Shopaholic on Honeymoon (Short Story)

Random House As readers of the Shopaholic series will know, I have never described Becky and Luke's honeymoon, which happens after they get married in Shopaholic Ties the Knot. So as a free update for Shopaholic fans, I have decided to share with you one of the adventures of the newly-wed Becky and Luke. I hope you enjoy it! Love Sophie x The new Mr and Mrs Brandon are on honeymoon, and Becky has big plans! They've got a whole year to explore Venice, learn yoga in India, sleep in little wooden huts in South America... maybe even see penguins in the Antarctic. And of course they'll need to buy just a few essential souvenirs along the way (everyone needs a set of Murano glass goblets, after all). They're not just tourists, they're travellers. Becky is sure it is just the thing that Luke needs - time to unwind. He'll come back a changed man... with all the good bits still intact of course. But it soon becomes clear that Luke has different plans entirely. Can Becky help him let go, or will this little disagreement threaten their whole honeymoon?

Shopaholic Ties The Knot

(Shopaholic Book 3)

Random House For once in Becky Bloomwood's life, things are going smoothly. She's got the dream job as a personal shopper (spending other people's money - and getting paid for it). She's got a fabulous Manhattan apartment with her boyfriend Luke. They've even opened a joint bank account (although they can't quite agree on whether a Miu Miu skirt counts as a household expense). Then Luke proposes - and all of a sudden life gets hectic. Becky's mum in rural Surrey wants one thing, Luke's mother in New York wants the complete opposite. Becky knows she has to sit down and decide - but to be honest, it's a lot more fun testing cake, trying on dresses and registering wedding presents. But time's ticking by, plans are being made both sides of the Atlantic and soon she realizes she's in trouble... The Party Crasher

A Novel

Dial Press Trade Paperback NATIONAL BESTSELLER • From the #1 New York Times bestselling author of Love Your Life comes a humorous and heartwarming novel about family and finding a second chance at love, set against the backdrop of the most fabulous party you've ever snuck into. "Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter."—Jojo Moyes, author of The Giver of Stars and The Last Letter from Your Lover It's been almost two years since Effie's beloved parents got divorced, destroying the image of the happy, loving childhood she thought she had. Since then, she's become estranged from her father and embarked on a feud with his hot (and much younger) girlfriend, Krista. And now, more earth-shattering news: They've sold Greenoaks, the rambling Victorian country house Effie has always called home. When Krista decides to throw a grand "house-cooling" party, Effie is originally left off the guest list—and then receives a last-minute "anti-invitation" (maybe it's because she called Krista a

gold-digger, but Krista totally deserved it, and it was mostly a joke anyway). Effie declines, but then remembers a beloved childhood treasure is still hidden in the house. Her only chance to retrieve it is to break into Greenoaks while everyone is busy celebrating. As Effie sneaks around the house, hiding under tables and peeping through trapdoors, she realizes the secrets Greenoaks holds aren't just in the dusty passageways and hidden attics she grew up exploring. Watching how her sister, brother, and dad behave when they think no one is looking, Effie overhears conversations, makes discoveries, and begins to see her family in a new light. Then she runs into Joe—the love of her life, who long ago broke her heart, and who's still as handsome and funny as ever—and even more truths emerge. But will Effie act on these revelations? Will she stay hidden or step out into the party and take her place with her family? And truthfully, what did she really come back to Greenoaks for? Over the course of one blowout party, Effie realizes that she must be honest with herself and confront her past before she'll ever be able to face her future.

Named One of the Hottest Reads of Summer 2022 by Today • Parade • PopSugar • USA Today • SheReads • BuzzFeed • BookBub • Bustle • and more! Six summers to fall in love. One moment to fall apart. A weekend to get it right. They say you can never go home again, and for Persephone Fraser, ever since she made the biggest mistake of her life a decade ago, that has felt too true. Instead of glittering summers on the lakeshore of her childhood, she spends them in a stylish apartment in the city, going out with friends, and keeping everyone a safe distance from her heart. Until she receives the call that sends her racing back to Barry's Bay and into the orbit of Sam Florek—the man she never thought she'd have to live without. For six summers, through hazy afternoons on the water and warm summer nights working in his family's restaurant and curling up together with books—medical textbooks for him and work-in-progress horror short stories for her—Percy and Sam had been inseparable. Eventually that friendship turned into something breathtakingly more, before it fell spectacularly apart. When Percy returns to the lake for Sam's mother's funeral, their connection is as undeniable as it had always been. But until Percy can confront the decisions she made and the years she's spent punishing herself for them, they'll never know whether their love might be bigger than the biggest mistakes of their past. Told over the course of six years and one weekend, *Every Summer After* is a big, sweeping nostalgic story of love and the people and choices that mark us forever.
