KEY=NAIL - MELTON CUNNINGHAM

Solomon the Rusty Nail

Farrar, Straus and Giroux (BYR) Solomon the bunny can turn himself into a rusty nail! "Steig combines a tale of uncanny transformation with his distinctively animated illustrations...Children will love this bizarre tale with its humorous drawings and lively sense of fun." --Pointer, Kirkus Reviews "Beautifully written and illustrated by paintings reflecting the sunny colors of spring...A classic by a peerless artist."--Publishers Weekly

Caleb & Kate

When Caleb finds himself transformed into a dog and is unable to tell his wife his true identity, he decides to become her companion.

Twelve Years a Slave

Prabhat Prakashan "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Gorky Rises

Farrar, Straus and Giroux (BYR) One fresh and fair summer day, as soon as his parents go out, Gorky sets up his laboratory by the kitchen sink to have another try at concocting a magic potion. This time he strikes upon the missing ingredient--half a bottle of his mother's attar of roses--and he knows it's success at last. While he is waiting for the bubbly, glinting liquid to show what it can do, he heads over to Elephant Rock, "his best spot for doing nothing." But on the way he stops to bask in the sun, soon falls asleep--and wakes to find himself floating in the immensely blue sky, clutching his bottle of magic. There follows the most astonishing, bewildering, and bedazzling adventure a young frog could possibly have. Orbiting the globe has its ups and downs, however, and Gorky soon begins to wonder if he'll ever get back to earth. He does manage to outwit the magic; but the potion saves a last surprise until Gorky reaches Elephant Rock, just on day later than he had planned. Gorky Rises is a 1980 New York Times Book Review Best Illustrated Book of the Year, Notable Children's Book of the Year, and Outstanding Book of the Year.

The Savage Tales of Solomon Kane

Del Rey With Conan the Cimmerian, Robert E. Howard created more than the greatest action hero of the twentieth century—he also launched a genre that came to be known as sword and sorcery. But Conan wasn't the first archetypal adventurer to spring from Howard's fertile imagination. "He was . . . a strange blending of Puritan and Cavalier, with a touch of the ancient philosopher, and more than a touch of the pagan. . . . A hunger in his soul drove him on and on, an urge to right all wrongs, protect all weaker things. . . . Wayward and restless as the wind, he was consistent in only one respect—he was true to his ideals of justice and right. Such was Solomon Kane." Collected in this volume, lavishly illustrated by award-winning artist Gary Gianni, are all of the stories and poems that make up the thrilling saga of the dour and deadly Puritan, Solomon Kane. Together they constitute a sprawling epic of weird fantasy adventure that stretches from sixteenth-century England to remote African jungles where no white man has set foot. Here are shudder-inducing tales of vengeful ghosts and bloodthirsty demons, of dark sorceries wielded by evil men and women, all opposed by a grim avenger armed with a fanatic's faith and a warrior's savage heart. This edition also features exclusive story fragments, a biography of Howard by scholar Rusty Burke, and "In Memoriam," H. P. Lovecraft's moving tribute to his friend and fellow literary genius.

Yellow & Pink

Farrar, Straus and Giroux (BYR) Steig's witty dialectic on the nature of existence. As a yellow and a pink puppet bask in the sun, allowing their paint to dry, they try to determine where they came from. But as soon as they've settled on a solution, a strange man unsettles their theory.

The Book of Ecclesiastes Explained

The Book of Goetia, Or the Lesser Key of Solomon the King [Clavicula Salomonis]. Introductory Essay by Aleister Crowley.

Martino Fine Books 2010 Reprint of 1903 Edition. The Book of Goetia, or the Lesser Key of Solomon the King [Clavicula Salomonis]. Introductory essay by Aleister Crowley. The Lesser Key of Solomon or, Clavicula Salomonis, is an anonymous 17th-century grimoire, and one of the most popular books of demonology. It has also long been widely known as the Lemegeton. It appeared in the 17th century, but much was taken from texts of the 16th century and late-medieval grimoires. It is likely that books by Jewish kabbalists and Muslim mystics were also inspirations. Some of the material in the first section, concerning the summoning of demons, dates to the 14th century or earlier. The book claims that it was originally written by King Solomon, although this is certainly incorrect. The Lesser Key of Solomon contains detailed descriptions of spirits and the conjurations needed to invoke and oblige them to do the will of the conjurer (referred to as the "exorcist"). It details the protective signs and rituals to be performed, the actions necessary to prevent the spirits from gaining control, the preparations prior to the invocations, and instructions on how to make the necessary instruments for the execution of these rituals.

Ignition!

An Informal History of Liquid Rocket Propellants

Rutgers University Press This newly reissued debut book in the Rutgers University Press Classics Imprint is the story of the search for a rocket propellant which could be trusted to take man into space. This search was a hazardous enterprise carried out by rival labs who worked against the known laws of nature, with no guarantee of success or safety. Acclaimed scientist and sci-fi author John Drury Clark writes with irreverent and eyewitness immediacy about the development of the explosive fuels strong enough to negate the relentless restraints of gravity. The resulting volume is as much a memoir as a work of history, sharing a behind-the-scenes view of an enterprise which eventually took men to the moon, missiles to the planets, and satellites to outer space. A classic work in the history of science, and described as "a good book on rocket stuff...that's a really fun one" by SpaceX founder Elon Musk, readers will want to get their hands on this influential classic, available for the first time in decades.

The Noonday Demon

An Atlas Of Depression

Simon and Schuster The author offers a look at depression, drawing on his own battle with the illness and interviews with fellow sufferers, researchers, and doctors to assess the disease's complexities, causes, symptoms, and available therapies.

The Amazing Bone

Farrar, Straus and Giroux (BYR) It's a bright and beautiful spring day, and Pearl, a pig, is dawdling on her way home from school. Most unexpectedly, she strikes up an acquaintance with a small bone. "You talk?" says Pearl. "In any language," says the bone. "And I can imitate any sound there is." (Its former owner was a witch.) Pearl and the bone immediately take a liking to each other, and before you know it she is on her way home with the bone in her purse, left open so they can continue their conversation. Won't her parents be surprised when she introduces her talking bone! But before that happy moment comes, the resourceful bone must deal with a band of highway robbers in Halloween masks and, worse, a fox who decides that Pearl will be his main course at dinner that night. And deal it does, with gambits droll and thrilling. William Steig, incomparable master of the contemporary picture book, has never been better than in *The Amazing Bone*. *The Amazing Bone* is a 1976 New York Times Book Review Notable Children's Book of the Year and Outstanding Book of the Year, a 1977 Caldecott Honor Book, and a 1977 Boston Globe - Horn Book Awards Honor Book for Picture Books.

Devilspel

Red Nails

Lulu.com One of the strangest stories ever written-the tale of a barbarian adventurer, a woman pirate, and a weird roofed city inhabited by the most peculiar race of men ever spawned! VALERIA, a woman pirate forced to join a mercenary army, killed an officer and fled into the wilderness. Conan, a Cimmerian, followed her, and caught up with her in a forest after a long pursuit. And that was just the beginning of this great yarn. This book contains the original text as it first appeared in WEIRD TALES pulp magazine as well as all of the original illustrations which accompanied this serial. This was the last Conan story written by Robert E. Howard and was published posthumously.

The 1928 Book of Common Prayer

Oxford University Press The 1928 Book of Common Prayer is a treasured resource for traditional Anglicans and others who appreciate the majesty of King James-style language. This classic edition features a Presentation section containing certificates for the rites of Baptism, Confirmation, and Marriage. The elegant burgundy hardcover binding is embossed with a simple gold cross, making it an ideal choice for both personal study and gift-giving. The 1928 Book of Common Prayer combines Oxford's reputation for quality construction and scholarship with a modest price - a beautiful prayer book and an excellent value.

In 1914, Joey, a beautiful bay-red foal with a distinctive cross on his nose, is sold to the army and thrust into the midst of the war on the Western Front. With his officer, he charges toward the enemy, witnessing the horror of the battles in France. But even in the desolation of the trenches, Joey's courage touches the soldiers around him and he is able to find warmth and hope. But his heart aches for Albert, the farmer's son he left behind. Will he ever see his true master again?

Sophie's World

Hachette UK The international bestseller about life, the universe and everything. When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, SOPHIE'S WORLD sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.

Ulysses

Roland the Minstrel Pig

Farrar, Straus and Giroux (BYR) Roland the pig plays the lute and sings so sweetly that his friends never have enough of listening to him. He has bigger dreams, though, so he decides to take his show on the road and share his music with the world. He has a hard time finding an audience and is lonely at first, but then a fox named Sebastian appears and offers to take him to perform before the King. Little does Roland know, Sebastian actually plans on eating him. Just as Sebastian starts to lower Roland over a firepit to roast him and all seems lost, the King appears to save the day, and both Sebastian and Roland get the ending they deserve. Roland the Minstrel Pig is a classic picture book by Shrek creator William Steig.

Marikit and the Ocean of Stars

Farrar, Straus and Giroux (BYR) A magical middle grade debut, inspired by Filipino folklore, about a ten-year-old girl who embarks on a quest in the world of gods and spirits to save her and her family from a sinister shadow god. Perfect for fans of *The Girl Who Drank the Moon* and *When You Trap a Tiger*. A Junior Library Guild Selection Marikit is used to wearing recycled clothes. Her mother, the best seamstress in the barrio, has become an expert at making do ever since Marikit's father and brother were lost at sea. But for her tenth birthday, all Marikit wants is something new. So when her mother gifts her a patchwork dress stitched together with leftover scraps from her workshop, Marikit vows to never wear it. That is, until the eve of her birthday, when shadow creatures creep into their home, attempt to take Marikit away, and upend the very life she knew. When she's swept away from the human world, Marikit discovers that her dress is a map, one lovingly crafted to lead her to safety in the magical lands of the Engkantos. She trudges through the enchanted lands of mythical creatures, making friends out of monsters and challenging gods. With the help of her friends, including an exuberant firefly and a cursed boy, Marikit journeys through the land of the Engkantos to find the key to saving her family, all without being eaten alive.

Tiffky Doofky

A Picture Book

Farrar, Straus and Giroux (BYR) Tiffky Doofky, garbage collector for the town of Popville, is proud of his calling, and quite a gay dog into the bargain. One fine spring morning, while he's making his rounds, it comes to him that something special is going to happen. Madame Tarsal, the fortuneteller, confirms his hunch and predicts that he will meet his true love that very day--before the sun goes down! "Nothing you can do can keep it from happening," she quacks, and the excited Tiffky kisses her right on the bill. The day turns out to be far from ordinary, but not in the way Tiffky Doofky, or even Madame Tarsal, had expected. A bad-tempered witch is at work here, though she looks just like a harmless old biddy, with her bicycle and red babushka. Tiffky's adventures under her spell take him so far from Popville and so close to sunset that he begins to despair of ever meeting his beloved. He even decides that Madame Tarsal ought to get a new crystal ball. But just as the sun is touching the horizon, Tiffky has his most perilous encounter, and it brings an ending entirely satisfactory to all, in this charming story from William Steig.

Make Ink

A Forager's Guide to Natural Inkmaking

Abrams "The pigments he concocts from these humble beginnings are as fun to make as they are eye-opening to work with . . . the world never quite looks the same." —MarthaStewart.com A 2018 Best Book of the Year—The Guardian The Toronto Ink Company was founded in 2014 by designer and artist Jason Logan as a citizen science experiment to make eco-friendly, urban ink from street-harvested pigments. In *Make Ink*, Logan delves into the history of inkmaking and the science of distilling pigment from the natural world. Readers will learn how to forage for materials such as soot, rust, cigarette butts, peach pits, and black walnut, then how to mix, test, and transform these ingredients into rich, vibrant inks that are sensitive to both place and environment. Organized by color, and featuring lovely minimalist photography throughout, *Make Ink* combines science, art, and craft to instill the basics of ink making and demonstrate the beauty and necessity of engaging with one of mankind's oldest tools of communication. "Logan demystifies the process, encouraging experimentation and taking a fresh look at urban environments." —NPR "The book is full of inspiration and takes a lot of the mystery out of ink making, at least at its simplest level. And it also reminds me why I love ink—any ink or liquid color as much as I do." —The Well-Appointed Desk "Quite a few recipes . . . that use color from the kitchen: carrots, black beans, blueberries, turmeric, and onion skins all make beautiful ink colors." —Design Observer "Make Ink opens up about methods, providing an open source guide to DIY ink." —CityLab

Debt

The First 5,000 Years

Melville House Publishing Economic history states that money replaced a bartering system, yet there isn't any evidence to support this axiom. Anthropologist Graeber presents a stunning reversal of this conventional wisdom. For more than 5000 years, humans have used elaborate credit systems to buy and sell goods. Since the beginning of the agrarian empires, humans have been divided into debtors and creditors. Through time, virtual credit money was replaced by gold and the system as a whole went into decline. This fascinating history is told for the first time.

The Toy Brother

Farrar, Straus and Giroux (BYR) Yorick Bede has always considered his younger brother, Charles, a first-rate pain in the pants, and Charles thinks the same of Yorick. One day Yorick plays with his alchemist father's potions, and he accidentally shrinks himself to the size of a cockroach. Now suddenly Charles is the big brother. Though it's tempting to leave Yorick as a shrunken version of himself to teach him a lesson, Charles and the rest of the Bede family protect Yorick and tinker with more and more potions until they find the right one to bring back him back to his normal size.

Global Release Paperback

Sir Gawain and the Green Knight

W. W. Norton Simon Armitage's "compulsively readable, energetic, free-flowing, high-spirited version" (Edward Hirsch, *The New York Times*) of *Sir Gawain and the Green Knight* offers "a brilliantly well-tuned modern score for one of the finest surviving examples of Middle English poetry" (*Poetry Review*) that "recreates the original's gnarled, hypnotic muscle, its tableaux and landscapes, and its weird, unsettling drama" (Mark Ford, *the Financial Times*). This edition, revised by Armitage with advice from scholars Alfred David and James Simpson, also offers a new introduction by the translator.

Little Juniper Makes It BIG

Farrar, Straus and Giroux (BYR) Aidan Cassie, the creator of *Sterling, Best Dog Ever*, employs her pitch-perfect humor and heartwarming illustrations here again to help little ones love themselves at any size in *Little Juniper Makes It BIG*. What Juniper lacks in size, she makes up for in heart. And her heart is dead-set on growing up and getting taller. She's tired of having to reach for the cookie jar or use a stepping stool for the toilet. Everything in Juniper's world seems to be made for adults. Ugh! Juniper is industrious, however, and builds several silly contraptions to help reach her goals. But it isn't until she makes a fun new friend at school, Clove, who is even smaller than Juniper, that she is able to see her world from a new perspective—and appreciate all sizes, big or small.
