**The Maya Book of Life Understanding the Xultun Tarot** *Kahurangi Press* **THE MAYA BOOK OF LIFE: UNDERSTANDING THE XULTUN TAROT** is the companion book to the Xultun Tarot Classic Edition. It explores the archetypes and alchemy of the major arcana of the Xultun Tarot through indigenous teachings and the analytical psychology of C G Jung and casts new light on the meaning of 2012. The Xultun Tarot was created by Peter Balin in 1976 based on images from Maya history and culture. Taken from a single painting, it is the only tarot deck where the major arcana form a complete picture. This picture is a symbolic image of the alchemical marriage of spirit and matter and a map of what Jung called the individuation process. Only 500 copies of the original Xultun Tarot were ever printed. Now Kahurangi Press ([xultun.com](http://xultun.com)) has recreated this classic, long out-of-print deck true to its original large size and vibrant colours together with a book that explains the profound symbolism of the cards. Michael Owen is a clinical psychologist in private practice and author of *Jung and the Native American Moon Cycles*. He lives in New Zealand. **Xultun Tarot The Maya Tarot Deck** *U S Games Systems* Revised edition of the 78-card Mayan Tarot deck based on sketches by Peter Balin of glyphs found on wooden lintels and stone steles at Tikal, Guatemala. The Major Arcana join together to make one picture. The Minor Arcana cards are titled English/French/German/Italian/Spanish. **Flier in English. Kaleidadope Tarot A Dope Deck** Where the universe, intuition, color and culture meet. **Toltec Tarot** *Toltec Center Of Creative* | A wonderful Visioning and Energy work tool that will open your perception of reality into realms of mystery and magic, while helping you clear out limiting and heavy beliefs. These beautiful books are blessed with 22 new and original images created by Indigo

Flores in collaboration with Heather Ash just for this book. Incorporating symbols and places from Teotihuacan Mexico and the teachings of the Toltec into the base concepts of the tarot has created an incredible beauty in each card that will truly astound you. Each card has an inspiring poem created just for it by Heather Ash, awesome seeds that will empower you to truly channel the energy of each card. There is a 20 page introduction to the tarot and a page of information for each card that has never before been taught. *Flight of the Feathered Serpent Lotus Press Guide to the Xultun (Mayan) Tarot Deck*. Peter Balin, the painter of the Xultun Tarot deck, has written a book about the tarot and the Maya Indians' view of the world. Although the approach is new and deals with American knowledge, it will serve all Tarot decks regardless of their origin. The reader journeys with the Fool towards the impeccability of the sorcerer, with each step along the way clearly defined. The graphics alone are so spellbinding that even if you are not interested in the Mayas or the tarot, there is something in this book for you. *The Book of Shadows Tarot Mary K. Greer's 21 Ways to Read a Tarot Card Llewellyn Worldwide* Drawing on nearly forty years of tarot experience, Mary K. Greer has developed a new energizing approach-made up of twenty-one stimulating techniques to interpret or deepen your understanding of each card. Just as the twenty-six letters of the alphabet can be combined to form billions of words, Greer's twenty-one methods can be used in any combination for gaining amazing new insights and perspectives. Emphasizing both traditional and personal methods of interpretation, Greer's techniques involve storytelling, sketching, symbols, metaphors, dialogues, acting, and other imaginative exercises. Designed to bring about interaction, transformation, and empowerment, this twenty-one-pronged approach to tarot can help readers expand standard interpretations and evolve new ways of connecting to the cards. Winner of the Coalition of Visionary Resources Award for Best Divination Book *The Codex Borgia A Full-Color Restoration of the Ancient Mexican Manuscript Courier Corporation* First republication of remarkable repainting of great Mexican codex, dated to ca. AD 1400. 76 large full-color plates show gods, kings, warriors, mythical creatures, and abstract designs. Introduction. *Innovation in Esotericism from the Renaissance to the Present Palgrave Macmillan* This collection explores the role of innovation in understanding the history of esotericism. It illustrates how innovation is a mechanism of negotiation whereby an idea is either produced against, or adapted from, an older set of concepts in order to respond to a present context. Featuring contributions from distinguished scholars of esotericism, it covers many different fields and themes including magic, alchemy, Rosicrucianism, Theosophy, Tarot, apocalypticism and eschatology, Mesmerism, occultism, prophecy, and mysticism. *Frauds, Myths, and Mysteries Science and Pseudoscience in Archaeology Mayfield Publishing Company* The ancient rock art on the cover decorates the walks of Indian Creek Canyon in Newspaper Rock State Park, Utah, near Canyonlands National Park. What could its symbols and horned figures represent? Are

they a Native American observer's depiction of space-suited extraterrestrials who once explored the American continent? Or do the images reflect the human imagination, blending, human and animal elements into new mythical beings? Ken Feder addresses questions such as these in this entertaining and informative exploration of fascinating frauds and genuine mysteries. Through well-chosen examples, he demonstrates what is - and what is not - the scientific method; in the process, he clearly conveys why the veritable past is as exciting and intriguing as the fantasies concocted by the purveyors of pseudoscience. New to this Edition: 25% more illustrations, including side by side photographic comparisons in Chapter 6, 8, and 9; additional topics, including tabloid anthropology, the deconstructionist challenge to science, tracing the source of skeletal populations through mitochondrial DNA analysis, the so-called Mars face, the New Age use of Native American beliefs and Native Americans' reactions, the Ice Man, Chauvet Cave and our understanding of cave painting, and more.

**How to Practice Mayan Astrology The Tzolkin Calendar and Your Life Path** *Simon and Schuster* A contemporary and practical guide to Mayan astrological techniques • Discusses the logic and meaning of the 20 day-signs of the Mayan calendar • Explains the many cycles of Mayan astrology, such as the 9-day cycle of the Night Lords and the 13-day trecena • Contains extensive tables of Mayan astrological data, allowing readers to cast their own Mayan horoscopes

**How to Practice Mayan Astrology** presents a contemporary guide to one of the most sophisticated astrological systems ever developed. Like other ancient peoples, the Maya looked to the cycles of the planets as markers of time and designators of order. The predictable cycles they observed became codified in the Mayan calendar and astrological system as a way of organizing the seeming chaos of human life. Mayan astrology is based on 20 named days that are cycled 13 times to create a 260-day calendar, the Tzolkin. The authors explain the symbolism, logic, and meaning of the 20 day-signs; how these signs reflect 260 possible personality types; and how they can be used for divination. They also explain the important role of the Four Directions and the planet Venus in one's personality matrix and life issues. Included are extensive, easy-to-use tables of Mayan astrological data, allowing readers to determine their day-signs, to see how these signs are also influenced by the cycle of the Night Lords and the 13-day trecena, and to cast their own horoscopes.

**The Book of Thoth - Etteilla Tarot** Here is an exciting new "historical" deck from Lo Scarabeo. If you found Etteilla's Esoteric Ancient Tarots fascinating in structure and symbolism, but thought the art stark and unsophisticated, this deck will be a dream come true. True to the spirit of Etteilla, the art retains an antique feel while being sophisticated enough to please the modern palate.

**Tarot and Psychology Spectrums of Possibility** *Paragon House Publishers* **What? A Clinical Psychologist Espousing Tarot Cards?** Dr. Arthur Rosengarten, in **Tarot and Psychology: Spectrums of Possibility**, does just that. He explains Tarot to those who may want to learn to use it properly for the greatest

good-individuals who desire greater spirituality in their lives, including the benefits of psychological insight and depth, without the baggage of affiliation that invariably accompanies any single set of beliefs. Tarot, they will soon find, operates on many levels of profound meaning from a purely non-affiliated platform in the truest sense. Tarot makes accessible to awareness a full spectrum of psychological and spiritual possibility with little preference for its user's qualifications or beliefs. Rather magically, one might say, Tarot captures the heartbeat of experience. This fact alone should make the deck of human possibility immediately relevant to helping professionals who deal with the heartbeats of experience daily. The use of Tarot as an oracle for creating awareness and gaining insight into particular symptoms, problems or questions-i.e. Tarot divination-is often mentioned as an afterthought, alongside other meditational exercises and alternative spread configurations. Yet today, the vast majority of individuals who have discovered the wonders and mysteries of Tarot have done so through experiences of divination. Card reading, without a doubt, is Tarot's most beguiling and potentially beneficial enterprise. Why dance around the magic? For Tarot to continue to evolve into the 21st century (and beyond) it must have a stronger application emphasis, that is, it must be relevant, accessible, and meaningful to the changing contours of people's lives. It must resonate with all who seek greater meaning, creativity, and awareness, not simply with small segments of the waning New Age. Tarot and Psychology provides an innovative new approach for understanding the psychological and spiritual possibilities of human experience. High as a Kite A Guide to Marijuana The largest collection of marijuana Art. 13 Moon Oracle A Journey Through the Archetypal Faces of the Divine Feminine *Palace Editions* THE 13 MOON ORACLE is an interactive kit for entering into and working with the mysteries of the divine feminine. In the spirit of her mentors Jean Houston and Joseph Campbell, master crone Ariel Spilsbury teaches how to access the nonlinear mind to invoke the archetypal inner world of the goddess using the finely crafted oracular tools contained within this kit. True Heart Intuitive Tarot, Guidebook and Deck Cleansing Rites of Curanderismo Limpias Espirituales of Ancient Mesoamerican Shamans *Simon and Schuster* A tutorial on the ancient practice of limpias to heal the mind, body, and soul • Offers step-by-step instructions for the practice of limpias, shamanic cleansing rituals to heal, purify, and revitalize people as well as physical spaces • Examines different types of limpia ceremonies, such as fire rites for transformation, water rites for cleansing and influencing, and sweeping rites for divination • Explores the sacred stories behind limpia rituals and traces these curanderismo practices to their indigenous roots Exploring the essential tools and practices of Mesoamerican shamans and curanderos, specifically the ancient Yukatek Maya and Mexica (Aztec), Erika Buenaflor, M.A., J.D., provides a step-by-step guide for conducting the most common practice within curanderismo: limpias. These practical and incredibly effective shamanic cleanses heal, purify, and revitalize people and spaces with

herbs, flowers, eggs, feathers, fire, and water. They are also powerful tools for self-empowerment, spiritual growth, soul retrieval, rebirth, and gracefully opening up pathways for new beginnings. Drawing on her 20 years' experience as a curandera and her graduate studies focused on Mesoamerican shamanism, the author traces modern curanderismo practices to their indigenous roots. She explores the sacred stories behind limpia rituals and examines different types of limpia ceremonies in depth, such as fire rites for transformation, water rites for cleansing and influencing, and sweeping rites for divination. She outlines how limpieas work holistically to enable one to let go and cleanse the body, mind, and spirit of limiting beliefs, traumas, and broken stories; heal acute and chronic illnesses such as depression, insomnia, and anxiety; and revitalize and activate sacred spaces by renewing their essence and clearing negative energies. She explains the healing properties of the plants used in limpia rites and how to perform the medicinal chants used by the curanderos. In addition, the author details how the practice of platicas, heart-straightening talks, supports limpia rites by encouraging one to vocalize their needs as they eject traumas and unwanted energies from the body, setting the stage for self-awareness and healing. Sharing the story of her own complete healing from a catastrophic injury with limpieas as well as inspirational testimonies from others who have experienced limpieas, the author provides a personal and thoroughly practical guide to the ancient shamanic method of limpieas to promote healing and personal transformation in our times.

**Grandad Mandela** *Lincoln Children's Books* "...profoundly moving..." -Publishers Weekly Nelson Mandela's two great-grandchildren ask their grandmother, Mandela's youngest daughter, 15 questions about their grandad - the global icon of peace and forgiveness who spent 27 years in prison. They learn that he was a freedom fighter who put down his weapons for the sake of peace, and who then became the President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. Seen through a child's perspective, and authored jointly by Nelson Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.

**The 27 Club Why Age 27 Is Important** *Kahurangi* **IS THE 27 CLUB JUST A MYTH? (No). Is it a curse? (No). But The 27 Club is not what you think. It s more than the deaths of Jimi Hendrix, Jim Morrison, Janis Joplin, Kurt Cobain, Amy Winehouse and others. Using the teachings of the Moon Cycles and C. G. Jung s notion of the puer (the creative person who is always young beyond his years and often dies an early death, physical or emotional) Michael Owen explains what happens to all of us in our mid- to late-twenties. Not a book on astrology, THE 27 CLUB: WHY AGE 27 IS IMPORTANT gives new insights into the timing of crises and opportunities during our twenties and how events and decisions around age 27 can set the trajectory of our lives for the next 27 years. It explains the natural rhythm by which the psyche grows and matures, and looks at what happens when we under- or over-reach**

ourselves. The book sheds light on other questions: Why does life often take a turn for better or worse around age 27? Why were so many of The 27 Club from the sixties? What does science say about The 27 Club? Is The 27 Club just dead rock stars? What is the psychology of The 27 Club? What do our teens and early 20s have to do with age 27? And read about the other Clubs from 24 to 30. **THE 27 CLUB: WHY AGE 27 IS IMPORTANT** also explores the wider meanings of the Moon Cycles, a measure of time based on the length of human pregnancy, and the importance of the 9 month, 3 year (Little Moon) and 27 year (Big Moon) cycles. This calendar is applicable to all important events (the birth, growth and death of anything a life, a business, a relationship) and the ripples in time that it sends out. And read about the fascinating link between the 27 year cycle and 9/11. Michael Owen is a clinical psychologist in private practice and author of *Jung and the Native American Moon Cycles* and *The Maya Book of Life: Understanding the Xultun Tarot*. He lives in Aotearoa/New Zealand. [www.kahurangi-press.com](http://www.kahurangi-press.com) [www.27-club.net](http://www.27-club.net) [www.xultun.com](http://www.xultun.com) *Jung and the Native American Moon Cycles Rhythms of Influence* *Kahurangi Press* "The profound insights of Jung and the equally profound teachings of the Peoples of Turtle Island have a common root below ground." *Jung and the Native American Moon Cycles* describes the life of C. G. Jung as seen through the lens of the Moon Cycles, a Native American teaching about the arche- tupal influences and forces that affect us at different times in our lives. Through this lens we see how the rhythm of Jung's life coincided with the great events of the 20th century. This book offers new insights into Jung's life and death, and provides a fascinating perspective on some of Jung's more important dreams. It also unexpectedly casts new light on Jung's fateful associations with Freud and Picasso and the controversial areas of his life, particularly his relationships with women and his supposed anti-Semitism. Michael Owen also shows how readers will be able to place the events of their own lives on the Moon Cycles of the Native American Medicine Wheel, gaining a new perspective into the births and deaths in their life (inner and outer). They will see what learning periods are ahead of them, and understand the critical importance of the nine-month and three-year cycles. Some of the "patterns of time" and other insights revealed: Both Jung's parents were the thirteenth and youngest in their families. Freud died twenty-seven years almost to the day after he fainted in Jung's presence and said "How sweet it must be to die." Jung dreamt of the firebombing of Dresden twenty-seven years before it happened. Jung's writings about Picasso and its relationship to Jung's death. *The Toltec Path of Transformation Embracing the Four Elements of Change* *Hierophant Publishing* Change is a constant, defining characteristic of life. Seasons change, weather changes, leaves change, and so do people. In HeatherAsh Amara's *The Toltec Path of Transformation: Embracing the Four Elements of Change*, we are encouraged to embrace the changes in our lives and create the kind of change that we want to see in ourselves and our world. The Four Elements: air, fire, water and earth--all carry

specific properties and functions that can lead to a complete life transformation along the Toltec path. Air represents our mental body, and grants clear perceptions once we shift our focus from the negativity surrounding us to the love and gratitude that lie just below the surface. Fire, the energetic body, gives us the opportunity to clean out the agreements, behaviors and beliefs that no longer serve us, so that we can make room for new, beneficial connections. Water, the emotional body, encourages us to open to new things, people and experiences. By staying open, we can gracefully accept what life brings while still working to create our own changes. Earth, the physical body, acts to nourish us from the inside out, proving again that both beauty and health start from within. It is through HeatherAsh's carefully composed instruction and guidance that we can use the Four Elements of Change to navigate the Toltec Path into our Divine center, where comparison and judgment drop away, and we can meet ourselves as the beautiful beings that we were meant to be.

**The Book of L** *Springer Science & Business Media* This book is dedicated to Aristid Lindenmayer on the occasion of his 60th birthday on November 17, 1985. Contributions range from mathematics and theoretical computer science to biology. Aristid Lindenmayer introduced language-theoretic models for developmental biology in 1968. Since then the models have been customarily referred to as L systems. Lindenmayer's invention turned out to be one of the most beautiful examples of interdisciplinary science: work in one area (developmental biology) induces most fruitful ideas in other areas (theory of formal languages and automata, and formal power series). As evident from the articles and references in this book, the interest in L systems is continuously growing. For newcomers the first contact with L systems usually happens via the most basic class of L systems, namely, DOL systems. Here "0" stands for zero context between developing cells. It has been a major typographical problem that printers are unable to distinguish between 0 (zero) and O (oh). Thus, DOL was almost always printed with "oh" rather than "zero", and also pronounced that way. However, this misunderstanding turned out to be very fortunate. The wrong spelling "DOL" of "DOL" could be read in the suggestive way: DO L. Indeed, hundreds of researchers have followed this suggestion. Some of them appear as contributors to this book. Of the many who could not contribute, we in particular regret the absence of A. Ehrenfeucht, G. Herman and H.A. Maurer whose influence in the theory of L systems has been most significant.

**The Round of Life Mexico Mystique** *The Coming Sixth World of Consciousness* *Ohio University Press* In *Mexico Mystique* Frank Waters draws us deeply into the ancient but still-living myths of Mexico. To reveal their hidden meanings and their powerful symbolism, he brings to bear his gift for intuitive imagination as well as a broad knowledge of anthropology, Jungian psychology, astrology, and Eastern and esoteric religions. He offers a startling interpretation of the Mayan Great Cycle — our present Fifth World — whose beginning has been projected to 3113 B.C., and whose cataclysmic end has been predicted by 2011 A.D. Disciple

**IV DISCIPLE IV UNDER THE TREE OF LIFE** is the final study in the four-phase **DISCIPLE** program and is prepared for those who have completed **BECOMING DISCIPLES THROUGH BIBLE STUDY**. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for **DISCIPLE IV: UNDER THE TREE OF LIFE**. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times. *The Mayan Factor Path Beyond Technology Simon and Schuster* Visionary historian Arguelles unravels the harmonic code of the ancient Maya providing valuable keys to understanding the next twenty years of human evolution. *Esoteric Ancient Tarot Tarot Mirror of Your Relationships U S Games Systems* In this set, author Gerd Ziegler expands the interpretation of Aleister Crowley's Thoth Tarot Deck with emphasis on the practical application and interpretation of the cards. Set includes 78-card Large Swiss Crowley deck and handbook. *Ancestral Path Tarot U S Games Systems* A unique deck that highlights the legends of world cultures. The cards uncover personal spirituality through examining the traditions of our ancestors. *The Witches Tarot Llewellyn Worldwide* *The Witches Tarot Book* By Ellen Cannon Reed 0-87542-668-9 \$12.95 U.S. \$19.95 Can. 320 pp. 5 1/4 x 8 Inside this companion guide to "The Witches Tarot" deck are meditations and methods of working with the Qabalistic Tree of Life that you can use immediately. You'll learn the meaning of the mysterious pictures found in the Tart, and learn to use those symbols in your meditations and magical work. You'll also find a new way of reading Tarot, and a complete description of "The Witches Tarot "deck, which is designed to include the Qabalistic symbolism in a way that speaks to Pagans. This guide includes complete descriptions of each card, as well as each card's Hebrew letter, astrology, color, scent, gem and Qabalistic path

correspondences. Also included in this book are magnificent illustrations of the 22 Major Arcana by artist Martin Cannon. Ellen Cannon Reed shows how each of the cards are associated with one of the paths on the Qabalistic Tree of Life. She has gathered data from multiple Qabalistic sources and combined this research with her own knowledge of Wicca. This is the first book that clearly discusses the Tarot from both the Qabalistic and the Wiccan points of view. *Dear Ally, How Do I Write a Book?* *Hachette UK*

**Problem plot lines? Character chaos? Ask Ally! The definitive guide to writing from one of teen fiction's best-loved authors. Writing finally has its own agony aunt in bestselling author, Ally Carter. Always wanted to write? Not sure how to begin, or what to do with tricky characters or pesky plotlines? Ask Ally! Known for her gripping plots and adventures that combine danger and glamour in equal measure, Ally knows how to write brilliant books for teen and YA readers. Now Ally and her author friends want to help YOU write the book you've always dreamed of. Part agony aunt, part writing guru, this writing guide is thoughtful, witty and best of all, useful. With advice from some of children's fiction's brightest stars including Holly Black, Cassandra Clare and Kody Keplinger.**

**Curanderismo Soul Retrieval Ancient Shamanic Wisdom to Restore the Sacred Energy of the Soul** *Simon and Schuster*

**A step-by-step shamanic guide to navigating the non-ordinary realms, locating lost soul fragments, and reintegrating them • Explains how the soul is a form of sacred energy that can escape when someone experiences trauma or stressful situations • Explores how to work with the 5 Mesoamerican cardinal directions to connect with lost soul fragments, create the ideal space for them to return, and ensure a lasting soul retrieval • Details how to enter a trance journey for navigating the spirit realm through shamanic breathwork, shamanic dancing, toning methods, as well as hand postures**

**Drawing on her more than 20 years' experience working with present-day Mesoamerican curanderos/as and the ancient shamanic healing traditions of the Mexica and Maya, Erika Buenaflor, M.A., J.D., provides a step-by-step guide for the curanderismo practice of soul retrieval. She explains how the soul is a form of sacred energy that can escape when someone experiences trauma or is threatened by challenging and stressful situations. Its absence can be responsible for a host of negative conditions including physical ailments, depression, insomnia, and dysfunctional behavior patterns. Exploring how to retrieve this sacred energy, or soul fragments, as well as resolve cases of soul theft, the author details how to journey through the non-ordinary realms of the Underworld, Middleworld, and Upperworld to locate lost soul fragments and reintegrate them. She explains how to enter a trance journey, providing instructions for shamanic breathwork practices, shamanic dancing, sounding and toning methods, as well as hand postures (mudras) to facilitate trance states. She explores how to perform soul diagnosis, create a loving and nurturing space for soul fragments to return, and work with the healing wisdom of the 5**

**Mesoamerican cardinal directions: South, West, North, East, and the Center, which marries the other directions and offers a portal to other worlds. She offers pressure point exercises to release the energies of traumas and contemplative exercises to continue the reintegration of soul fragments after the trance journey. She also explains how to connect with animal guardians to aid you in the soul retrieval process. Revealing how to achieve a lasting retrieval of soul energy, Buenaflor shows how the dynamic process of curanderismo soul retrieval can heal many forms and degrees of trauma and help people move forward in life with more clarity, self-awareness, empowerment, and greater depths of authentic self-love.**

**After Promontory One Hundred and Fifty Years of Transcontinental Railroading** *Indiana University Press* Celebrating the sesquicentennial anniversary of the completion of the first transcontinental railroad in the United States, **After Promontory: One Hundred and Fifty Years of Transcontinental Railroading** profiles the history and heritage of this historic event. Starting with the original Union Pacific—Central Pacific lines that met at Promontory Summit, Utah, in 1869, the book expands the narrative by considering all of the transcontinental routes in the United States and examining their impact on building this great nation. Exquisitely illustrated with full color photographs, **After Promontory** divides the western United States into three regions—central, southern, and northern—and offers a deep look at the transcontinental routes of each one. Renowned railroad historians Maury Klein, Keith Bryant, and Don Hofsommer offer their perspectives on these regions along with contributors H. Roger Grant and Rob Krebs.

**Vision Quest Tarot Deck** *U S Games Systems* Discover humanity's connection with the cosmic forces of nature through Native American legends. The soothing imagery and spiritual symbols on the cards will bring you to a new understanding of our place in the cycle of life.

**Ecological Intelligence Rediscovering Ourselves in Nature** *Fulcrum Pub* Defines a new way of thinking about the unprecedented environmental pressures of our day. McCallum offers a compelling argument that we must think differently about ourselves and the earth if we are to take seriously the survival of wilderness areas.

**Economic Botany** *S. Chand Publishing* **For The Students of B.Sc. , M.Sc. and Competitive Examinations**

**Korean A Comprehensive Grammar** *Routledge* **Korean: A Comprehensive Grammar** is a reference to Korean grammar, and presents a thorough overview of the language, concentrating on the real patterns of use in modern Korean. The book moves from the alphabet and pronunciation through morphology and word classes to a detailed analysis of sentence structures and semantic features such as aspect, tense, speech styles and negation. Updated and revised, this new edition includes lively descriptions of Korean grammar, taking into account the latest research in Korean linguistics. More lower-frequency grammar patterns have been added, and extra examples have been included throughout the text. The unrivalled depth and range of this updated edition of **Korean: A Comprehensive Grammar** makes it an essential reference source on the

**Korean language. The Omega Prize *S. L. Millward* This is a story which will make your heart sing - a story for all the family to read together. Young Judy discovers an unexpected package in her grandfather's old study. She has never met her grandfather (Poppy) as he died before she was born, but Judy is the one to unearth the puzzle which Poppy left for his family. To find the treasure which Poppy left, the family must first solve every riddle which he wrote on a beautiful scroll, and carefully wrapped in a rich purple velvet bag. Unless they solve the puzzles, they won't find the treasure. See if you can solve the puzzles before the family does. What has Poppy left them as an inheritance? Have fun with the story and enjoy the Omega Prize at the end.**

**Field to Palette Dialogues on Soil and Art in the Anthropocene *CRC Press* Field to Palette: Dialogues on Soil and Art in the Anthropocene is an investigation of the cultural meanings, representations, and values of soil in a time of planetary change. The book offers critical reflections on some of the most challenging environmental problems of our time, including land take, groundwater pollution, desertification, and biodiversity loss. At the same time, the book celebrates diverse forms of resilience in the face of such challenges, beginning with its title as a way of honoring locally controlled food production methods championed by "field to plate" movements worldwide. By focusing on concepts of soil functionality, the book weaves together different disciplinary perspectives in a collection of dialogue texts between artists and scientists, interviews by the editors and invited curators, essays and poems by earth scientists and humanities scholars, soil recipes, maps, and DIY experiments. With contributions from over 100 internationally renowned researchers and practitioners, Field to Palette presents a set of visual methodologies and worldviews that expand our understanding of soil and encourage readers to develop their own interpretations of the ground beneath our feet.**

**American Brujeria Modern Mexican American Folk Magic *Weiser Books* A practical, hands-on guide to Mexican-American folk magic. American Brujeria is about the fascinating blend of American and Mexican folk magic currently practiced by those living in the US but whose roots are steeped in Mexican culture. The author, who has named this tradition "American brujeria," explores this magical system, while also offering practical advice on using it. American brujeria is a living, vital tradition that -- while it shares things in common with other folk magic traditions, such as American Conjure--also features its own unique traditions, as well as familiar ones, such as the veneration of saints, both canonized, such as Guadalupe, and folk saints like Santa Muerte. American Brujeria includes stories from Mexico (folk saints, the story of Guadalupe), the influence of Catholicism, the art of limpiezas (spiritual cleansings), spell casting, oil crafting, praying the rosary (in English and Spanish), making an altar to Guadalupe, using novena candle magic, crafting protective charms from saints' medals, and more.**
