### Don't Believe the Hype: Life Is Long

*Xlibris Corporation* All of us have intuition that tells us what we need to do to make ourselves happy. As we learn to trust this intuition our lives become less stressful and more fulfilling because we are being true to ourselves and not following everyone else. This book is meant to inspire you to learn to trust that intuition, and find what works for you individually to calm your life and enhance it to the best of your ability. The writing style is playful and brings insight to serious topics so that the reader can relate and learn to enhance their life and decrease the stress that living can cause. The book jokes about dumb clichs that people use to try to comfort others, or to avoid the pain in life and the feelings that follow. It also teaches that if we do not feel the bad in life as well as the good, we will not grow. When we hit an obstacle in life, a decision is made whether to bang our head against the wall or try another direction to see where it leads. The point is to learn and grow in the process. The hope in this book is that you will think seriously about what you are doing to make yourself happy in this long life we are living.

### I'm Nobody

### My Mother Said It; I No Longer Believe It

*iUniverse* As sixteen-year-old Erma Steppe stood in a one-room apartment over a bar in Columbus, Ohio, her mother said to her, "You are nobody." With no money, no clothes, and a rumbling stomach, Erma retreated into herself as her angry and intoxicated mother continued a familiar rant. Erma had always been her victim. In her poignant autobiography, Erma Steppe shares her heartbreaking story of a life shaped by desperate attempts to hear the words "I love you" from her mother. Abandoned as a toddler, Erma's quest for love would lead her through years of abuse, neglect, broken glass, blood, and black eyes— through an uncertain childhood spent in and out of children's homes and foster homes. In her struggle to find her mother and reconcile her past, Erma embarks on an unforgettable journey through the darkness of abuse to reach a new life on the other side where she would eventually learn to heal, forgive, and most importantly, feel safe and loved. I'm Nobody offers a brutally honest glimpse into what it is like to grow up without a mother's love and how one woman reached from within and found the courage to survive despite facing insurmountable odds.

The Rationality of Religious Belief

Essays in Honour of Basil Mitchell

*Oxford University Press* These essays represent an important contribution to modern philosophical theology. They begin with an appreciation of Basil Mitchell's work and then discuss the role of reason in the justification of Christian theism, giving special attention to the nature of informal reasoning in religion and science. The latter essays examine particular arguments raised by specific religious concepts, covering such topics as the problem of evil, conspicuous sanctity, atonement, and the Eucharist. Drawn from a wide spectrum of philosophers and theologians, the contributors include Maurice Wiles, Grace M. Jantzen, Gordon Kaufman, J.R. Lucas, Rom Harré, Richard Swinburne, and Michael Dummett.

## At Swim, Two Boys

*Simon and Schuster* Praised as “a work of wild, vaulting ambition and achievement” by Entertainment Weekly, Jamie O’Neill’s first novel invites comparison to such literary greats as James Joyce, Samuel Beckett and Charles Dickens. Set during the year preceding the Easter Uprising of 1916—Ireland’s brave but fractured revolt against British rule—At Swim, Two Boys is a tender, tragic love story and a brilliant depiction of people caught in the tide of history. Powerful and artful, and ten years in the writing, it is a masterwork from Jamie O’Neill. Jim Mack is a naïve young scholar and the son of a foolish, aspiring shopkeeper. Doyler Doyle is the rough-diamond son—revolutionary and blasphemous—of Mr. Mack’s old army pal. Out at the Forty Foot, that great jut of rock where gentlemen bathe in the nude, the two boys make a pact: Doyler will teach Jim to swim, and in a year, on Easter of 1916, they will swim to the distant beacon of Muglins Rock and claim that island for themselves. All the while Mr. Mack, who has grand plans for a corner shop empire, remains unaware of the depth of the boys’ burgeoning friendship and of the changing landscape of a nation.

## The Crisis

The Crisis, founded by W.E.B. Du Bois as the official publication of the NAACP, is a journal of civil rights, history, politics, and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color. For nearly 100 years, The Crisis has been the magazine of opinion and thought leaders, decision makers, peacemakers and justice seekers. It has chronicled, informed, educated, entertained and, in many instances, set the economic, political and social agenda for our nation and its multi-ethnic citizens.
