DAYDREAMS AND NIGHT VISIONS

A BOOK OF PROPHETIC POEMS AND PARABLES

Createspace Independent Publishing Platform Through poetry and story, Daydreams and Night Visions moves us through Charles Henley's transformational journey from a boy hopelessly addicted to drugs, alcohol, and the strife that accompanies addiction, to a man full of hope, love, and joy. In this book of rhymes and wisdom, we get a glimpse of an emotional state of mind we might not otherwise understand. We get a first-hand view of the conversion from and remorse for a life of sin to the daydreams and night visions that Henley experienced during and after his conversion. These visions made him acutely aware of the struggle between good and evil as demonic forces battled for the possession of his soul. This awareness helped him not only prepare for the battle but claim victory over it. This poetic look at a life of a sinner once saved is a look at faith and hope at the end of the road of despair. It's not only written for those who suffer from similar addictions, it's also written to give hope and advice to friends and relatives who feel helpless as they watch their loved ones losing the battle for their souls—if only for a season.

GOD'S FEMINIST MOVEMENT

REDEFINING A "WOMAN'S PLACE" FROM A BIBLICAL PERSPECTIVE

Destiny Image Publishers Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ!

SHADOWS AND ROSE

Createspace Independent Pub "I will follow you to hell. You will never control any treasure and your army is dead where they stand. I promise you I will reach down from the heavens and take each of their lives". Imagine for a moment you are skiing downhill racing ahead of an avalanche, your chest is pounding, pulse racing. That is what you will experience reading this story as the momentum builds, and your heart beats faster and faster. You will be absorbed into the lives of the characters, becoming a part of the action even after the ending. There are struggles between honor and greed, right and

wrong, battlefields are soaked crimson over them. It makes you think and question 'What if?' due to the possibilities and theories contained within. It is purely fictional though based on a trilogy of poems I wrote. While hiking in Europe, Christian finds a unique rock formation resembling a rose hidden in shadows. While camping in the shadows, Christian hears the voice of a ghost telling a magnificent tale of times long past. The voice of Sir Rowan Baldin of the Knights Templar, born out of the aftermath of the Templar purge in France 600 years prior. Rowan's lineage managed to escape the purge to what is now known as Switzerland. There they helped shape a country while protecting their Templar roots in absolute secrecy. Rowan uses dreams and leads Christian on a fast paced adventure throughout Europe. Christian stumbles onto a number of remarkable discoveries, and is knighted by the modern day Templars he uncovers on his quest. Christian finds who he was meant to be. The Templars, these once 'warrior monks' are brought out of the shadows, and their reputation redeemed as their real story is told. This book is not suitable for children due to graphic nature of violence and adult situations. This is my first novel.

REVOLUTION IN WAZOBIA

THE REVOLUTIONARY VISION OF THE TRIUMPH OF A TRIUMVIRATE

Ann's Indulgence Limited The Plot of the Book Title: Revolution in Wazobia: The Revolutionary Vision of the Triumph of a Triumvirate Written in 407 pages including the preliminary pages, 14 Chapters and a Postscript Copyright: Anene Nwuzor, 2013, Published in 2015 Publishers: Ann's Indulgence Limited (AIL), Abuja, Nigeria. The book is a historical fiction for a general readership. The author, Anene Nwuzor, used a fictional approach to deal with realities in Africa. Bad leadership and corruption have contributed to having most of the African countries falling behind with failed education, economic and socio-political systems. Just like many innovations, which come with imaginations turned into clear visions, the author put up a challenge to a possibility, which with commitment can be brought to reality. Just a reminiscent of the saying, 'with imagination one can fly', with his vision in order to inspire in the people a rethink, hope and confidence for a change towards for growth and development of African countries. The author's analogy of the prevailing pathetic state of African countries, using an imaginary country in this book started in his earlier book; Educating for Democracy in Nigeria, a psycho-socio analysis, which specifically analysed the systems' failure in Nigeria. The book pitched from helping readers in understanding human and developmental psychology went on explaining to readers what contributed to the systems' abnormalities. With an unassuming boldness, the author in this new book traced the need for social change, reformation of minds and use of scientific innovation (Nanotechnology) to offer what will help change the systems. While some people have given up hope on a change to normal standard systems, some have the notion that for the countries in Africa, if at all a positive change will come, it will come with revolution, which has been mostly viewed as one of violence, bloodshed. However, the author in another different stroke daringly offered a practical solution on how the needed change can happen. Committed to impacting on societal growth and development, he reaffirmed the need for a radical change-not one of bloodshed-but in attitude with Revolution in Wazobia. Despite portraying the disheartening tales of abnormal things that have become normal things, which people seem not working on changing but rather devising means to living with or leaving for some other foreign lands, Revolution in Wazobia created a fascinating and mind-boggling thriller of the tales that make readers to laugh hilariously (this is possibly to nerve the readers while exposing the weak structure of the educational, economic, social and political institutions), but then the readers pause and think. The book somewhat taught what democratic leadership and followership should offer. The author found a figure, a woman, Andora, who despite the odds surrounding her sexuality-in most African cultures is subjected for no just cause to social, economic and moral deprivation-triumphed along with two other major characters. They promoted an ideology and a movement that helped change the people's executive, legislature and judiciary systems. Nwuzor tactically employed the skills of a teacher, a historian, a psycho-socio analyst and many years of experience as a researcher to analyse the behaviour of the polity in most of the African countries. The story completed in 2013, in simple past tense tells of a modest future triumph for Africans. His work depicted with utmost precision what played out in Nigeria's 2015 general election. The work is a result of thorough analysis, and thus deemed worth reading for the actualization of its actual vision. It has an audio and e-book versions. THE CHRISTIAN TRUMPET

OR, PREVISIONS AND PREDICTIONS ABOUT IMPENDING GENERAL CALAMITIES, THE UNIVERSAL TRIUMPH OF THE CHURCH, THE COMING OF ANTICHRIST, THE LAST JUDGMENT, AND THE END OF THE WORLD

Createspace Independent Publishing Platform In The Christian Trumpet there are many other predictions supposed to have been made by eminent servants of God whose process of beatification has already been or is being introduced in Rome. Such is, for instance, the case with the Venerable Anna-Maria Taigi, Venerable Abbe Vianney, Cure d'Ars, Venerable Elizabeth Mora, Sister Rose Columba of Taggia, etc. Now, in these circumstances, our wise and prudent ecclesiastical superiors will never attempt to forestall the impending solemn judgment of the holy and infallible Roman See by their formal approbation of the prophetic previsions and predictions of these servants of God. Hence, those who clamor for such approbation show more zeal than true wisdom, and evidently fall into the fault which they presume to censure in Pellegrino. In the First Part it has been judged proper to collect and arrange those prophetic predictions, the main object of which evidently is to warn mankind about impending serious and more or less general calamities. In the Second Part he is gratified by being able to give many prophecies of a more cheering and hopeful nature, announcing the fast-approaching universal triumph of the true faith and holy religion of Jesus Christ. The Third Part, if more gloomy and saddening to worldlings, will prove very useful to the true believer, and full of solid hope for the virtuous Christian soul, with fervent aspirations for the end of sin, and the general resurrection to glory of the elect of God."
