Charles G. Finney: An Autobiography Franklin Classics Trade Press *This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.* **Principles of Prayer Bethany House** *The superb insights of one of America's greatest evangelists are condensed and collected in a forty-day devotional study for people wishing to pray with power and see results, with each daily reading including meditation, application and prayer. Original.* **The Autobiography of Charles G. Finney The Life Story of America's Greatest Evangelist--In His Own Words Baker Books** *Many Christians today may be unaware of the tremendous impact that Charles G. Finney had on the spiritual landscape of the United States. His years of revival work yielded valuable insights on the work of the Holy Spirit and timeless principles that many still find vital for advancing the kingdom of God. A truly fascinating record of a uniquely gifted and godly man, this autobiography is sure to enlighten and inspire Christians of any age or background.* **Systematic Theology Lulu.com Growing in Prayer A Real-Life Guide to Talking with God Charisma Media** *A practical, effective strategy for incorporating prayer into everyday life As the founder of the International House of Prayer, Mike Bickle has devoted his life to understanding and practicing the principles and power of prayer. In Growing in Prayer he combines his biblical study with his extensive experience on the topic to give you the tools you need to develop a stronger prayer life through a passionate commitment to your relationship with God. Start today! God is waiting to hear from you. He doesn't just love you, He really likes you and enjoys listening to you when you pray even in your weaknesses. You can be confident that your prayers are valuable to God and will make a difference in your world.* **The Role of the Conversion Theology of Charles G. Finney in the Theological Drift of Southern Baptists David C. Hacker** *This book examines the relationship between the conversion theology that was popularized by Charles Grandison Finney and the theological drift of Southern Baptists from Calvinism to Arminianism. It surveys the historical evidence of the Calvinistic roots of Southern Baptists, gives a brief overview of the traditional or Calvinistic baptist view of conversion prior to the mid-nineteenth century, outlines the conversion theology of Finney and the opposition from his contemporaries, surveys the effects of Finney's theology on Southern Baptists and evangelicalism as a whole, a summary of the lingering effects of Finney's Pelagian theology on the church today, and concludes that Finney's influence on Southern Baptists was a theological shift from their Calvinistic roots to Arminianism as the dominant theology. It finishes with a practical and pastoral applications for the church today.* **Lectures on Systematic Theology Embracing Lectures on Moral Government, Together with Atonement, Moral and Physical Depravity, Regeneration, Philosophical Theories, and Evidences of Regeneration The Secret of Faith Whitaker House** *Prince of Peace, Sorrow-Bearer, Strength of Your Heart, All in All—these are just some of the many things Christ desires to be to you. From his wealth of scriptural wisdom, Charles Finney introduces you to the many roles of Christ and shows how you can... Walk in the freedom of faith Gain victory over sin and temptation Overcome life's challenges Live a sanctified life Find peace in life's storms Develop miracle-working faith Experience the power of the Holy Spirit No longer will you feel as if you can never live up to the Bible's standards. A fresh vision of Christ will cause you to soar over every obstacle as you become more like Him.* **Abortion Global Positions and Practices, Religious and Legal Perspectives Springer Nature** *Rather than providing a global solution to the problem of abortion—to abort or not to abort—this volume sheds light on different but equally critical dimensions of abortion in global debate and practice. The aim is to elaborate on different value systems and policies in order to empower individuals to make well-informed decisions about abortion guided by moral reflection. The twenty one chapters of this volume are written by distinguished scholars in each of the religious and non-religious schools of thought, offering an exhaustive survey of the differing religious and legal views on abortion within the international community. The contributors present authoritative discussions in favor of or against abortion based on their perspectives and practices. As a result, the content of this book provides a foundational platform for better understanding, meaningful dialogue, and tolerance on a social issue which has divided individuals, philosophers, theologians, policy makers, and legislators within and across societies for centuries.* **Finney's Systematic Theology Bethany House Publishers** *True to Scripture, true to reason, and true to life. Discover why these writings have*

been the impetus for revivals around the world. Students of revival agree that Charles Grandison Finney spearheaded one of America's greatest revivals and influenced the course of history. Church rolls swelled in the wake of Finney's revivals. He is often directly or indirectly credited with the conversions of around 500,000 people. Finney's theological convictions were born in the fires of revival and shaped by a keen lawyer's mind committed to the full authority of the Bible. He gave his life to promote: "The return to and practice of Biblical Christianity in the power of the Holy Spirit for the sake of God's kingdom and glory." The distinctive truths that Finney preached brought such a deep conviction of sin that today's church does well when it studies his position on the moral government of God, the nature of man, the atonement, sovereignty, attributes of love, unity of moral action and regeneration. This expanded volume represents the complete 1878 edition, two lectures of truth from the earlier 1847 and 1851 editions, a comprehensive introduction from L.G. Parkhurst, Jr., plus appendixes, a glossary, and a scripture index. **The Last Call Chick Publications** Biblical revival . . . and how you can have it! Over one hundred years ago, God raised up a mighty man named Charles G. Finney. Because of God's power in his life, Finney's piercing words penetrated to the hearts of God's people. Many Christians were shocked and angered, but many heeded his message. As a result, sleeping churches were awakened and a powerful biblical revival swept over the land. Today, we need this type of revival more than ever. To have it, we must follow the same time-tested methods used by Finney long ago. This enlightening book combines the burning words of Charles Finney with the irresistible cartoon art of Jack Chick to drive home many critical truths that are vital to all who long to experience true revival in their Christian life. **Holy Spirit Revivals Whitaker House** The Power of God at Work Charles Finney's ministry led to some of the most amazing revivals that have ever occurred in the United States or England. In *Holy Spirit Revivals*, Finney recalls those events, revealing the secrets that led to the mass conversions of lost souls in his meetings throughout upstate New York, as well as in Boston, Philadelphia, and London. Finney was unafraid of offending delicate ears by addressing the problem of sin head-on, and his dedication to prayer, his understanding of Scripture, and his radical reliance on the power of the Holy Spirit are a great template for believers today. This treasured account of one of the greatest Christian preachers in history is an outstanding resource for anyone interested in seeing a revival of faith in the church. **The Secret of Faith Prince of Peace, Sorrow-Bearer, Strength of Your Heart, All in All--**these are just some of the many things Christ desires to be to you. From his wealth of scriptural wisdom, Charles Finney introduces you to the many roles of Christ and shows how you can... Walk in the freedom of faith Gain victory over sin and temptation Overcome life's challenges Live a sanctified life Find peace in life's storms Develop miracle-working faith Experience the power of the Holy Spirit No longer will you feel as if you can never live up to the Bible's standards. A fresh vision of Christ will cause you to soar over every obstacle as you become more like Him. **I Choose Honor The Key to Relationships, Faith, and Life** This book will lead you to have deeper relationships with others because you will learn to recognize that each person, as a creation of God, deserves honor. **Principles of Love Bethany House Pub** Finney's Attributes of Love and three sermons from *The Oberlin Evangelist* edited for today's reader. **Charles G. Finney's Answers to Prayer Bethany House Pub** This is a companion volume to *Principles of Prayer* by great nineteenth-century revivalist Charles Finney, showing the ways in which God answered Finney's prayers. **Experiencing The Presence Of God (4 In 1 Anthology) Whitaker House** Does your heart long to live in God's presence? Do you struggle to maintain a daily relationship with Him? Learn to continually be found in the very presence of God as Charles Finney reveals how you can receive power from on high, rest in true obedience, overcome sin, live in the freedom of faith, and know God's will for your life. Strength to overcome the things of this world can be yours as you daily experience the presence of God. **Divine Healing: The Holiness-Pentecostal Transition Years, 1890-1906 Theological Transpositions in the Transatlantic World Wipf and Stock Publishers** In the present volume, James Robinson shows how the Holiness movement contributed to the rise of Pentecostalism, with emphasis on those sectors that practiced divine healing. Although other scholars have undertaken to explore this story, Robinson's treatment is by far the most thorough examination to date. He draws productively on the burgeoning secondary literatures on Pentecostalism and healing, and brings to light frequently overlooked, yet revealing primary sources. The events narrated are fascinating in their own right, and are important to the histories of Pentecostalism and healing for how they clarify the processes by which divine healing was pursued, debated, and often disparaged. The text also contributes to larger medical and social histories, offering tantalizing glimpses of the roots of some of today's most popular and contested medical and religious responses to sickness and health. **Big Things Start Small How Small Groups Helped Ignite Christianity's Greatest Spiritual Awakenings Wipf and Stock Publishers** History indicates that small group gatherings have been powerfully influential in igniting Christianity's most famous spiritual awakenings. In this groundbreaking study, Joe M. Easterling explores Christianity's four most significant awakenings and how small groups have influenced the rise and sustainability of each. As readers encounter the incredible accounts of how God transformed individuals, communities, and even nations through the movement of his Spirit, they will discover that small groups have been there all along as one of revival's most indispensable contributors. More importantly, readers will learn some common characteristics of the small groups during these awakenings and how they may be used in small groups of churches today in hopes that a spiritual awakening may ignite once again. **Water and Life The Unique Properties of H2O CRC Press** Reflecting a rich technical and interdisciplinary exchange of ideas, *Water and Life: The Unique Properties of H2O* focuses on the properties of water and its interaction with life. The book develops a variety of approaches that help to illuminate ways in which to address deeper questions with respect to the nature of the universe and our place within it. Grouped in five broad parts, this collection examines the arguments of Lawrence J. Henderson and other scholars on the "fitness" of water for life as part of the physical and chemical properties of nature considered as a foundational environment within which life has emerged and evolved. Leading authorities delve into a range of themes and questions that span key areas of ongoing debate and uncertainty. They draw from the fields of chemistry, biology, biochemistry, planetary and earth sciences, physics, astronomy, and their subspecialties. Several chapters also deal with humanistic disciplines, such as the history of science and theology, to provide additional perspectives. Bringing together highly esteemed researchers from multidisciplinary fields, this volume addresses fundamental questions relating to the possible role of water in the origin of life in the cosmos. It supports readers in their own explorations of the origin and meaning of life and the role of water in maintaining life. **The Character, Claims, and Practical Workings of Freemasonry Sermons on Gospel Themes Air Force Combat Units of World War II DIANE Publishing** **These Things: A Reference Manual for Discipleship Lulu.com** **The Original Memoirs of Charles G. Finney Zondervan** In 1989, the first

complete, restored text of revivalist Charles Finney's memoirs was published by Zondervan. Until then, all editions had reflected editorial liberties introduced in the first 19th-century publication, edited after Finney's death. The restored text—the culmination of over ten years of research by editors Garth Rosell and Richard Dupuis—brought to light Finney's entire memoirs in their original language. Longstanding omissions and inaccuracies were corrected. Comprehensive annotations supplied detailed, phrase-by-phrase and even word-by-word explanations. The 1989 edition was a scholar's and historian's delight. However, the average reader who simply wants to read what Finney wrote doesn't need the scholarly minutiae. This new edition provides the complete, restored text of Finney's memoirs with no unnecessary details to obstruct a straightforward read. In bold, untouched language, Finney's thoughts march across the page with fascinating clarity and cohesiveness. For students of revival or anyone interested in the life of one of America's foremost evangelists, here in his own words is Charles Finney: his life, his thoughts, his struggles and accomplishments, and his abiding love for God and enduring commitment to the gospel of Christ. **Divine Healing: The Formative Years: 1830-1890 Theological Roots in the Transatlantic World Wipf and Stock Publishers** Divine healing is commonly practiced today throughout Christendom and plays a significant part in the advance of Christianity in Latin America, Africa, and Asia. Such wide acceptance of the doctrine within Protestantism did not come without hesitation or controversy. The prevailing view saw suffering as a divine chastening designed for growth in personal holiness, and something to be faced with submission and endurance. It was not until the nineteenth century that this understanding began to be seriously questioned. This book details those individuals and movements that proved radical enough in their theology and practice to play a part in overturning mainstream opinion on suffering. James Robinson opens up a treasury of largely unknown or forgotten material that extends our understanding of Victorian Christianity and the precursors to the Pentecostal revival that helped shape Christianity in the twentieth century. **Sermons on Important Subjects The Calvary Road CLC Publications** Do you long for revival and power in your life? This beloved classic has helped open millions of hearts to a personal revival in life with Jesus Christ. With soul-wrenching testimony and marked simplicity, Roy Hession teaches that through brokenness, humility and confession, we can prepare our hearts to receive the fullness God wants for us. First published in 1950, this updated version of *The Calvary Road* includes a new foreword by George Verwer. **Children's needs - parenting capacity child abuse, parental mental illness, learning disability, substance misuse, and domestic violence The Stationery Office** This second edition of "Children's needs - parenting capacity" updates the original exploration of the research literature in the light of legal and policy changes in England and findings from more recent national and international research. The edition has also been expanded to cover parental learning disabilities and how it may impact on parenting and children's health and development. The findings show that these parenting issues affect children differently depending on their age and individual circumstances. While some children grow up apparently unscathed, others exhibit emotional and behavioural disorders. This knowledge can inform practitioners undertaking assessments of the needs of children and their families and effective service responses. This publication is essential reading for practitioners, managers and policy makers concerned with improving the outcomes for children and families who are experiencing such problems. **How to Experience Revival (Journal Edition) Whitaker House** Revival starts with one person. You. Charles Finney—who shook up nineteenth-century America with his preaching, earned the title Father of Modern Revivalism, and became the forerunner of revivalists like Dwight L. Moody and Billy Graham—knew a thing or two about revival. And he claimed it began not in the emotion of the masses but in the repentance of the individual. This new journal edition of a spiritual classic invites readers to record their reflections, thoughts, and prayers in response to Finney's fiery words on how to experience revival. As you let his message soak in and interact with your life, you might find revival to be closer to home than you ever expected. **Lectures on Revivals of Religion** This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy! **Waiting in Christian Traditions Balancing Ideology and Utopia Lexington Books** As the first monograph on waiting in Christian traditions, this study breaks new ground by revealing how waiting becomes a stabilizing force that helps to solidify Christian identity and community. It analyzes various forms of Christian waiting through the lens of Paul Ricoeur's ideas about ideology and utopia. **The Doctrines of Grace in an Unexpected Place Calvinistic Soteriology in Nineteenth-Century Brethren Thought Wipf and Stock Publishers** Does God sovereignly elect some individuals for salvation while passing others by? Do human beings possess free will to embrace or reject the gospel? Did Christ die equally for all people or only for some? These questions have long been debated in the history of the Christian church. Answers typically fall into one of two main categories, popularly known as Calvinism and Arminianism. The focus of this book is to establish how one nineteenth-century evangelical group, the Brethren, responded to these and other related questions. The Brethren produced a number of colorful leaders whose influence was felt throughout the evangelical world. Although many critics have assumed the movement's theology was Arminian, this book argues that the Brethren, with few exceptions, advocated Calvinistic positions. Yet there were some twists along the way! The movement's radical biblicism, passionate evangelism, and strong aversion to systematic theology and creeds meant they refused to label themselves as Calvinists even though they affirmed Calvinism's soteriological principles—the so-called doctrines of grace. **Why God Cares About Politics Gatekeeper Press The Spectator** life by states manual **Answers to Prayer Bethany House Pub** Known for his effective evangelism, Finney was a prayer warrior; often his prayer list contained requests for the conversions of entire towns. Here his teachings on prayer are illustrated with examples from his own answered prayers. The 30 devotional studies include questions for thought or discussion to help readers grow in their walks with God. **Protestant Spiritual Traditions, Volume Two Wipf and Stock Publishers** There is no single Protestant spirituality but rather Protestant spiritual traditions usually embedded in denominational families that share some basic Protestant principles. These two volumes of *Protestant Spiritual Traditions* offer essays on twelve traditions written by scholars within those traditions plus a concluding essay that gathers a number of Protestant contributions to Christian spirituality and Western culture under the category of "the body." These thirteen essays discuss the contributions of significant spiritual figures from Martin Luther to Martin Luther King Jr. and offer insights on a range of topics from the theology of the cross to physical fitness. **Pentecostalism, Secularism, and Post Christendom Wipf and Stock Publishers** "If only we were a Christian country again!" Christians, particularly those in

the West, often lament their loss of influence in modern politics and culture. It seems that everywhere one turns, Christendom in the West is dealt another blow, with Christian reactions ranging from withdrawal and entrenchment, to cries of persecution and talks of organized resistance. Pentecostalism, Secularism, and Post Christendom seeks to address these concerns via an examination of Classical North American Pentecostalism as it wrestles with the very real challenges posed by the increasing post-Christian ethos of Western culture. In addition to providing a number of concrete steps, Pentecostals may take in their efforts to better understand and connect with modern culture, this work will argue that counter-intuitively, the death of Christendom (if properly addressed), may in fact herald the arrival of the Church's finest hour. **Dying to Live Lulu.com** While believers face an onslaught of sin in modern media, in the workplace and at school, it can be difficult to live the Christian life. Surviving might be easy enough, but how do you live righteously in the middle of a world that throws sin at us from all sides? Because to be honest, sometimes it's hard to have a heart that actually wants to live for God. God did not make us so we could go to church, avoid major sins and sit around doing nothing for Him. How do you live in Christ? I believe the secret is in understanding the death that leads to life. The Bible calls us to live on the cross. On that cold, inelegant, rough Roman device. There's nothing showy or beautiful about a cross - it only has one purpose: to kill people. You are called to live crucified. Being united in the death of Jesus is the only thing that will lead to life. Are you dying to live? **Power from on High Createspace Independent Publishing Platform** We need the endowment of power from on high. Christ had previously informed the disciples that without Him they could do nothing. When He gave them the commission to convert the world, He added, "But tarry ye in Jerusalem till ye be endued with power from on high. Ye shall be baptized with the Holy Ghost not many days hence. Lo, I send upon you the promise of My Father." This baptism of the Holy Ghost, this thing promised by the Father, this endowment of power from on high, Christ has expressly informed us is the indispensable condition of performing the work which he has set before us. How shall we get it? Christ expressly promised it to the whole Church, and to every individual whose duty it is to labour for the conversion of the world. He admonished the first disciples not to undertake the work until they had received this endowment of power from on high. Both the promise and the admonition apply equally to all Christians of every age and nation. No one has, at any time, any right to expect success, unless he first secures this endowment of power from on high. The example of the first disciples teaches us how to secure this endowment.
