The Human Element A Guide to Human Behaviour in the Shipping Industry Based on a wide range of consultations with maritime organisations, the guide was produced by organisational psychologists gs partnership ltd, for consortium partners UK Maritime and Coastguard Agency, BP Shipping, Teekay Marine Services, and the Standard P&I Club. Aimed at everyone in the shipping industry, the Guide explains the fundamental aspects of human behaviour, which together constitute what the commercial maritime sector calls 'the human element'. It makes clear that the human element is neither peripheral nor optional in the pursuit of a profitable and safe shipping industry. The Guide clearly shows that managing the human element must take place simultaneously at all levels of the industry. Analysis of continuing shipping disasters has increasingly implicated the human element. The loss of life, the impact on company profits and credibility, and the vast environmental damage that can result from the loss of even a single vessel remain clear. The Guide offers insight, explanation and advice to help manage the human element more effectively, more safely and more profitably.

Alcoholics Anonymous The Story of how Many Thousands of Men and Women Have Recovered from Alcoholism The basic text for Alcoholics Anonymous. Code of Safe Working Practices for Merchant Seafarer's Code of Safe Working Practices Amendment to 2015 consolidated ed. (ISBN 9780115534027). Amendment consists of loose-leaf pages that replace select pages from the main edition binder Scouting for Boys First published in 1908, "Scouting for Boys" is the seminal work on scouting by British Army officer and founder of the worldwide scouting movement, Robert Baden-Powell. Originally written as a manual for self-instruction, "Scouting for Boys" details many important scouting skills including scoutcraft, tracking, woodcraft, camping, and first-aid. Baden-Powell's work is a rework of his earlier "Aids to Scouting", published in 1899, and borrows many ideas from Ernest Thompson Seton's "The Birch Bark Roll of the Woodcraft Indians", published in 1906. "Scouting for Boys" includes numerous tales that can be told around the campfire, as well as many of Baden-Powell's personal anecdotes, and opinions on proper moral character of boy scouts. While some of the information in this work may seem outdated and some of the moralizing many seem antiquated to modern readers, "Scouting for Boys" remains an important historical work in the scouting movement. Having sold millions of copies since its first publication, the impact Baden-Powell's "Scouting for Boys" as well as his personal advocacy for the scouting movement cannot be overstated. This edition is printed on premium acid-free paper.

Mind Gym An Athlete's Guide to Inner Excellence McGraw Hill Professional

Praise for Mind Gym "Believing in yourself is paramount to success for any athlete. Gary's lessons and David's writing provide examples of the importance of the mental game." --Ben Crenshaw, two-time Masters champion and former Ryder Cup captain "Mind Gym hits a home run. If you want to build mental muscle for the major leagues, read this book." --Ken Griffey Jr., Major League Baseball MVP "I read Mind Gym on my way to the Sydney Olympics and really got a lot out of it. Gary has important lessons to teach, and you'll find the exercises fun and beneficial." --Jason Kidd, NBA All-Star and Olympic gold-medal winner

In Mind Gym, noted sports psychology consultant Gary Mack explains how your mind influences your performance on the field or on the court as much as your physical skill does, if not more so. Through forty accessible lessons and inspirational anecdotes from prominent athletes--many of whom he has worked with--you will learn the same techniques and exercises Mack uses to help elite athletes build mental "muscle." Mind Gym will give you the "head edge" over the competition.

How to be Idle Penguin UK How to be Idle is Tom Hodgkinson's entertaining guide to reclaiming your right to be idle. As Oscar Wilde said, doing nothing is hard work. The Protestant work ethic has most of us in its thrall, and the idlers of this world have the odds stacked against them. But here, at last, is a book that can help. From Tom Hodgkinson, editor of the Idler, comes How to be Idle, an antidote to the work-obsessed culture which puts so many obstacles between ourselves and our dreams. Hodgkinson presents us with a laid-back argument for a new contract between routine and chaos, an argument for experiencing life to the full and living in the moment. Ranging across a host of issues that may affect the modern idler - sleep, the world of work, pleasure and hedonism, relationships, bohemian living, revolution - he draws on the writings of such well-known apologists for idleness as Dr Johnson, Oscar Wilde, Robert Louis Stevenson and Nietzsche. His message is clear: take control of your life and reclaim your right to be idle. 'Well written, funny and with a scholarly knowledge of the literature of laziness, it is both a book to be enjoyed at leisure and to change lives' Sunday Times 'In his life and in this book the author is 100 per cent on the side of the angels' Literary Review 'The book is so stuffed with wisdom and so stuffed with good jokes that I raced through it like a speed freak' Independent on Sunday

Tom Hodgkinson is the founder and editor of The Idler and the author of How to be Idle, How to be Free, The Idle Parent and Brave Old World. In spring 2011 he founded The Idler Academy in London, a bookshop, coffeehouse and cultural centre which hosts literary events and offers courses in academic and practical subjects - from Latin to embroidery. Its motto is 'Liberty through Education'. Find out more at www.idler.co.uk.

It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's *The Great Gatsby* through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading. **Cover Letter Magic Trade Secrets of Professional Resumé Writers Jist Works Professional resume and cover letter writers reveal their inside secrets for creating phenomenal cover letters that get attention and land interviews.** Features more than 150 sample cover letters written for all types of job seekers, including the Before-and-After transformations that can make boring letters fabulous. **Colleges and Universities in World War II ABC-CLIO** Cardozier provides a comprehensive and engaging look at the role played by colleges and universities in World War II, the contributions they made to the war effort, and the impact of the war on higher education institutions. During this period, American colleges and universities were dedicated to serving the needs of the military and all agencies of the government through training, research, and service. This book captures the wartime mood and spirit of the American people, something that is not easily conveyed to younger readers who did not directly experience these times. **The Saffron Kitchen Penguin** In a powerful debut novel that moves between the crowded streets of London and the desolate mountains of Iran, Yasmin Crowther paints a stirring portrait of a family shaken by events from decades ago and worlds away. On a rainy day in London the dark secrets and troubled past of Maryam Mazar surface violently, with tragic consequences for her daughter, Sara, and her newly orphaned nephew. Maryam leaves her English husband and family and returns to the remote Iranian village where her story began. In a quest to piece their life back together, Sara follows her mother and finally learns the terrible price Maryam once had to pay for her freedom, and of the love she left behind. Set against the breathtaking beauty of two very different places, this stunning family drama transcends culture and is, at its core, a rich and haunting narrative about mothers and daughters. **The Armed Forces Officer Government Printing Office** In 1950, when he commissioned the first edition of *The Armed Forces Officer*, Secretary of Defense George C. Marshall told its author, S.L.A. Marshall, that "American military officers, of whatever service, should share common ground ethically and morally." In this new edition, the authors methodically explore that common ground, reflecting on the basics of the Profession of Arms, and the officer's special place and distinctive obligations within that profession and especially to the Constitution. **Conflict Management in the Workplace How to Manage Disagreements and Develop Trust and Understanding** How to Books Limited Annotation **REVIEWS:** One of the best books I have read on conflict resolution in my 30+ years in the field. **Office of Mediation, The World Bank ...** contains great ideas, simply explained. **Dr Pam Spurr, Psychologist and Life Coach, LBC Radio** Offers many tried and trusted approaches to ensure that conflicts are managed so that they are positive and creative rather than a process of disintegration. **Sir John Harvey-Jones AUTHOR BIOG:** Shay and Margaret McConnon are co-founders of People First, an international training and consultancy group that runs courses on 'Winning Relationships in the Workplace'. Leadership, Education, and Training Hillsborough - The Truth** Random House This is the definitive, unique account of the disaster in which 96 men, women and children were killed, hundreds injured and thousands traumatised. It details the appalling treatment endured by the bereaved and survivors in the immediate aftermath, the inhumanity of the identification process and the vilification of fans in the national and international media. In 2012, Phil Scraton was primary author of the ground-breaking report published by the Hillsborough Independent Panel following its new research into thousands of documents disclosed by all agencies involved. Against a backdrop of almost three decades of persistent struggle by bereaved families and survivors, in this new edition he reflects on the Panel's in-depth work, its revelatory findings and their unprecedented impact - an unreserved apology from the Prime Minister; new criminal investigations; the Independent Police Complaints Commission's largest-ever inquiry; the quashing of 96 inquest verdicts; a review of all health and pathology policies. Paving the way for truth recovery and institutional accountability in other controversial cases, he details the process and considers the impact of the longest ever inquests, from the preliminary hearings to their comprehensive, devastating verdicts. Powerful, disturbing and harrowing, **Hillsborough: The Truth** exposes the institutional complacency that led to the unlawful killing of the 96, revealing how the interests of ordinary people are marginalised when those in authority sacrifice truth and accountability to protect their reputations. **Social Anxiety Disorder The Nice Guideline on Recognition, Assessment and Treatment of Social Anxiety Disorder** Social anxiety disorder is persistent fear of (or anxiety about) one or more social situations that is out of proportion to the actual threat posed by the situation and can be severely detrimental to quality of life. Only a minority of people with social anxiety disorder receive help. Effective treatments do exist and this book aims to

increase identification and assessment to encourage more people to access interventions. Covers adults, children and young people and compares the effects of pharmacological and psychological interventions. Commissioned by the National Institute for Health and Clinical Excellence (NICE). The CD-ROM contains all of the evidence on which the recommendations are based, presented as profile tables (that analyse quality of data) and forest plots (plus, info on using/interpreting forest plots). This material is not available in print anywhere else.
