A PRAYING LIFE

CONNECTING WITH GOD IN A DISTRACTING WORLD

Tyndale House Publishers, Inc. More than 300,000 copies sold! "This book will be like having the breath of God at your back. Let it lift you to new hope." —Dan B. Allender, PhD, author of *Bold Love* This new edition includes an expanded chapter on using the practical "prayer cards"—a hallmark of the teaching found in *A Praying Life*—and a chapter on the need and use of prayers of lament. Prayer is so hard that unless circumstances demand it—an illness, or saying grace at a meal—most of us simply do not pray. We prize accomplishments and productivity over time in prayer. Even Christians experience this prayerlessness—a kind of practical unbelief that leaves us marked by fear, anxiety, joylessness, and spiritual lethargy. Prayer is all about relationship. Based on the popular seminar by the same name, *A Praying Life* has discipled thousands of Christians to a vibrant prayer life full of joy and power. When Jesus describes the intimacy He seeks with us, He talks about joining us for dinner (Revelation 3:20). *A Praying Life* feels like having dinner with good friends. It is the way we experience and connect to God. In *A Praying Life*, author Paul Miller lays out a pattern for living in relationship with God and includes helpful habits and approaches to prayer that enable us to return to a childlike faith.

Parents will find Miller's family-life experiences especially helpful.

LOVE WALKED AMONG US

LEARNING TO LOVE LIKE JESUS

Tyndale House Who Is Jesus? His name is recognized the world over. Christians claim to follow Him. Muslims honor Him as a prophet. And many Jewish rabbis regard him as a great teacher. Everyone knows about Jesus, but how many of us fully understand what He was like as a person? In *Love Walked among Us*, Paul Miller invites us to get to know Jesus, to observe his life and His love as they unfold in the Gospel narratives. The book investigates such questions as: How do you love someone when you get no love in return, only withdrawal or ingratitude? How do you love without being trapped or used by another person? How do you love when you have your own problems? When do you take care of yourself? When you are compassionate, people use you, but when you are honest, people get angry—so how do you love with both compassion and honesty? In every way, Jesus' life exemplifies the full potential of what we were intended to be. And the better we know Him, the more we will be drawn to follow His perfect example.

J-CURVE

DYING AND RISING WITH JESUS IN EVERYDAY LIFE

Crossway Do we have the wrong map for the Christian life? Life's inconveniences, disappointments, and trials can leave us confused, cynical, and eventually bitter. But the apostle Paul traces out the path of dying and rising with Jesus—what Paul Miller calls the “J-Curve”—as the normal Christian life. The J-Curve maps the ups and downs of daily life onto the story of Jesus. It grounds our journeys not in some abstract idea but in union with Christ and his work of love. Understanding our lives in light of the J-Curve roots our hope, centers our love, and tethers our faith to Christ.

FIGHTING FOR YOUR MARRIAGE WHILE SEPARATED

A PRACTICAL GUIDE FOR THE BROKENHEARTED

New Growth Press A home ripped apart by one spouse leaving reverberates with a host of unanswered questions. Simple answers don't exist—heartrending complexities do. In the midst of the turmoil, reconciliation may seem out of reach. But there is still hope for those who are willing to fight for their marriages. In this transformative guide, men and women who are separated but hopeful for restoration will discover life-changing truths about God, themselves, and their marriages. Linda W. Rooks explores practical answers for men and women in the midst of a marriage crisis, guiding them step by step toward hope and a positive outcome, even when fighting for the marriage alone. After finding hope, strength, and encouragement for their marriages in Rooks's first book, *Broken Heart on Hold*, many readers continue on their journeys with new questions as they take the next step. *Fighting for Your Marriage While Separated* begins where *Broken Heart on Hold* left off, continuing to guide readers through the labyrinths of separation, this time with practical answers to their questions. From diving into topics such as relationship dynamics and healing, protecting children, and praying for restoration, to deciding on boundaries and learning to live with the same spouse in a new marriage, Rooks illustrates what reconciling and rebuilding a marriage looks like—and how the sweet intimacy of Christ is in the waiting. Through biblical wisdom, the personal experience of navigating toward her own marital restoration after a three-year separation, and eleven years of ministry to marriages in crisis, author Linda W. Rooks offers hope to many who feel hopeless by sharing true stories, practical answers, and Scripture-based truth to guide readers along their journeys toward wholeness.

BOLD LOVE

NavPress We've come to view love as being “nice,” yet the kind of love modeled by Jesus Christ has nothing to do with manners or unconditional acceptance. Rather, it is disruptive, courageous, and socially unacceptable. In *Bold Love*, Dr. Dan Allender and Dr. Tremper Longman III draw out the aggressive, unrelenting, passionate power of genuine love. Far from helping you “get along” with others, *Bold Love* introduces the outlandish possibility of making a significant, life-changing impact on family, friends, coworkers—even your enemies. Learn more about forgiveness, maturity, and seeing others through Jesus' eyes.

THE BIBLE IN AMERICAN LAW AND POLITICS

A REFERENCE GUIDE

While scholars increasingly recognize the importance of religion throughout American history, *The Bible in American Law and Politics* is the first reference book to focus on the key role that the Bible has played in American public life. In

considering revolting from Great Britain, Americans contemplated whether this was consistent with scripture. Americans subsequently sought to apply Biblical passages to such issues as slavery, women's rights, national alcoholic prohibition, issues of war and peace, and the like. American presidents continue to take their oath on the Bible. Some of America's greatest speeches, for example, Lincoln's Second Inaugural and William Jennings Bryan's Cross of Gold speech, have been grounded on Biblical texts or analogies. Today, Americans continue to cite the Bible for positions as diverse as LGBTQ rights, abortion, immigration, welfare, health care, and other contemporary issues. By providing essays on key speeches, books, documents, legal decisions, and other writings throughout American history that have sought to buttress arguments through citations to Scriptures or to Biblical figures, John Vile provides an indispensable guide for scholars and students in religion, American history, law, and political science to understand how Americans throughout its history have interpreted and applied the Bible to legal and political issues.

THOUGHTS ON PUBLIC PRAYER

CRUCIFORM

LIVING THE CROSS-SHAPED LIFE

Cruciform Press Employing as symbols the cruciform cathedral and Celtic cross, this book casts a vision for the cruciform life, living as disciples of Jesus who are being shaped by the cross (gospel) into people and churches who share and show the cross (gospel) as they live the vertical life of loving God and the horizontal life of loving people through Christ.

THEOLOGICAL ANTHROPOLOGY AT THE BEGINNING OF THE THIRD MILLENNIUM

Wipf and Stock Publishers Theological Anthropology at the Beginning of the Third Millennium is the third volume of the Theology at the Beginning of the Third Millennium series. Bringing together Catholic and Orthodox scholars of diverse disciplines, this work sheds new light on the question "what does it mean to be a human person?" Beginning with an overview on the state of the discipline in our time, the book brings theological anthropology into dialogue with epistemology, Christology, science, spiritual theology, and pedagogy. It explores how human persons—who are created in God's image and likeness—can come to knowledge of the self and the other, such that the individual person can know, love, and be united to the God and Father of Jesus Christ.

GRACE STICKS

THE BUMPER STICKER GOSPEL FOR RESTLESS SOULS

Wipf and Stock Publishers Even on a bumper sticker, grace is irresistible. Grace Sticks: The Bumper Sticker Gospel for Restless Souls is light-hearted spiritual memoir and theological travel guidance for restless souls looking for more direction, more truth, and more life. Robb-Dover invites readers to reflect on how the bumper stickers they affix to their cars or entertain at traffic lights are themselves spiritual aspirations of sorts pointing to One who is the Way, the Truth and the Life. In their meanderings, with bumper stickers as pit stops, readers will laugh, cry, be provoked, and be inspired to look for God in the most seemingly frivolous and unlikely of places. They'll discover in the process there's as much grace to be found in the journeying itself as in the destination.

THE PSYCHIC LIFE OF POWER

THEORIES IN SUBJECTION

Stanford University Press Judith Butler's new book considers the way in which psychic life is generated by the social operation of power, and how that social operation of power is concealed and fortified by the psyche that it produces. It combines social theory, philosophy, and psychoanalysis in novel ways, and offers a more sustained analysis of the theory of subject formation implicit in her previous books.

WHY LIFE IS BETTER WHEN IT'S NOT ABOUT YOU

WHEN SCOTLAND WAS JEWISH

DNA EVIDENCE, ARCHEOLOGY, ANALYSIS OF MIGRATIONS, AND PUBLIC AND FAMILY RECORDS SHOW TWELFTH CENTURY SEMITIC ROOTS

McFarland The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

HONESTY LEADER'S MANUAL

SHOW THEM JESUS

TEACHING THE GOSPEL TO KIDS

New Growth Press In this transformative resource for youth workers, children's ministry teachers, parents, and VBS volunteers, Jack Klumpenhower teaches how to discover the gospel connections in every Bible story. *Show Them Jesus* is an instruction manual for teachers of kids and teens written by a lay Bible teacher with thirty years of experience. With a simple framework and real-life examples, Jack helps teachers identify and communicate the heart of the gospel to each child in each lesson. *Show Them Jesus* challenges the culture of low-stakes, low-expectations teaching and invites teachers to do nothing less than teach and treasure the good news of Jesus—in every lesson. Instead of leaving kids with lessons about changing their behavior, *Show Them Jesus* offers a new way by sweetly, masterfully, and powerfully showing kids how the gospel really applies to their lives and changes them for eternity. In sharing example after example from his years of experience, Jack provides readers with a more enriched view of Jesus and how to teach this gospel perspective in a classroom setting. This life-changing tool will complement and enrich existing lessons or

teaching materials, and it's appropriate for teachers of children and teens in any setting. Millions of church kids are growing up and deciding to leave the church. If we are not primarily teaching our kids about God's love for us in Christ, we may miss our opportunity to capture their hearts. Don't miss your opportunity to show them Jesus.

THE DEATH AND LIFE OF GREAT AMERICAN CITIES

Random House In this classic text, Jane Jacobs set out to produce an attack on current city planning and rebuilding and to introduce new principles by which these should be governed. The result is one of the most stimulating books on cities ever written. Throughout the post-war period, planners temperamentally unsympathetic to cities have been let loose on our urban environment. Inspired by the ideals of the Garden City or Le Corbusier's Radiant City, they have dreamt up ambitious projects based on self-contained neighbourhoods, super-blocks, rigid 'scientific' plans and endless acres of grass. Yet they seldom stop to look at what actually works on the ground. The real vitality of cities, argues Jacobs, lies in their diversity, architectural variety, teeming street life and human scale. It is only when we appreciate such fundamental realities that we can hope to create cities that are safe, interesting and economically viable, as well as places that people want to live in. 'Perhaps the most influential single work in the history of town planning... Jacobs has a powerful sense of narrative, a lively wit, a talent for surprise and the ability to touch the emotions as well as the mind' New York Times Book Review

RUNNING SCARED

FEAR, WORRY, AND THE GOD OF REST

New Growth Press In this faith-bolstering book, best-selling author Edward T. Welch investigates the roots of fear in the human heart and the ramifications of living in the grips of anxiety, worry, and dread. *Running Scared* explores how fear inescapably takes root in all of our lives—and how our race for the good life finds us all too often “running scared.” Welch encourages readers to discover for themselves how the Bible is full of beautiful words of comfort and peace for fearful people. Everyone is afraid of something, and Welch guides readers to see how Jesus enters in to fear. Within thirty topical meditations, Welch offers sound biblical theology, gospel answers, and moment-by-moment, thoughtful encouragement for those in a heart and mind battlefield of rampant, panic-stricken fear. This comprehensive primer on the topic of fear, worry, and the rest of God will have readers retreating to Scripture for invariable constancy, stalwart care, and robust comfort rather than human independence, control, and self-protectiveness. *Running Scared* affirms that, through Scripture, God speaks directly to our fears, including: Money and possessions People and their judgments Death, pain, suffering, and punishment Welch's lively text provides convincing evidences that humanity's struggle against active and dormant fears are countless. He presents the good news that God provides both the remedy and the cure for this malady in the person of Jesus Christ, the work of the Holy Spirit, and through powerful, life-altering promises in Scripture. Far more than merely another psychology "self-help" guide, *Running Scared* serves as a biblical road map to a life of serenity and security.

ANALYSING POLITICAL DISCOURSE

THEORY AND PRACTICE

Routledge This is an essential read for anyone interested in the way language is used in the world of politics. Based on Aristotle's premise that we are all political animals, able to use language to pursue our own ends, the book uses the theoretical framework of linguistics to explore the ways in which we think and behave politically. Contemporary and high profile case studies of politicians and other speakers are used, including an examination of the dangerous influence of a politician's words on the defendants in the Stephen Lawrence murder trial. International in its perspective, *Analysing Political Discourse* also considers the changing landscape of political language post-September 11, including the increasing use of religious imagery in the political discourse of, amongst others, George Bush. Written in a lively and engaging style, this book provides an essential introduction to political discourse analysis.

OUT ON WATERS

THE RELIGIOUS LIFE AND LEARNING OF YOUNG CATHOLICS BEYOND THE CHURCH

Wipf and Stock Publishers For a denomination like Roman Catholicism that is canonically difficult to leave, many American Catholics are migrating beyond the institution's immediate influence. The new religious patterns associated with this experience represent a somewhat cohesive movement influencing not just Catholicism, but the whole of North American religion. Careful examination of the lives of disaffiliating young adults reveals that their religious lives are complicated. For example, the assumption that leaving conventional religious communities necessarily results in a non-religious identity is simplistic and even, perhaps, misleading. Many maintain a religious worldview and practice. This book explores one "place" where the religiously-affiliated and religiously-disaffiliating regularly meet--Catholic secondary schools--and something interesting is happening. Through a series of ethnographic portraits of Catholic religious educators and their disaffiliating former students, the book explores the experience of disaffiliation and makes its complexity more comprehensible in order to advance the discourse of fields interested in this significant movement in religious history and practice.

A HUNGER FOR GOD

Inter-Varsity Press There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or

power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.
