may find strange, but others could transform your life in ways that might be hard to imagine without starting. Most of these 30 day challenges can be done anywhere -- some for as little as five minutes a day, without spending lots of your money, taking up loads of your time, or buying pricey equipment. The idea is to use the resources you already have, and pick the ideas that speak to your heart. What you will get in this book 500 30 day challenges to transform your whole life Challenges have been divided into the following categories, so there's something for everyone. Health, food and fitness, self improvement, inner life and meditation, recreation, art and creative, home life, professional life and finance, intellectual and educational, and social, relationships and kindness. An A-Z of all 30 day challenges The A-Z at the back of the book includes all 500 30 day challenges and will help you easily find the right ones for you. A free 30 day challenge planner chart This will help you to stay motivated, record your thoughts, and track results. It comes with this book as a downloadable PDF which you can print out and use as many times as you like. It's my hope that you will find something in this book that will make you feel excited. And through the act of doing and playing by your own rules, I hope you get the chance to find enthusiasm for everyday life, reignite some old passions and develop a love for trying new things. The point of this book isn't to tell you how to live or give you ideas only I like -- it's to get you to start and do something today that will take you out of autopilot and bring more variety, enjoyment and moments of bliss to your life right now. Dissociative Experiences Cards Effective DevOps Building a Culture of Collaboration, Affinity, and Tooling at Scale "[O'Reilly Media, Inc.](#)" Some companies think that adopting devops means bringing in specialists or a host of new tools. With this practical guide, you'll learn why devops is a professional and cultural movement that calls for change from inside your organization. Authors Ryn Daniels and Jennifer Davis provide several approaches for improving collaboration within teams, creating affinity among teams, promoting efficient tool usage in your company, and scaling up what works throughout your organization's inflection points. Devops stresses iterative efforts to break down information silos, monitor relationships, and repair misunderstandings that arise between and within teams in your organization. By applying the actionable strategies in this book, you can make sustainable changes in your environment regardless of your level within your organization. Explore the foundations of devops and learn the four pillars of effective devops Encourage collaboration to help individuals work together and build durable and long-lasting relationships Create affinity among teams while balancing differing goals or metrics Accelerate cultural direction by selecting tools and workflows that complement your organization Troubleshoot common problems and misunderstandings that can arise throughout the organizational lifecycle Learn from case studies from organizations and individuals to help inform your own devops journey Hacking Growth How Today's Fastest-Growing Companies Drive Breakout Success [Random House](#) 'a compelling methodology... to increase market share quickly' -- Eric Ries, bestselling author of THE LEAN STARTUP 'a must-read for anyone in business' -- James Currier, managing partner, NFX Guild 'will teach you how to think like a marketer of tomorrow' -- Josh Elman, partner, Greylock Partners Growth is now the first thing that investors, shareholders and market analysts look for in assessing and valuing companies. HACKING GROWTH is a highly accessible, practical, method for growth that involves cross-functional teams and continuous testing and iteration. Hacking Growth does for marketshare growth what THE LEAN STARTUP does for product development and BUSINESS MODEL GENERATION does for strategy. HACKING GROWTH focuses on customers - how to attain them, retain them, engage them, and monetize them - rather than product. Written by the method's pioneers, this book is a comprehensive toolkit or "bible" that any company in any industry can use to implement their own Growth Hacking strategy, from how to set up and run growth teams, to how to identify and test growth levers, and how to evaluate and act on the results. It is designed for any company or leader looking to break out of the ruts of traditional marketing and become more collaborative, less wasteful, and achieve more consistent, replicable, and data-driven results. Leslie Nielsen The Naked Truth The popular actor and star of

"Airplane" and "The Naked Gun" offers an account of his life and career, providing anecdotes about his four decades in show business. **Webs of Influence: The Psychology of Online Persuasion** [Pearson UK](#) As legions of businesses scramble to set up virtual-shop, we face an unprecedented level of competition to win over and keep new customers online. At the forefront of this battleground is your ability to connect with your customers, nurture your relationships and understand the psychology behind what makes them click. In this book **The Web Psychologist**, Nathalie Nahai, expertly draws from the worlds of psychology, neuroscience and behavioural economics to bring you the latest developments, cutting edge techniques and fascinating insights that will lead to online success. **Webs of Influence** delivers the tools you need to develop a compelling, influential and profitable online strategy which will catapult your business to the next level - with dazzling results. **Printable Business: Learn how to Build and Grow a Successful Business on Etsy Or Your Own Storefront!** If you're looking for a profitable side hustle that could easily turn into a full-time income, selling printables online is one of the easiest ways to get started. Printables are in demand across all markets. People use them to funnel traffic to blogs, content pages, squeeze pages and even as training components. Printables sell a dream of a better life: they represent organized, creative and successful people. They're designed to help people improve the quality of their lives in some way. They offer a workable system to organizing the chaos. There are many different ways you can set up a printable business in a matter of a few days and you will learn all of them in this report. **Topics covered: Setting up Shop, Launching Your Shop, The Power of Keywords, Pinterest Quick Star, Think Like a Monk, Train Your Mind for Peace and Purpose Every Day** [Simon & Schuster](#) Jay Shetty, social media superstar and host of the #1 podcast **On Purpose**, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, **On Purpose**, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, **Think Like a Monk** reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk. **Microsoft Windows NT Technical Support: How I Made My First Million on the Internet and How You Can Too! The Complete Insider's Guide to Making Millions with Your Internet Business** [Morgan James Publishing](#) Offers tips and strategies for building and developing a successful and profitable Internet-based business. **The Big Book of 30-Day Challenges: 60 Habit-Forming Programs to Live an Infinitely Better Life** [Simon and Schuster](#) The host of titular podcast offers over sixty ideas to boost creativity, achieve fitness goals, increase productivity, improve relationships and more. Change isn't always easy, but you can do it! Packed with powerful ideas for improving your life in all areas, including fitness, food, mindfulness, relationships, networking and more, this book shows how to create lasting habits by first succeeding at a thirty-day challenge. Author Rosanna Casper shares dozens of practical tips, helpful resources and her own secret tricks that will keep you motivated and committed through day thirty and beyond. If you're ready to make some positive changes in your life, just pick a challenge and get started: **Walk 10,000 steps thirty days without (added) sugar** **Cook one new recipe per day** **Get better sleep** **Get rid of clutter** **Take a photo every day** **Spend thirty minutes outdoors** **Read twenty pages a day** **Advanced Social Media Marketing: How to Lead, Launch, and Manage a Successful Social Media Program** [Apress](#) Hundreds of millions of Americans are using social media (SM), and already some 70% of businesses have joined them there, using Facebook and other SM platforms to connect with their customers, and attract new ones. So the real question isn't whether to take your business onto social media platforms—but how to do it quickly, effectively, on a budget, with smart goals, and a road map for success. **Advanced Social Media Marketing: How to Lead, Launch, and Manage a Successful Social Media Program** cuts through the hype and fluff about how social media is changing the world, and it gets down to what really matters: How you as a manager can best use SM to benefit your business. Written by a veteran online marketer and ecommerce professional, the book shares practical strategies and tactics to let you launch and scale a successful corporate social media program. **Advanced Social Media Marketing: How to Lead, Launch, and Manage a Successful Social Media Program** is for the manager who already knows something about social media and wants to roll up his or her sleeves and get down to business. In it, we simplify tasks that might otherwise be complicated—like adopting and tracking key performance metrics, developing online ad campaigns, or creating Facebook apps like games, giveaways and sweepstakes with the capacity to go viral. Businesses can harness the unique advantages of this new medium, but they need a practical, no-nonsense guide like this one. Otherwise they risk being ignored, wasting time and money or, even worse, damaging their own brand and seeing a well-intentioned online program blow up. The book is heavy on the how-to, case studies, campaign results and other statistics, and interviews with ecommerce managers at businesses large and small. It also includes the author's own experiences at Green Mountain Coffee Roasters, Wine of the Month Club, and others. While this book will be accessible enough for someone implementing a social media program for the first time, it's ambitious enough to benefit experienced SM hands who are looking for good ideas and techniques to push their online community to the next level of size, interactivity, and buzz. **American Journal of Ophthalmology**; 10, (1893) [Legare Street Press](#) This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. **Financial Market History: Reflections on the Past for Investors Today** [CFA Institute Research Foundation](#) Since the 2008 financial crisis, a resurgence of interest in economic and financial history has occurred among investment professionals. This book discusses some of the lessons drawn from the past that may help practitioners when thinking about their portfolios. The book's editors, David Chambers and Elroy Dimson, are the academic leaders of the Newton Centre for Endowment Asset Management at the University of Cambridge in the United Kingdom. **Essentialism: The Disciplined Pursuit of Less** [Random House](#) Have you ever found yourself struggling with information overload? Have you ever felt both overworked and underutilized? Do you ever feel busy but not productive? If you answered yes to any of these, the way out is to become an Essentialist. In **Essentialism**, Greg McKeown, CEO of a Leadership and Strategy agency in Silicon Valley who has run courses at Apple, Google and Facebook, shows you how to achieve what he calls the disciplined pursuit of less. Being an Essentialist is about a disciplined way of thinking. It means challenging the core assumption of 'We can have it all' and 'I have to do everything' and replacing it with the pursuit of 'the right thing, in the right way, at the right time'. By applying a more selective criteria for what is essential, the pursuit of less allows us to regain control of our own choices so we can channel our time, energy and effort into making the highest possible contribution toward the goals and activities that matter. Using the experience and insight of working with the leaders of the most innovative companies and organisations in the world, McKeown shows you how to put Essentialism into practice in your own life, so you too can achieve something great. **Management Information Systems: Managing the Digital Firm** [Pearson Educación](#) **Management Information Systems** provides comprehensive and integrative coverage of essential new technologies, information system applications, and their impact on business models and managerial decision-making in an exciting and interactive manner. The twelfth edition focuses on the major changes that have been made in information technology over the past two years, and includes new opening, closing, and Interactive Session cases. **How to Style Your Brand: Everything You Need to Know to Create a Distinctive Brand Identity** The right brand identity has the power to attract, engage and compel people to do business with you. But for many entrepreneurs, creating an effective brand can be a challenge. Whether you're a start-up on a lemonade budget, or a seasoned entrepreneur planning on working with a professional, an understanding of the process is essential. In this comprehensive workbook, Fiona Humberstone will walk you through the process of styling your brand. From finding your focus, creating an inspirational vision and unlocking the power of colour psychology; Fiona will help you understand the design details that will make your business irresistible. **How to Style Your Brand** will ensure you get your branding right, first time. In **How to Style Your Brand**, Fiona shares with you the secrets behind using colour to create an emotive connection; how to use pattern and illustrations to add character and personality and how to carefully select typefaces that add a distinctive and intentional edge to your designs. **Adrift: Seventy-six Days Lost at Sea** [HarperCollins](#) **Before the Perfect Storm**, before **In the Heart of the Sea**, Steven Callahan's dramatic tale of survival at sea was on the *New York Times* bestseller list for more than thirty-six weeks. In some ways the model for the new wave of adventure books, **Adrift** is an undeniable seafaring classic, a riveting firsthand account by the only man known to have survived more than a month alone at sea, fighting for his life in an inflatable raft after his small sloop capsized only six days out. "Utterly absorbing" (*Newsweek*), **Adrift** is a must-have for any adventure library. **My Reflection** [AuthorHouse](#) This book is for all who love children, cats and thrillers. **My Reflection** is a second book for this author and follows **Minnesota Mystique**. It has more drama and trauma with ghosts and angels featured. It is an emotional and medical rollercoaster journey for the reader. **Making with Meaning: More Than 20 Meditative and Creative Crochet Projects** [Abrams](#) A thoughtful, purposeful approach to prioritizing time for making, adding more meaning and intention to your life. From cooking and cleaning to children's events to business meetings to just about everything else, it's hard to find quiet moments to just be. Jessica Carey has found that her best times for being in the zone when she is making. Hers is an inspiring approach to a beloved pastime, putting to use the meditative and therapeutic benefits of working with your hands. Featuring more than 20 different crochet patterns to inspire you as you make time for making, the book offers instructions to those who want to begin their crochet journey and teaches how to crochet through detailed explanation and visual guidance. Projects vary in skill level but are all designed for readers to be able to free their minds, leaving space for stitch-repetition to kick in. Accompanied by essays focused on gratitude, creativity, and living with intention, among other topics, the book invites you to take time to reflect on these themes and their presence in your life. Jessica offers support and encouragement so that you can strengthen more than just your crochet skills as you explore this adventure. **Yaro and the Rhino** [Austin Macauley](#) Yaro, a little boy from an African tribe, meets a baby rhino who becomes his best friend. They get up to lots of mischievous adventures together, sometimes causing the village and other animals some trouble. In this first adventure, they encounter a lion and play football together. But will the village accept them? **Strong Girl, Brave Girl: A Single Mother's Candid Story of Reconciling a Life Unexpected and Navigating the Messy In-Between** [Paper + Oats, LLC](#) When life-changing pain is coupled with the welcoming of a new story for yourself, the word bittersweet just doesn't do it justice. You are quite literally in the middle - anchored between where you thought you were headed and where you're going now. In that uncertain middle space is where this story takes

place, and maybe where you find yourself, too. The life Kelsey Baldwin had imagined for herself, the one she was right in the middle of, quickly crumbled around her on a single day as she was faced with a looming divorce while staring at a positive pregnancy test. It wasn't the way it was supposed to go. With each uncertain transition she went through - divorce, pregnancy, giving birth, moving cities, dating, raising a child without a partner - she clung to what she knew for sure: she was a strong girl and a brave girl, and the middle was not the ending. (Spoiler: that's why it's called the middle.) My story might look really different than yours, but I'm willing to bet you find threads from my messy middle that are also woven into yours. **Temp The Real Story of What Happened to Your Salary, Benefits, and Job Security** [Penguin](#) Winner of the William G. Bowen Prize Named a "Triumph" of 2018 by New York Times Book Critics Shortlisted for the 800-CEO-READ Business Book Award The untold history of the surprising origins of the "gig economy"--how deliberate decisions made by consultants and CEOs in the 50s and 60s upended the stability of the workplace and the lives of millions of working men and women in postwar America. Over the last fifty years, job security has cratered as the institutions that insulated us from volatility have been swept aside by a fervent belief in the market. Now every working person in America today asks the same question: how secure is my job? In **Temp**, Louis Hyman explains how we got to this precarious position and traces the real origins of the gig economy: it was created not by accident, but by choice through a series of deliberate decisions by consultants and CEOs--long before the digital revolution. Uber is not the cause of insecurity and inequality in our country, and neither is the rest of the gig economy. The answer to our growing problems goes deeper than apps, further back than outsourcing and downsizing, and contests the most essential assumptions we have about how our businesses should work. As we make choices about the future, we need to understand our past. **Information Technology and the U.S. Workforce Where Are We and Where Do We Go from Here?** [National Academies Press](#) Recent years have yielded significant advances in computing and communication technologies, with profound impacts on society. Technology is transforming the way we work, play, and interact with others. From these technological capabilities, new industries, organizational forms, and business models are emerging. Technological advances can create enormous economic and other benefits, but can also lead to significant changes for workers. IT and automation can change the way work is conducted, by augmenting or replacing workers in specific tasks. This can shift the demand for some types of human labor, eliminating some jobs and creating new ones. **Information Technology and the U.S. Workforce** explores the interactions between technological, economic, and societal trends and identifies possible near-term developments for work. This report emphasizes the need to understand and track these trends and develop strategies to inform, prepare for, and respond to changes in the labor market. It offers evaluations of what is known, notes open questions to be addressed, and identifies promising research pathways moving forward. **Serve No Master Business, Fire Your Boss and Become a Lifestyle Entrepreneur or Digital Nomad** [Dragon God, Inc.](#) Do you want to take control of your financial destiny, and not spend your life in a cubicle? Do you want to build a profitable business - automatically? Are you struggling to make ends meet and trapped in a career you don't love? Here's what this book ISN'T: this isn't about selling you some other course, multilevel marketing or getting a five percent bump in your paycheck. This is about building a consistent, unique and authentic business that you can sell when you're ready to retire. How will your life improve? -Never live in fear of a boss ever again -Go to sleep knowing that your children's **FUTURE IS SECURE** -Follow a process only a few **LEADERS** have figured out -Build a business that lets you live on a tropical island -Form an army of friends and business connections dedicated to helping you succeed Implement these techniques and watch your profits skyrocket. Follow this amazing journey and take control of your destiny by scrolling up and clicking the **BUY NOW** button at the top of this page! **Making It in the Art World New Approaches to Galleries, Shows, and Raising Money** [Skyhorse Publishing Inc.](#) Presents a career development guide for artists, covering such topics as evaluating works, submitting art to museums and galleries, organizing events, raising funds, and using social media to promote one's art. **Starting Your Career as an Artist A Guide to Launching a Creative Life** [Simon and Schuster](#) In this comprehensive manual, veteran art career professionals Angie Wojak and Stacy Miller show aspiring artists how to evaluate their goals and create a plan of action to advance their professional careers, and use their talents to build productive lives in the art world. In addition, the book includes insightful interviews with professional artists and well-known players in the art scene. The second edition features a new chapter on social media and includes interviews with artists, museum professionals, and educators. All chapters cover topics essential to the emerging artist, such as: •Using social media to advance your practice •Health and safety for artists •Artist's resumes and CVs •Finding alternative exhibition venues •Building community through networking •Collaborating and finding mentors •Refining career aspirations This invaluable resource is sure to encourage and inspire artists to create their own opportunities as they learn how the creativity that occurs inside the studio can be applied to developing a successful career in the art world. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers. **Domestic Sluttory Cheat your way to the good life** [Pavilion](#) Many women would love to have the domestic goddess thing nailed, to waft around vintage fairs and antique markets for collectable items to furnish their houses with, and to be able to spend all day preparing the ultimate dinner party. But quite frankly women are too busy - working, going out and having fun - to make their lives 'just so'. But that doesn't mean that their homes aren't important; their homes are as precious as their time The Domestic Sluttory website was created to show women that it is possible to have a gorgeous home while unapologetically cutting a few corners. The book is a logical expansion from the blog, full of lifestyle tips and with a more in-depth look at home interiors (Hiding the Evidence, Design Porn etc.); food and drink (e.g., Veggie not Virtuous, Baking for Beginners); style and beauty (Fashion Lust, Crafty Clothes etc.); and living (e.g., Fabulous and Thrifty, Sluttory Travels). The word 'sluttory' is used deliberately. It goes back to the traditional use of the word 'slut' - being slovenly, a little messy - which can be a very good thing; it's freeing. This isn't a lifestyle guide for Stepford Wives. those kind of aspirations aren't realistic any more. Instead, Domestic Sluttory offers an aspiration to live life to the full but with permission to make mistakes, to accept that you're not perfect. Instead of compromising on fun, Sian Meades and her domestic sluts will teach you the quick and easy ways to do domestication on the hop. And will reveal how to make a damn good cocktail! **Building a DevOps Culture** "[O'Reilly Media, Inc.](#)" DevOps is as much about culture as it is about tools When people talk about DevOps, they often emphasize configuration management systems, source code repositories, and other tools. But, as Mandi Walls explains in this Velocity report, DevOps is really about changing company culture—replacing traditional development and operations silos with collaborative teams of people from both camps. The DevOps movement has produced some efficient teams turning out better products faster. The tough part is initiating the change. This report outlines strategies for managers looking to go beyond tools to build a DevOps culture among their technical staff. Topics include: Documenting reasons for changing to DevOps before you commit Defining meaningful and achievable goals Finding a technical leader to be an evangelist, tools and process expert, and shepherd Starting with a non-critical but substantial pilot project Facilitating open communication among developers, QA engineers, marketers, and other professionals Realigning your team's responsibilities and incentives Learning when to mediate disagreements and conflicts Download this free report and learn how to the DevOps approach can help you create a supportive team environment built on communication, respect, and trust. Mandi Walls is a Senior Consultant with Opscode. **Augury Investing Journal** The Augury Investing Journal is a tool for individual investors. However, there is a lot of confusion out there and the misleading information could leave you overwhelmed with "information overload". Digital Product Blueprint cuts through the fluff and heads directly to one of the fastest ways you can start making money online today. You don't even need to have a website and deal with the challenge of generating your own traffic to start making money online these days. Previous Methods Now Take Longer A few years ago it was easier to start making money online from a blog or a niche website as an affiliate marketer. However, it takes longer now to gain traction as a new affiliate marketer due to oversaturation and constant Google algorithm updates making it harder for new websites to rank and get noticed. A Faster Way To Make Money Online For A Beginner Creating your own information product is currently one of the fastest ways to start making money online. You don't even have to create a website to start earning online these days hence it is actually easier to make money online now, but by doing things differently. Create Assets That Make You Passive Income With a digital product, you create it once and it generates passive income for you for the rest of its lifecycle. With each information product you create, you're adding assets to your portfolio, making you even more passive income. You Don't Need To Be A Guru Or An Expert One of the biggest perceived roadblocks many people face when it comes to creating an information product is the belief that they need to be an "authority" on something. The reality is that the roadblock is just an illusion! To create helpful content you just need to know more about the subject matter than your target audience does and hence they can learn something from you. In fact, they may find it easier to learn from someone like you rather than a "guru" who may be too advanced and unable to relate to their needs. The best people to learn from are those who are just slightly ahead of you on a particular path. What You'll Get From This Book: How to find profitable niches for your information products using proven research and selection methods. This ensures you create products that actually sell. Proven techniques for how to communicate your ideas effectively. How to create your content fast using some of the best techniques and tools in the industry. How to choose a name that sells your information product for you. How to sell information products without creating a website or worrying about generating traffic. A step-by-step guide for how to set up your website, if you choose to sell your information product from your own site. How to use online marketplaces like ClickBank and JVZoo to process payments and handle all customer orders. How to generate traffic to your website using proven and evergreen methods. Scroll up and click the Look Inside feature on the top left-hand side of the page and get started today! Yarnitecture A Knitter's Guide to Spinning: Building Exactly the Yarn You Want [Storey Publishing](#) Create your dream yarn! Discover the pleasures of designing and building custom-made yarn by spinning it yourself, choosing everything from color to feel and gauge. Jillian Moreno leads you through every step of yarn construction, with detailed instructions and step-by-step photos showing you how to select the fiber you want (wool, cotton, silk, synthetic), establish a foundation, and spin a beautiful yarn with the structure, texture, and color pattern that you want. In addition to teaching you the techniques you need for success, Moreno also offers 12 delicious original patterns from prominent designers, each one showcasing hand-spun yarns. Broke Millennial Stop Scraping By and Get Your Financial Life Together [Penguin](#) WASHINGTON POST "COLOR OF MONEY" BOOK CLUB PICK Stop Living Paycheck to Paycheck and Get Your Financial Life Together (#GYFLT)! If you're a cash-strapped 20- or 30-something, it's easy to get freaked out by finances. But you're not doomed to spend your life drowning in debt or mystified by money. It's time to stop scraping by and take control of your money and your life with this savvy and smart guide. Broke Millennial shows step-by-step how to go from flat-broke to financial badass. Unlike most personal finance books out there, it doesn't just cover boring stuff like credit card debt, investing, and dealing with the dreaded "B" word (budgeting). Financial expert Erin Lowry goes beyond the basics to tackle tricky money matters and situations most of us face #IRL, including: - Understanding your relationship with moolah: do you treat it like a Tinder date or marriage material? - Managing student loans without having a full-on panic attack - What to do when you're out with your crew and can't afford to split the bill evenly - How to get "financially naked" with your partner and find out his or her "number" (debt number, of course) . . . and much more. Packed with refreshingly simple advice and hilarious true stories, Broke Millennial is the essential roadmap every financially clueless millennial needs to become a money master. So what are you waiting for? Let's #GYFLT!
