She's hell-bent on earning her dream job, Executive Chef. There's just one thing: her nemesis is vying for it, too. Well, that and the fact that an elusive assassin wants to see her fry. But as the date for the event approaches, things go disastrously wrong when the secretary of defense is found dead in his home, seemingly killed during a break-in. At the same time Olivia's fiancé, Gav, is looking into the mysterious murder of an old friend. Is there a connection?
