In fact, it turned out she didn't live in the same world as I did... Not at all. I knew this the moment I entered his kingdom. My world changed the moment he found me. He gave me a warning that night. He told me if he ever found me again then next time, he wouldn't be so quick in letting me escape him. His little Red Riding Hood. It was a threat I took seriously as it was only my dreams that took me back to that place. That took me back to him. That was until they came for me. The Hell Hounds that infiltrated my peaceful world and started the hunt. And there was only one man I knew that had the power to stop them. And my price to pay, was the promise he made me. Wraith of Fire [Transfusion Saga](#) I knew the moment my soul burned. I knew the moment the Wraith of Fire had touched me. And now... But no, not even just a warm glow at the end of some graffitied tunnel and as for Pearly Gates, well they wouldn't be opening for me any time soon! Because I wasn't where I was supposed to be. And I could forget all my jokes about falling into Wonderland and Oz and seeing any of those fuzzy fellas from Narnia, because no amount of wishing that my life was a fairy tale would make it so. A powerful telling of love and loss." - Joey King, star and producer of *The In Between* [Elegy HarperCollins UK](#) A stranded spirit, and a love story that crosses the divide between the living and the dead... Beast And The Imp It had to be said, that I didn't much care for the Devil. Especially when he tried to use me to control the Beast. But then this was his mistake. As such, I had been granted early release and as for the Beast... he was not happy. So now Hell had a problem. A big one. One named Abaddon, who was currently tearing Hell apart trying to find me. Which meant I now had a choice to make. Let the Beast destroy all the realms or find myself a date. Because now the fate of the world rested upon my shoulders. Relied on me to find the one mortal vessel strong enough to contain the Beast, by merging their souls as one. There was just one problem with this. I had made a Beast fall in love with me. And now... Now, I just hoped I had the same luck with Adam... The man I just fell madly in love with. Rise of Ashes Lego sets, Star Trek and junk food in my pyjamas, This used to be how I would spend my safe and lazy days off. Now, what am I doing with my time...? High-speed chases, running from Hellhounds, fighting witches, opening boxes that threaten the entire Vampire race, and stabbing bitches with my shoes. But hey, at least I get to wear a pretty dress on my date. Now all I can hope for is that it isn't one where people end up shooting at us again. That would be nice. And all this was because I fell in love with a Vampire King... A Vampire King, who claimed me. Wilson Literary Science Writing Award It is worse, much worse, than you think. The slowness of climate change is a fairy tale, perhaps as pernicious as the one that says it isn't happening at all, and if your anxiety about it is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible, even within the lifetime of a teenager today. Over the past decades, the term "Anthropocene" has climbed into the popular imagination - a name given to the geologic era we live in now, one defined by human intervention in the life of the planet. But however sanguine you might be about the proposition that we have ravaged the natural world, which we surely have, it is another thing entirely to consider the possibility that we have only provoked it, engineering first in ignorance and then in denial a climate system that will now go to war with us for many centuries, perhaps until it destroys us. In the meantime, it will remake us, transforming every aspect of the way we live-the planet no longer nurturing a dream of abundance, but a living nightmare. Draven's Afterlife Afterlife, just a place for an unhappy King to call home or soon to become a beacon of hope when a new waitress falls at his feet? The Gothic nightclub is about to welcome a new guest and this time it is one he can't control. As for Dominic Draven, the King of all Supernatural life, handling just one little Mortal named Keira, should be no problem for him...right?Wrong! As she is his Chosen One and not meant to be ruled by a domineering, overbearing, arrogant boss who is determined to keep her at arm's length. But instead, she is meant to achieve the impossible and crack the hard shell of an immortal King that is only now learning what it truly means to fall in love. This is the story of Afterlife, only from the eyes of its King. As you will finally follow Keira's journey all over again, only through Dominic Draven's point of view, giving it a whole new and exciting twist on the start of this epic saga. This is book one, in the new King of Kings saga, with book two to follow shortly after. Map of Sorrows It all started with a plane ride. Just a simple plane ride home... that's what they said. One that wasn't supposed to end with me flying the damn thing! But then going home wasn't supposed to be a bad thing either... well, that was if going home didn't also mean trying to hide my new, secret boyfriend. Someone who just so happened to be my father's old enemy. Should be easy right? Well, Lucius had other ideas, ones that included sneaking into my room, reading my diary, feeling me up and getting my panties in a twist about pretty much everything... literally. So, throw in an ancient vendetta, a curse, a witch, an old flame and a hot Vampire King trying to get in your pants at your father's table, and what you had was a recipe for only one thing... A world of hurt and a Map of Sorrows. Draven's Electus Afterlife Saga Draven has finally found his Electus. The one chosen by the Gods to be his soulmate and Queen. But after so many threats made against her life, the King of Kings has had no choice but to break her heart in order to save it. Now all he can hope for is once the threat has been eliminated, he will be free to claim what is rightfully his to take. Question is, will Keira ever forgive him?This is the story of Afterlife only from the eyes of its King. As you will finally learn Keira's journey all over again, only through Dominic Draven's point of view, giving a whole new and exciting twist on the start of this epic saga. Roots of Rage The plan had sounded simple, step into Hell and save a Tree. That was all I had needed to do. However, that plan was becoming more complicated by the minute and that list was growing eternally bigger. Like, killing demonic Queens. Removing Claiming Hexes. Outrunning hungry beasts. And mainly, trying not to piss off Vampire boyfriends any more than being constantly kidnapped down in Hell is likely to do. And now fate had chosen me to be its blood queen. Only one fuelled by... The Roots of Rage. Queen of Sins I should have felt it coming. I should have been prepared for saying goodbye. But then why would I when I had no reason not to trust him. When I had no reason to doubt his words. But now I was left only doubting my own. For surely Lucius would come for me? Surely, he would realise his mistakes. Because we both knew that mistakes in Hell could be deadly and well, for this Queen of Sins it could mean only one thing, My King was going to War and this time... He was Fighting his Past. Eyes of Crimston The plan was simple, step into Hell, find some infected roots, try my hand at fixing them, and then it was well done, Amelia, you saved the day! But I didn't bargain on a few factors set against me, the most obvious being that this... well this was Hell. And in this realm of Hell there were rules, there was a hierarchy, and as for me, I was at the bottom of it. A dangerous place to be, especially when the man at the top was known as a tyrant king. A heartless, cold and ruthless ruler. Oh, and one more thing... he just so happened to be my boyfriend. And he was... furious with me. The Deliberate Dumbing Down of America A Chronological Paper Trail In this book you will discover "how good teachers across America have been forced to use controversial, non-academic methodology in their classrooms; how "school choice" is being used to further dangerous reform goals, and how home schooling and private education are especially vulnerable; how workforce training (school-to-work) is an essential part of an overall plan for a global economy, and how this plan will shortcircuit your child's future career plans and opportunities; [and] how the international, national, regional, state and local agendas for education reform are all interconnected and have been for decades. The deliberate dumbing down of America is a chronological history of the past 100+ years of education reform. Each chapter takes a period of history and recounts the significant events, including important geopolitical and societal contextual information. Citations from government plans, policy documents, and key writings by leading reformers record the rise of the modern education reform movement"--Website: <http://www.deliberatedumbingdown.com/book.htm>. Kingdoms of Hell A 'date' he said. Just one date with a Vampire King who had been hunting me down for months... what could go wrong, right? One picnic, one witch, an ex-girlfriend out for my blood, and an army of zombie vampire rogues later, and what I had was an 'Alice in Wonderland' style cocktail for disaster! Because this Alice was about to have the mind trip of her life when peeking through the keyhole of Lucius' memories. All before falling down a rabbit hole to Hell, where the bunnies were more likely to stab you with a carrot before eating your soul! But hey, it's not like I had just been dumped in the middle of a Hellish battle with nothing but my wits to survive it, Oh no, wait... That had happened. And one other thing that was sure to happen when Lucius finally found me in Hell... He was going to kill me! Saint A Dark High School Romance At Angelview Academy, Saint Angelle is considered God.
