Puzzles range in complexity and details from beginner to advanced level. Give your special child something they'll remember!

Sure and Certain Methods of Attaining a Long and Healthful Life

With Means of Correcting a Bad Constitution, &c. Written Originally in Italian, by Lewis Cornaro, ... and Made English. the Third Edition

Gale Ecco. Print Editions The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Medical theory and practice of the 1700s developed rapidly, as is evidenced by the extensive collection, which includes descriptions of diseases, their conditions, and treatments. Books on science and technology, agriculture, military technology, natural philosophy, even cookbooks, are all contained here. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification: ++++ Bodleian Library (Oxford) N024299 With a half-title and an initial advertisement leaf, reprinted from the 'Spectator'. London: printed for Daniel Midwinter, 1722. [6], xviii, [2],120p.; 12°

Sunbeam Snake

All You Need To Know About Sunbeam Snake.

Sunbeam snakes (*Xenopeltis unicolor*) are relatively poorly known serpents, which immediately draw the interest of reptile enthusiasts, thanks to their unusual lifestyle and iridescent appearance. Although they aren't especially common in the pet trade, they can make very interesting and rewarding captive pets. Whilst most keepers will find sunbeam snakes to be fascinating pets, it is important to learn as much as you can about their biology, way of life and the habitats from which they hail to ensure they thrive in your hands. Inside, you will find all of the information you need to care for a sunbeam snake and ensure he enjoys a long and healthy life. By incorporating the lessons presented here and doing your best to remain observant of your new pet, success should be within your reach.

The Practical Guide to Corporate Social Responsibility

Do the Right Thing

Routledge Corporate social responsibility has gained substantial traction in recent decades but many still struggle with conveying the importance of integrating ethics and environmental and social values within the demands of a business world understandably concerned with making profit. First published in 2009 as 'Do the Right Thing', The Practical Guide to Corporate Social Responsibility guides you through the basics, teaching how to recognise CSR benefits and put principles into practice in a business-focussed way. This new edition helps readers get to grips with improving their organisation's environmental management, sustainability, health and safety and trading ethics with straightforward guidance and tips. A new 'Do The Right Thing' Model assists organisations with identifying risks and frames corporate social responsibility in a business context accessible to all. Features include: An updated Do the Right Thing Model aligned to the new ISO high level structure for management system standards 20 global case studies to demonstrate how the model can impact performance A corporate social responsibility policy template for your organisation's use Helpful 'Test your thinking' exercises to check your understanding and stretch your working knowledge 100 practical actions for you to start implementing today This is an essential introduction to the complex areas of corporate social responsibility that affect health and safety practitioners, environmental managers, human resources personnel and those working with quality and business assurance. It will also be critical reading for those looking to understand how CSR fits into the new high level structure of ISO 9001, ISO 14001 and ISO 45001.

Surviving Recovery

FriesenPress Surviving Recovery offers a glimpse at the highs and lows of a life of addiction. Through personal, rhyming verse, these poems explore cycles of self-destruction, strained relationships, loss and grief, relapse, and, ultimately, the humility of recovery. From drug deals in roadside motels to forgiveness and love, this book captures both personal shortcomings and the strength required to move forward and learn to be oneself again.

Super Ring

Trafford on Demand Pub Super Ring is a short fiction novel full of action that blends real and supernatural powers. A crime syndicate, who kidnaps healthy people and extracts all their organs for the international black market, has recently transferred operation to Camanor, a peaceful community who are mostly members of the once powerful Sabang tribe. Police Chief Joshua Dean, a pure Sabang descendant was abducted by the syndicate while investigating mysterious disappearance of several Camanor residents. Fearing for Joshua's life, his seventeen-year-old son, Nathan, sought help from the spirits through High Cloud, the great ancient leader of the Sabang tribe. Nathan was given a magical ring that bestowed

on him incredible powers. With his natural ability, enormous power from the super ring and ancient weaponry provided by a mysterious Sabang elderly, Nathan ultimately located the syndicate's headquarters, vanquished the ruthless criminals and rescued Joshua and the other victims."

Danger on the Page

A Fiction Writer's Guide to Sex, Violence, Dead Narrators, and Other Challenges

[ForeEdge from University Press of New England](#) Although fiction writers must concern themselves with "big picture" issues such as plot, theme, and character development, much of the day-to-day work of writing involves finding answers to seemingly minor questions: How should I describe the exterior of a house? How can I construct the voice of a historical narrator with authenticity? How should I depict a physically atypical character? Few books on the market address the problems and opportunities present in these and other questions, yet they are the ones that most writers grapple with on a daily basis. *Danger on the Page: A Fiction Writer's Guide to Sex, Violence, Dead Narrators, and Other Challenges* identifies and explores some of the more common and intractable situational challenges of fiction writing, with chapters grouped into the general subject areas such as scenes, characters, points of view, and settings. Shawver delves into the pitfalls and opportunities of writing about sex, violence, sports, and love; he examines writing from the perspective of a different race, gender, or species; he interrogates conventional beliefs about the use of brand names, the description of architecture, and the portrayal of nature. Throughout, he gives dozens of examples from both literary and commercial fiction so readers can borrow (or reject) other writers' techniques and explore the myriad challenges of fiction writing on their own. A lively and witty approach to a diverse range of specific writing issues, Shawver's book will appeal especially to intermediate-level writers seeking to bring their craft to the next level.

Confessions of a Guidette

[Simon and Schuster](#) A loud, wild, cuddly and in-your-face party girl with sky-high hair and a spray tan, the pint-size Snooki has emerged as the breakout star of the wildly successful *Jersey Shore*. She's been parodied on *Saturday Night Live*, appeared on almost every major talk show (including Leno and Conan), was featured in the *New York Times*, and has more than 300,000 followers on Twitter. Snooki also has attracted a slew of celebrity fans, like Leo DiCaprio, Sean "Diddy" Combs, Ashton Kutcher, Demi Moore, Zach Braff and Tinsley Mortimer. This attractively designed full colour book will feature tons of photos, tips, and fascinating details from American's favourite guidette and will be a must have for fans of Snooki and *Jersey Shore*. * Snooki Style: The poof never dies; Waving, streaking and bangin' it - my other sick hairstyles; Why orange you tan; The guidette wardrobe - what to rock. * Guidos, Gorillas & Juiceheads: What I look for in a gorilla; Different types of gorillas; How to break up with a guido so he isn't a stage-5 cling; Warning signs that the guy is a creeper; 5 sure signs a guy isn't a guido. * How To Be a Guidette: The Guidette Pose; 12 things a guidette would never do; The Snictionary, or a Guidette's favourite words.

Facilitator's Guide to Failure Is Not an Option®

6 Principles for Making Student Success the ONLY Option

[Corwin Press](#) Aligning theory with practice, chapter-by-chapter activities and discussion questions examine the critical role of a strong learning community in implementing effective school reform, with a focus on Blanksteins six guiding principles: Common mission, vision, values, and goals Systems for prevention and intervention Collaborative teaming for teaching and learning Data-driven decision making and continuous improvement Active engagement from family and community Building sustainable leadership capacity With the *Facilitators Guide to Failure Is NOT an Option™*, you can effectively lead others through dialogue, reflection, and application of Blanksteins principles. It is an ideal resource for school principals, district administrators, teacher leaders, and educational policy makers, and perfect for groups of any size-pairs, small workshops, and large seminars.

Field Manual of Michigan Flora

[University of Michigan Press](#) A comprehensive guide to Michigan's wild-growing seed plants

Eutrophication Management and Ecotoxicology

[Springer Science & Business Media](#) This book bridges the gap between ecotoxicology and limnology, offering an ecotoxicological perspective on lake management. The text describes eutrophication of shallow, temperate lakes, and examines the influence of toxic substances on the aquatic ecosystem, and proposes that nutrients like phosphorus are not the only important factor in explaining and managing eutrophication. Draws on a range of studies and experiments, some presented here for the first time.

Free Radicals in Biology

[Elsevier](#) *Free Radicals in Biology, Volume V* covers the mechanisms for the generation of free radicals. This volume contains eight chapters that discuss the biology and chemistry of oxy-radicals in mitochondria and the radical-mediated metabolism of xenobiotics. The opening chapter describes the mechanisms of free radical production in enzymatically promoted lipid peroxidation, generally in microsomes or microsomal lipids. The subsequent chapters explore the biochemistry and biology of plant and animal lipoxigenases; the production of superoxide and hydrogen peroxide in mitochondria; and the biological role of these species in mitochondria and related systems. The discussions then shift to the effects of superoxide production in white blood cells, with an emphasis on an evaluation of the oxygen-dependent reactions of the important phagocytic cells, the monocytes, and the polymorphonuclear leukocytes. This volume further covers the formation and the role of oxy-radicals in the red blood cell, which is a very useful system for studying the protection of biological tissue against radical-mediated damage. A chapter presents a comprehensive review of the production of free radicals during the metabolism of xenobiotics. The last chapters provide an overview of the enzymology, biological functions, and free radical chemistry of glutathione peroxidase. These chapters also examine a number of gerontological principles and the effect of antioxidants in aging. Chemists, biologists, and physicists will find this book of great value.

Surviving the Fishbowl

Letters to Pastors' Kids

[Reformation Heritage Books](#) Pastors' kids have it hard, feeling the weight of undue expectations and the observing world around them. In *Surviving the Fishbowl*, Catherine J. Stewart assembles an experienced group of authors to give advice for those feeling the pressure of life lived in the scrutinized house of a minister. With contributions from pastors and their wives, as well as from former pastors' kids, this book gives sage advice for those navigating difficult waters. Whether you are pastor's kid struggling to understanding your identity, dealing with troubling social pressures, or just wishing you could escape it all, read this book and see that these trying days are survivable and even attended with blessings you may not have considered before. Table of Contents: Foreword by David Strain Part 1: Laying the Foundation 1. Identity Crisis: PK or Child of the King?—Jasmine Holmes 2. Expectations: Who Sets the Standard?—Megan Hill 3. Count Your Blessings: Enjoying the Benefits of Being a PK—Joel and Mary Beeke 4. Friendships: The Glorious Gift of Extended Family—Terry and Emily Johnson 5. Loving the Church: Pressing on Through Family Highs and Lows—Tom and Donna Ascol Part 2: Sharks in the Bowl 6. Criticism: The Godly Response—Mike and Mae Milton 7. Loneliness: Choice or Inevitability?—Amanda Martin 8. Cultural Change: Adapting to New Surroundings—Carl and Catriona Trueman 9. Depression: The Dark Night of the Soul—Neil and Catherine Stewart 10. Rebel PK: The One that Got Away (Almost)—Ike Reeder 11. Financial Crisis: High Calling with a High Price—Daniel Wakefield

De Rerum Natura Liber Tertius

Hardpress Publishing Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

T.C. Boyle Stories II.

The Collected Stories of T. Coraghessan Boyle

Viking Adult A second volume of stories by the best-selling author of Drop City includes 14 previously uncollected works and is complemented by a preface reflecting on his career and the art of story writing.

Suleiman the Magnificent

The Life and Legacy of the Ottoman Empire's Most Famous Sultan

*Includes pictures *Includes online resources and a bibliography for further reading In terms of geopolitics, perhaps the most seminal event of the Middle Ages was the successful Ottoman siege of Constantinople in 1453. The city had been an imperial capital as far back as the 4th century, when Constantine the Great shifted the power center of the Roman Empire there, effectively establishing two almost equally powerful halves of antiquity's greatest empire. Constantinople would continue to serve as the capital of the Byzantine Empire even after the Western half of the Roman Empire collapsed in the late 5th century. Naturally, the Ottoman Empire would also use Constantinople as the capital of its empire after their conquest effectively ended the Byzantine Empire, and thanks to its strategic location, it has been a trading center for years and remains one today under the Turkish name of Istanbul. In the wake of taking Constantinople, the Ottoman Empire would spend the next few centuries expanding its size, power, and influence, bumping up against Eastern Europe and becoming one of the world's most important geopolitical players. It was a rise that would not truly start to wane until the 19th century, and the most influential ruler who helped bring the "Pax Ottomana" about was Suleiman the Magnificent. By the time of Suleiman's ascension, the Ottoman Empire was already in good condition. It was politically stable, culturally flourishing, dominating trade in the area, and in possession of a superior military organisation, which allowed Suleiman I to continue his predecessors' work without much need to change the direction of the empire. Selim's aggressive rule left the Janissaries efficient and strong, the Mamluks defeated, and the holy cities subsumed into the empire. The Republic of Venice in the west, as well as the Safavids in the east, had been weakened, and for the first time, the Ottoman had a fleet able to challenge old trade structures and rise as a new dominant power on the seas. Things were going well, and Suleiman intended to keep it that way. Suleiman would rule for about 45 years, during which the Ottoman Empire reached its greatest extent, both in terms of expansion and culture. His reforms made the Ottomans arguably the world's most powerful force on land and at sea. It was during his reign that the Ottomans made their most forceful incursions into Europe, greatly changing the way alliances and power were balanced on that continent. The time after Suleiman's death was once recognized by scholars and historians as the "Decline of the Ottoman Empire," but this consensus opinion changed in the 1980s and is now commonly referred to as the "Era of Transformation." The following years were not necessarily a decline but a shift in the empire's focus, where the constant expansion and warring halted in exchange for internal stability. The focus would necessarily shift to maintaining the status quo as one of the world's leading empires, a difficult quest when the Habsburg takeover of the Holy Roman Empire and the beginning of the colonial period as initiated by Spain and Portugal are taken into consideration. Suleiman the Magnificent: The Life and Legacy of the Ottoman Empire's Most Famous Sultan chronicles Suleiman's life and accomplishments, and the massive impact he had on his empire and the world around him. Along with pictures of important people, places, and events, you will learn about Suleiman like never before.

Wolf Rising

Sourcebooks, Inc. "Intense action, sizzling romance, and bold writing... Paige Tyler has a new fan in me!"—LARISSA IONE, New York Times Bestselling Author, for Wolf Hunger Just when he's found The One...he might lose her. SWAT Officer Jayden Brooks doesn't believe there's a soul mate out there for him—The One. But when he saves high school teacher Selena Rosa from a hostage situation, he knows he's in big trouble. Her scent is irresistible. Selena finds the big cop irresistible, too. In fact, the buttoned-up teacher gets a little carried away—during a steamy make-out session, she bites him. Turns out, the traumatizing events at the school triggered her werewolf gene. Fangs and claws are appearing and her aggression is out of control. The change is happening, and Selena doesn't understand. It's going to take everything Brooks has to pull her back from the edge...and ultimately win her heart. Research Studies in Organic & Organometallic Chemistry: by Mei Luo

[Index of Sciences Limited](#) This book aims to provide a comprehensive set of basic notes in a novel and efficient one-pot synthesis with specific reference to 2-Oxazolines from the Benzoylacetonitrile and simple one-pot synthesis of β -aminoalcohols and Salicylamide and 2,5-di-phenylhydrazine.

DFSMStvs Overview and Planning Guide

This IBM Redbooks publication describes how DFSMStvs works, how and when you might use it, and what you need to consider in your plans. This book should be of interest to you if you want to understand how you can increase the service hours of a CICS/VSAM system by reducing or eliminating the batch window, or if you want to run multiple concurrent batch jobs updating common VSAM data sets. This book is written for readers who have some knowledge of CICS, VSAM, and VSAM Record Level Sharing, and who wish to understand more about DFSMStvs. The book reviews how existing products work. It introduces DFSMStvs, offering more detail on how it works, how you might migrate to it, and how you can change your applications or write new applications to exploit it. This is a companion volume to the DFSMStvs Application Migration Guide, SG24-6972, which contains practical examples of migrating programs to run in a DFSMStvs environment, and the DFSMStvs Presentation Guide, SG24-6973, which contains an overview presentation of DFSMStvs.
