goRussian

Learn to Speak, Read, and Understand Russian with Pimsleur Language Programs

Pimsleur **The Pimsleur® Method teaches speaking and understanding right from the start For almost 50 years, in over 50 languages, the Pimsleur® Method has been recognized by experts worldwide as one of the fastest and most effective ways to learn to speak another language. With Pimsleur you will learn Russian in the same way you learned your first language as a child, acquiring the vocabulary of the new language, along with the melody, rhythm, and**

intonation of Russian as used in everyday conversation. The Science of Memory Dr. Paul Pimsleur's research on memory was one of his most significant achievements: he discovered that if reminded of new words and information at gradually increasing intervals of time, the learners would remember the words or information for increasingly longer periods. Dr. Pimsleur documented that the acquisitions would actually move from short-term into long-term, or permanent, memory. The Reading Program Pimsleur Language Programs use the same revolutionary learning Method to teach you to read, as well as to speak. You will start by sounding out Russian, learning to associate the new sound system to the English alphabet you know. Gradually you will learn to look at the words and see them with "Russian eyes." And you will learn to read Russian without an English accent. Learn on the Go! goRussian makes it easier than ever to use the Pimsleur programs by including the spoken lessons in two audio formats. Now you can listen anytime, anywhere: in your car or at home and on your MP3 player. This package contains: • Eight 30-minute language lessons on four audio CDs • A reading book with more than 50 Reading Lessons An iPod-ready MP3 CD that has: • MP3 audio files of the eight 30-minute spoken language lessons • An MP3 file containing three hours of reading lessons • A printable PDF file of the companion Reading Book (Please Note: MP3 disc will not play on a regular CD player) On the MP3 CD you'll also find a link to: An Instant Credit of \$100 towards the purchase of the Pimsleur Comprehensive Level 1 program directly from Simon & Schuster, with 30 lessons on 16 Audio CDs. Please see www.pimsleur.com/goRussian for details. Note: The purchase of this product alone does not qualify for an Instant Credit, or for the Proficiency Guarantee. Pimsleur's Proficiency Guarantee. We believe so strongly in the effectiveness of the Pimsleur Method that we will guarantee your spoken proficiency if you continue and complete the Level 1 Pimsleur program. For more details visit www.pimsleur.com/Proficiency-Guarantee.

Pimsleur Romanian Basic Course - Level 1 Lessons 1-10 CD

Learn to Speak and Understand Romanian with Pimsleur Language Programs

Pimsleur **The Pimsleur® Method: the easiest, fastest way to learn a new language. Completely portable, easily downloadable, and lots of fun. You'll be speaking and understanding in no time flat! This course includes Lessons 1-10 from the Romanian Level 1 Program - 5 hours of audio-only effective language learning with real-life spoken practice sessions. Get a chance to test drive the incredibly effective and efficient, world-famous Pimsleur Level 1 Program. Each lesson provides 30 minutes of spoken language practice, with an introductory conversation, and new vocabulary and structures. Detailed instructions enable you to understand and participate in the conversation. Practice for vocabulary introduced in previous lessons is included in each lesson. The emphasis is on pronunciation and comprehension, and on learning to speak Romanian. The Romanian Language Romanian is spoken by about 22 million people in Romania, where it is the official language, by 3 million people in Moldova (where it's called Moldovan), and by around 1 million scattered in Albania, Bulgaria, Greece, Macedonia, Montenegro, Hungary, and Serbia. Pimsleur teaches the Daco-Romanian dialect spoken in both Romania and Moldova. Tech Talk - CDs are formatted for playing in all CD players, including car players, and users can copy files for use in iTunes or Windows Media Player.**

Russian Life

Red Sparrow

Simon and Schuster **SOON TO BE A MAJOR MOTION PICTURE** starring Jennifer Lawrence, Joel Edgerton and Jeremy Irons. **Dominika Egorov, former prima ballerina, is sucked into the heart of Putin's Russia, the country she loved, as the twists and turns of a betrayal and counter-betrayal unravel. American Nate Nash, idealistic and ambitious, handles the double agent, codenamed MARBLE, considered one of CIA's biggest assets. He needs to keep his identity secret for as long as the mole can keep supplying golden information. Will Dominika be able to unmask MARBLE, or will the mission see her faith destroyed in the country she has always passionately defended? 'A great and dangerous spy-game is being played today between Russian intelligence and the CIA. Very few people know about it, including many of our politicians in Washington. But Jason Matthews does, and his thrilling Red Sparrow takes us deep inside this treacherous world. He's an insider's insider. He knows the secrets. And he is also a masterful story-teller. I loved this book and could not put it down. Neither will you' Vince Flynn 'Not since the good old days of the Cold War has a classic spy thriller like Red Sparrow come along. Jason Matthews is not making it up; he has lived this life and this story, and it shows on every page. High-level espionage, pulse-pounding danger, sex, double agents and double crosses. What more can any reader want?' Nelson DeMille**

The Way of the Linguist

A Language Learning Odyssey

AuthorHouse **The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As**

citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book *The Way of The Linguist, A language learning odyssey*, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: www.thelinguist.com.

Discover

Freezing Order

A True Story of Money Laundering, Murder, and Surviving Vladimir Putin's Wrath

"Following his explosive New York Times bestseller *Red Notice*, Bill Browder returns with another gripping thriller chronicling how he became Vladimir Putin's number one enemy by exposing Putin's campaign to steal and launder hundreds of billions of dollars and kill anyone who stands in his way. When Bill Browder's young Russian lawyer, Sergei Magnitsky, was beaten to death in a Moscow jail, Browder made it his life's mission to go after his killers and make sure they faced justice. The first step of that mission was to uncover who was behind the \$230 million tax refund scheme that Magnitsky was killed over. As Browder and his team tracked the money as it flowed out of Russia through the Baltics and Cyprus and on to Western Europe and the Americas, they were shocked to discover that Vladimir Putin

himself was a beneficiary of the crime. As law enforcement agencies began freezing the money, Putin retaliated. He and his cronies set up honey traps, hired process servers to chase Browder through cities, murdered more of his Russian allies, and enlisted some of the top lawyers and politicians in America to bring him down. Putin will stop at nothing to protect his money. As *Freezing Order* reveals, it was Browder's campaign to expose Putin's corruption that prompted Russia's intervention in the 2016 US presidential election. At once a financial caper, an international adventure, and a passionate plea for justice, *Freezing Order* is a stirring morality tale about how one man can take on one of the most ruthless villains in the world--and win"--

Million Dollar Women

The Essential Guide for Female Entrepreneurs Who Want to Go Big

[Simon and Schuster](#) "American women are starting businesses at nearly twice the rate that men are, but only three percent of female business owners have revenues of over one million dollars. Most women entrepreneurs are stuck at the 'mom and pop' level, just getting by, or in many cases, running out of cash. Julia Pimsleur shares her ... story of

building her own company and raising millions in capital in a guide for women like her who have a great idea and need to find the resources to take it into the big leagues"--

U.S. News & World Report

The Ukrainian and Russian Notebooks

Life and Death Under Soviet Rule

Simon and Schuster **Graphic novelist Igort illuminates two harrowing moments in recent history--the Ukraine famine and the assassination of a Russian journalist.**

Babel No More

The Search for the World's Most Extraordinary Language Learners

Simon and Schuster **A "fascinating" (The Economist) dive into the world of linguistics that is "part travelogue, part science lesson, part intellectual investigation...an entertaining, informative survey of some of the most fascinating polyglots of our time" (The New York Times Book Review). In Babel No More, Michael Erard, "a monolingual with benefits," sets out on a quest to meet language superlearners and make sense of their mental powers. On the way he uncovers the secrets of historical figures like the nineteenth-century Italian cardinal Joseph Mezzofanti, who was said to speak seventy-two languages, as well as those of living language-superlearners such as Alexander Arguelles, a modern-day polyglot who knows dozens of languages and shows Erard the tricks of the trade to give him a dark glimpse into the life of obsessive language acquisition. With his ambitious examination of what language is, where it lives in the brain, and the cultural implications of polyglots' pursuits, Erard explores the upper limits of our ability to**

learn and use languages and illuminates the intellectual potential in everyone. How do some people escape the curse of Babel—and what might the gods have demanded of them in return?

The Everything Learning Russian Book with CD

Speak, Write, and Understand Russian in No Time!

Mastering the American Accent with Online Audio

Barrons Educational Services **Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. Mastering the American Accent is an easy-to-follow approach for reducing the accent of non-native speakers of English. Well-sequenced lessons in the book correspond over eight hours of audio files covering the entire text. The audio program provides clear models (both male and female) to help coach a standard American accent. The program is designed to help users speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed in detail. Beyond the production of sounds, the program provides detailed instruction in prosodic elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g., comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up "pull" and "pool." Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such irregularities can contribute to pronunciation**

errors. A native language guide references problematic accent issues for 13 different language backgrounds.

Longman Dictionary of Language Teaching and Applied Linguistics

Routledge This best-selling dictionary is now in its 4th edition. Specifically written for students of language teaching and applied linguistics, it has become an indispensable resource for those engaged in courses in TEFL, TESOL, applied linguistics and introductory courses in general linguistics. Microdosing with Amanita Muscaria

Creativity, Healing, and Recovery with the Sacred Mushroom

Simon and Schuster • **Shows how Amanita microdoses offered help and healing for a broad range of conditions, including hormonal dysfunction, allergies, gingivitis, heartburn, eczema, psoriasis, depression, epilepsy, hypertension, insomnia, and migraine • Reveals how Amanita microdoses are effective for pain relief and for interrupting addictions to alcohol, opiates, nicotine, caffeine, and other narcotics • Details how to safely identify, prepare, and preserve Amanita muscaria, including recipes for tincture, tea, oil, and ointment as well as proper microdose amounts Exploring the**

results of the first international study on the medicinal effects of microdosing with *Amanita muscaria*, the psychoactive fly agaric mushroom, Baba Masha, M.D., documents how more than 3,000 volunteers experienced positive outcomes for a broad range of health conditions as well as enhanced creativity and sports performance. Masha discovered that *Amanita* microdoses offered help and healing for hormonal dysfunction, low libido, allergies, asthma, swelling, gingivitis, nail fungus, digestive issues, recovery from stroke and cardiac arrest, and skin conditions such as eczema and psoriasis. She found beneficial effects on depression, epilepsy, hypertension, insomnia, and low appetite and shows how *Amanita* microdoses are quite effective for pain relief, including in cases of rheumatoid arthritis, menstrual pain, and migraine. The author also reveals how *Amanita* microdoses can interrupt addictions to alcohol, nicotine, caffeine, opiates, and other narcotics. The author details how to safely identify, harvest, prepare, and preserve *Amanita muscaria*, including recipes for tincture, tea, oil, and ointment as well as proper microdose amounts. She shares dozens of detailed personal *Amanita* microdose reports from study participants, highlighting the positive, negative, and neutral effects they experienced, and she also shares some *Amanita* large-dose trip reports, cautioning against this practice because of the mushroom's strong dissociative properties, including amnesia. Revealing the vast healing potential of this ancient mushroom ally, Masha's study shows not only how *Amanita* can help with many health conditions but also how it activates the ability to feel the value and the significance of your own life experience.

The Psychology of the Language Learner

Individual Differences in Second Language Acquisition

Routledge Research results over the past decades have consistently demonstrated that a key reason why many second language learners fail--while some learners do better with less effort--lies in various learner attributes such as personality traits, motivation, or language aptitude. In psychology, these attributes have traditionally been called "individual differences." The scope of individual learner differences is broad--ranging from creativity to learner styles and anxiety--yet there is no current, comprehensive, and unified volume that provides an overview of the considerable amount of research conducted on various language learner differences, until now. Each chapter in this new volume focuses on a different individual difference variable. Besides a review of the relevant second language literature, Zoltán Dörnyei presents a concise overview of the psychological research involving each topic. A key concern for the

author has been to define the various learner factors as measurable constructs and therefore the discussion includes a summary of the most famous tests and questionnaires in each domain. A wide range of readers will benefit from this book--students in linguistics, applied linguistics, modern languages, and psychology programs; second language teachers participating in in-service training courses; and researchers in second language acquisition and psychology.

501 French Verbs

Russian Black Magic

The Beliefs and Practices of Heretics and Blasphemers

Simon and Schuster **A rare look into the history, theory, and craft of the black mages and sorcerers of Russia • Examines practical rituals and spells, the demonic pantheon, places of power, offerings and sacrifices, Hell Icons, and instructions for cemetery magic • Provides insight into the fundamental ideology of black magic practitioners, from the universal laws of magic to the principles of morality • Details how the Russian practice of black magic preserved ancient pagan traditions and evolved as the antithesis of Christianity Born in the Soviet Union and descended from a matrilineal line of witches, Natasha Helvin offers a rare look into the secret practices of Russian black magic, passed down from teacher to disciple for generations both orally and through their grimoires bound in black. Drawing from her own experience, Helvin provides insight into the fundamental ideology of black magic practitioners, from the universal laws of magic to the principles of morality. She explains a mage's view on fate and predestination, how the world was created, and their relationship with the demons that grant them their power. She examines the demonic pantheon as well as how a black sorcerer is able to influence the forces in the universe and pass on his or her powers and knowledge to further generations. Exploring the history of occult practices in Russia, including how Christianity had a profound effect upon magic and witchcraft, Helvin shows how attempts to forcibly convert the Russian population to the Christian faith were widely resisted, and instead of these ancient pagan practices disappearing, they blended with Christian belief. Authorities repainted old pagan gods as demons in order to eradicate ancient traditions. Black magic became labelled as defiantly anti-Christian simply for preserving the old ways, and as a result, some branches of black**

magic evolved as a reaction against enforced Christianity and practitioners proudly accepted the label of “blasphemer” or “heretic.” Through this book, readers can explore the Left-Hand path of Russian magic and its spells and rituals. The author explains about cemetery magic, sacrifices, the creation of Hell Icons, and places of power, such as crossroads, swamps, and abandoned villages, as well as the best times to practice black magic, how to choose the best grave for your spell, and how to summon demons. Providing many concrete examples of spells, Helvin demonstrates the broad range of what can be accomplished by those who practice the black arts, if they commit themselves to the craft.

Kremlin Rising

Vladimir Putin's Russia and the End of Revolution

Simon and Schuster In the tradition of Hedrick Smith's *The Russians*, Robert G. Kaiser's *Russia: The People and the Power*, and David Remnick's *Lenin's Tomb* comes an eloquent and eye-opening chronicle of Vladimir Putin's Russia, from this generation's leading Moscow correspondents. With the 1991 collapse of the Soviet Union, Russia launched itself on a fitful transition to Western-style democracy. But a decade later, Boris Yeltsin's handpicked successor, Vladimir Putin, a childhood hooligan turned KGB officer who rose from nowhere determined to restore the order of the Soviet past, resolved to bring an end to the revolution. *Kremlin Rising* goes behind the scenes of contemporary Russia to reveal the culmination of Project Putin, the secret plot to reconsolidate power in the Kremlin. During their four years as Moscow bureau chiefs for *The Washington Post*, Peter Baker and Susan Glasser witnessed firsthand the methodical campaign to reverse the post-Soviet revolution and transform Russia back into an authoritarian state. Their gripping narrative moves from the unlikely rise of Putin through the key moments of his tenure that re-centralized power into his hands, from his decision to take over Russia's only independent television network to the Moscow theater siege of 2002 to the "managed democracy" elections of 2003 and 2004 to the horrific slaughter of Beslan's schoolchildren in 2004, recounting a four-year period that has changed the direction of modern Russia. But the authors also go beyond the politics to draw a moving and vivid portrait of the Russian people they encountered -- both those who have prospered and those barely surviving -- and show how the political flux has shaped individual lives. Opening a window to a country on the brink, where behind the gleaming new shopping malls all things Soviet are chic again and even

high school students wonder if Lenin was right after all, *Kremlin Rising* features the personal stories of Russians at all levels of society, including frightened army deserters, an imprisoned oil billionaire, Chechen villagers, a trendy Moscow restaurant king, a reluctant underwear salesman, and anguished AIDS patients in Siberia. With shrewd reporting and unprecedented access to Putin's insiders, *Kremlin Rising* offers both unsettling new revelations about Russia's leader and a compelling inside look at life in the land that he is building. As the first major book on Russia in years, it is an extraordinary contribution to our understanding of the country and promises to shape the debate about Russia, its uncertain future, and its relationship with the United States.

The Everything Learning Russian Book Enhanced Edition Speak, Write, and Understand Russian in No Time

The Bilingual Reform

A Paradigm Shift in Foreign Language Teaching

The Wolf Wilder

Simon and Schuster **In the days before the Russian Revolution, twelve-year-old Feodora sets out to rescue her mother when the Tsar's Imperial Army imprisons her for teaching tamed wolves to fend for themselves.**

Flirting with French

How a Language Charmed Me, Seduced Me & Nearly Broke My Heart

Algonquin Books In this “charming memoir,” a determined Francophile pursues fluency in the language he loves—and we read along to find out if it will ever love him back (Kirkus Reviews). William Alexander is more than a Francophile. He wants to be French. If only he could speak the language. In *Flirting with French*, Alexander eats, breathes, and sleeps au français. He travels to France, where mistranslations send him bicycling off in all sorts of wrong directions. At an immersion class in Provence where he faces the riddle of masculine breasts, feminine beards, and a turkey cutlet of uncertain gender, he wonders if he should’ve taken up golf instead. While playing hooky from grammar lessons and memory techniques, Alexander reports on the riotous workings of the Académie Française, the centuries-old institution charged with keeping the language pure; explores the science of human communication, learning why it’s harder for fifty-year-olds to learn a second language than it is for five-year-olds. Never giving up his quest for fluency, Alexander discovers that studying French may have had a far greater impact on his life than actually learning to speak it ever would. “Alexander proves that learning a new language is an adventure of its own—with all the unexpected obstacles, surprising breakthroughs and moments of sublime pleasure traveling brings.” —Julie Barlow, author of *The Bonjour Effect*

Survival of the Thickest

Essays

Simon and Schuster From the stand-up comedian, actress, and host beloved for her cheeky swagger, unique voice, and unapologetic frankness comes a book of “zesty and hilarious” (Publishers Weekly) essays for fans of *Is Everyone Hanging Out Without Me* by Mindy Kaling and *We’re Going to Need More Wine* by Gabrielle Union. If you’ve watched television or movies in the past couple of years, you’ve seen Michelle Buteau. With scene-stealing roles in *Always Be My Maybe*, *First Wives Club*, *Someone Great*, *Russian Doll*, and *Tales of the City*; a reality TV show and breakthrough

stand-up specials, including her headlining show *Welcome to Buteaupia* on Netflix; and two podcasts (*Late Night Whenever* and *Adulthood*), Michelle's star is on the rise. You'd be forgiven for thinking the road to success—or adulthood or financial stability or self-acceptance or marriage or motherhood—has been easy, but you'd be wrong. Now, in *Survival of the Thickest*, Michelle reflects on growing up Caribbean, Catholic, and thick in New Jersey, going to college in Miami (where everyone smells like pineapple), her many friendship and dating disasters, working as a newsroom editor during 9/11, getting started in stand-up opening for male strippers, marrying into her husband's Dutch family, IVF and surrogacy, motherhood, chosen family, and what it feels like to have a full heart, tight jeans, and stardom finally in her grasp.

Conversational Hebrew Quick and Easy

The Most Advanced Revolutionary Technique to Master Conversational Hebrew

Createspace Independent Pub **Have you always wanted to learn how to speak Hebrew but simply didn't have the time? Look no further. You hold in your hands the most revolutionary method that was ever designed for QUICKLY becoming conversational in a language. In creating this time saving program, master linguist Yatir Nitzany spent nearly three years examining the 27 most common languages in the world and distilling from them the 350 words that are most likely to be used in real conversations. Through various other discoveries about how real conversations work that are detailed further in this book, Nitzany created the necessary tools for linking these words together in a specific way to become fluent NOW. If you want to learn complicated grammar rules, or the non-Romanized alphabet of a foreign language, this book is not for you. If you need to actually hold a conversation for a trip to the Holy Land, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. Therefore, unlike other courses, all words in this program are taught in English transliteration, without having to learn a complex foreign alphabet. More formalized training in grammar rules, learning to write in a foreign alphabet, etc. can all come later. The first in a series of**

language instructional guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels all with hundreds of pages in order to learn a language, with "Conversational Hebrew Quick and Easy" all you need is 48 pages. Learn Hebrew today and not tomorrow. Get started now! Note and DISCLAIMER from the Author: I wish to stress this program is by NO means, shape, NOR form a phrase book!! The sole purpose of this book is to give you a fundamental platform to enable you to connect certain words to become conversational. Please also read the "Introduction" and the "About Me" section prior to commencing the program. In order to succeed with my method, please start on the very first page of the program (page #16) and fully master one page at a time prior to proceeding to the next, otherwise you will overwhelm yourself and fail. Please do NOT skip pages, nor start from the middle of the book. It is a myth that certain people are born with the gifted talent to learn a language and this book disproves that myth. With this method anyone can learn a foreign language as long as you follow these EXPLICIT directions: Memorize the vocabulary on each page, follow it by using a notecard to cover the words you have just memorized and test yourself. Then read the sentences below which are created from the vocabulary bank which you just mastered. Once fully memorized, then give yourself the green light to proceed to the next page. Again, if you proceed to the following page without mastering the previous, you are guaranteed to gain nothing from this book. If you follow the prescribed steps you will realize just how effective and simplistic this method is.

The Last Wild Horses

Simon and Schuster **The sensational new novel from the author of *The History of Bees Translated into 36 languages*, winner of the Norwegian Bookseller's Prize, and the most successful Norwegian author of her generation, Maja Lunde returns with a heart-wrenching tale, set in the distant past and the dystopian future, about extinction and survival, family and hope. Mikhail lives in Russia in 1881. When a skeleton of a rare wild horse is brought to him, the zoologist plans an expedition to Mongolia to find the fabled Przewalski horse, a journey that tests not only his physicality, but his heart. In 1992, Karin, alongside her troubled son Mathias and several Przewalski horses, travels to Mongolia to re-introduce the magnificent horses to their native land. The veterinarian has dedicated her life to saving the breed from extinction, prioritizing the wild horses, even over her own son. Europe's future is uncertain in 2064, but Eva is willing to sacrifice nearly everything to hold onto her family's farm. Her teenage daughter implores Eva to leave the farm and Norway, but a pregnant wild mare Eva is tending is about to foal. Then, a young woman named Louise unexpectedly arrives on the farm, with mysterious intentions that will either bring them all together, or devastate them one by one. Spanning continents and centuries, *The Last Wild Horses* is a powerful tale of survival and connection—of humans, animals, and the indestructible bonds that unite us all. Translated from the Norwegian by Diane Oatley**
