Flyfisher's Guide to Eastern Trophy Tailwaters 40 Great Trout Waters from Maine to Georgia Wilderness Adventures Press
*The Eastern United States is wrought with tailwater fisheries that can produce monster trout, but anglers need the wheres, whens and hows in order to capitalize. In the newest Flyfisher's Guide, Tom Gilmore gives you everything you need to know to hook into the East's trophy tailwater trout. Other guidebooks have inconsistent writing and photography, with vague maps. Gilmore gives you everything you need to know, along with spectacular full-color photography. Regulations, seasons, fish, river characteristics, expert insights, recommended gear, hub-city information, history, and complete directions are listed for every river. Gilmore also details what makes a tailwater a tailwater, and offers specific advice on how to approach them. Fish, flies and hatches are broken down, along with tips on how to read the water, flow and release schedules, seasonal variations, appropriate gear and more. This book keeps up Wilderness Adventures Press' tradition of producing superior maps with GPS coordinates for all access points, boat ramps, campgrounds and more. The Upper Connecticut, Deerfield, Housatonic, Delaware, Gunpowder, Jackson, South Holston, Watauga, Tuckasegee, Chattahoochee and many more rivers are covered in full detail. Authors Ed Jaworowski's and Beau Beasley's endorsements validate this offering as the authoritative guide on fishing eastern tailwaters. Start catching more and bigger fish with this guidebook from Wilderness Adventures Press. **Trout Unlimited's Guide to America's 100 Best Trout Streams, Updated***

and Revised Rowman & Littlefield *The Penobscot, Penns Creek, the Little River, Guadalupe, Firehole, Copper River--these streams and ninety-four others like them provide the best trout fishing in America say members of Trout Unlimited (TU). With a dozen or more streams in each of eight regions, one of America's one hundred best trout streams flows within a few hours' drive of most of the nation's anglers. These are the rivers that anglers dream of visiting. Describing species, hatches, the flies and lures, and when to fish, each profile contains information and maps that boosts angler success. Profiles present, as well, the environmental challenges facing each stream and the role that TU and others play in protecting the fishery. Extensive interviews with anglers for whom each stream is "home water," add depth to personal observations formed when award-winning writer and angler, John Ross, fished many of these streams himself. Many who buy the book set out to fish all the streams. For others, the guide is an essential ingredient in the planning of fishing and family vacations. It's a book that's as at home next to a fly tyer's bench as it is tucked in the console between the seats of a pickup truck. A portion of the sale of each book goes to Trout Unlimited to help protect and sustain coldwater fisheries.* **The Rough Guide to South Africa** [Apa Publications \(UK\) Limited](#) *Discover South Africa, Lesotho and Swaziland with the most incisive and entertaining guidebook on the market. A Lesbiganay Guide to Selecting the Best-Fit College or University and Enjoying the College Years [iUniverse](#) "My brother wrote this book based on his own experiences and the experiences of hundreds of lesbian, gay, bisexual, and transgender students he counseled, talked to, and interviewed over the course of his 40-year teaching career. The confusion he experienced during college, and the distress and intolerance he witnessed and heard about from students, lead him to realize that some college and university environments are simply not healthy places for LGBT young people to learn and grow and to sort out their own sexuality. This book documents the problems LGBT students might encounter on campus, and provides advice on how LGBT students can select the best-fit college or university for them." -Bill Hinrichs

Pure-bred Dogs, American Kennel Gazette Saints Row IV - Strategy Guide [Gamer Guides](#) The leader of the 3rd Street Saints has certainly moved up in the world, becoming the President of the United States. Pretty Little Wife A Novel [HarperCollins](#) Darby Kane thrills with this twisty domestic suspense novel that asks one central question: shouldn't a dead husband stay dead? Lila Ridgefield lives in an idyllic college town, but not everything is what it seems. Lila isn't what she seems. A student vanished months ago. Now, Lila's husband, Aaron, is also missing. At first these cases are treated as horrible coincidences until it's discovered the student is really the third of three unexplained disappearances over the last few years. The police are desperate to find the connection, if there even is one. Little do they know they might be stumbling over only part of the truth.... With the small town in an uproar, everyone is worried about the whereabouts of their beloved high school teacher. Everyone except Lila, his wife. She's definitely confused about her missing husband but only because she was the last person to see his body, and now it's gone.
